In a statement to WHYY News, a Montco County spokesperson was supportive of the new safety process.

“They are a lot of the visuals, lyrics and metaphors about flowers on the album.” — Darryl C. Murphy

“We're just doing it at Somerset for a mental health crisis or addiction on the Market-Frankford Line.” — SEPTA's chief engineer Kate O'Connor

“Please wait until the buffer zone is reached, or it may be too late.” — WHYY.org

“We're happy that the litigation is over so we can move on and focus on issues of change.” — Witold Walczak, ACLU of Pennsylvania executive director

“Toward the end of March, the ACLU-PA said the county had violated the inmates' rights to receive visits and said it would file a lawsuit if the county failed to correct the problem within a matter of days.” — WHYY.org

“We were pleased to see the court come to a quick resolution.” — WHYY.org

“A student who was shot at school led us to this.” — WHYY.org
