

Jose “Andrez” Vergara

Jose “Andrez” Vergara was an admired father, son, brother, husband, business partner and friend. He left this world suddenly on August 2nd, 2022 at age 34.

Andrez was born to Jose Vergara and Maria Almaguer Rojas on October 3rd, 1987 in Tempe, Arizona. He lived his entire life here in Casa Grande, and after graduating high school continued on to Central Arizona College, where he completed his Associate’s Degree in Business Administration.

He then went on to become an entrepreneur, starting and running a successful freight brokerage out of his home with his partner and children.

When Andrez wasn’t running his freight brokerage, he made it a point to spend as much time as he could with the four people who meant the world to him, his daughters. You could often find him teaching them to ride bikes or helping them with their homework. Andrez was also an avid hiker – he spent many mornings hiking up Casa Grande Mountain, usually with friends and family. If he wasn’t hiking or mentoring his girls, he could almost always be found at the local shooting range or in his backyard in front of his grill with a spatula or tongs in his hand and a sizzling steak on the grate. He was very loved and respected by everyone he encountered. His customers, friends and other business associates have had nothing but good things to say about him. Andrez was known for his smile and genuinely caring nature, giving to those who needed it most whether he had the means or not.

Viewing and funeral services will be hosted by J. Warren Funeral Services in Casa Grande on Thursday, August 11th, 2022 with a viewing beginning at 4 p.m. and the funeral following at 5 p.m.
