

June 18, 2015

Dear Triton Community,

We are excited to celebrate the graduation of the multi-talented members of the Class of 2015 of San Clemente High School tomorrow. We know these extraordinary young men and women will go far in their lives. At the request of the graduating seniors, we have invited Mr. Michael Halt to participate in tomorrow's graduation ceremony and congratulate the students as they walk across the San Clemente stage into the next exciting chapter of their lives.

While Mr. Halt has declined the District's offer of employment, we are glad he will be a part of the graduation ceremony and this special time for the students. We wish Mr. Halt, and each of our graduating seniors, all the best as they pursue new adventures in college, professional careers, military, and beyond.

Best of luck Tritons!
