FOR IMMEDIATE RELEASE

San Clemente, California
March 18, 2022

2022 San Clemente High School Senior Scholarships

SAN CLEMENTE, CA. The 2022 San Clemente High School Scholarship application is now available online.

The San Onofre Parks Foundation will award up to four (4) \$1,000 scholarships to graduating San Clemente High School seniors attending an accredited 2 or 4-year college or university in the Fall of 2022. Application deadline is April 10, 2022. The recipients will be honored at the SCHS Senior Awards in Spring 2022.

Since we started our SCHS scholarship program in 2013, we have awarded twenty-eight scholarships totaling nearly \$28,000 to college-bound Tritons who demonstrated interest in environmental stewardship of our State Parks, their natural and cultural resources, and the mission of the San Onofre Parks Foundation.

The San Onofre Parks Foundation is a California non-profit, public benefit, charitable corporation, whose mission is to assist California State Parks in the delivery of public education and interpretation at both San Clemente and San Onofre State Beach Parks. Additionally, we are a voice for the community with regard to protection and preservation of these parks, and an advocate for environmental awareness and ethics.

For more information about the San Onofre Parks Foundation and to download the online application, please visit our website at www.SanOParks.org

About San Onofre Parks Foundation

The San Onofre Parks Foundation is a California 501c3 non-profit organization dedicated to supporting education and interpretive programs within the State Parks at San Onofre and San Clemente. The organization serves as a voice for the community who share a love for these parks.
