Student Highlight

Giovani Castaneda
3rd Grade

Giovani Castaneda:
A Quiet Kind of Greatness at Bethel Hill Charter School

Third grade is where the elementary school adventure gets even more exciting! Between tackling bigger challenges, becoming more independent, learning new things, and taking on those first big End-of-Grade tests, our students are growing by leaps and bounds. It's a year full of learning, discovering what they're capable of, and showing the world what makes them special. Giovani Castaneda, one of our third-grade students is doing just that in his own unique way!

He may not be the loudest voice in the classroom, but his actions speak volumes. He is a young man who shows up ready to learn, stays on task, and tackles his work with quiet determination. He is respectful toward his teachers and classmates, follows expectations, and can always be counted on to do what is asked of him without needing constant reminders. He takes responsibility for his learning, puts forth consistent effort, and doesn't give up when things get challenging. His quiet confidence and dependable nature make him a wonderful example of how to be a great student.

That same determination carries over to the baseball field, too! As a teammate, he understands that being part of a team means showing up, working hard, encouraging others, and doing your part. He knows that every player has a role to play, and being a great teammate is about more than just making the big plays. It's about effort, attitude, respect, and having your teammates' backs.

Whether he's in the classroom or on the ballfield, he shows us that you don't have to be the loudest person in the room to make a big impression. Sometimes the biggest accomplishments come from simply showing up, staying focused, treating others with respect, working hard, and being someone others can count on.

We are proud to celebrate this third-grade all-star! Keep swinging for the fences, working hard, and showing everyone that a little quiet determination can go a long way. Bethel Hill Charter School is lucky to have you Giovani!
