

Adopt A Pet

Hank A202576 - Hank is a Mastiff mix around six years old. He needs a family who has plenty of time, and lots and lots of love to give him. He has lots of energy and can use some leash training because of his energy. He is in serious want for a forever home.

Missy A210540 - Missy is a sweetheart! She is around two years old and filled with wonder. She gets along with other dogs, and would love to call a place her forever home.

Rex A201904 - Rex is a neutered male about four years old and LOVES toys. Squeaky, squishy, and fluffy, he is a toy connoisseur that's for sure. Rex would love to have a forever family to spend his life with.

Templeton A214303 - Templeton is a male Chihuahua mix and is one of our seniors. This little guy is very sweet and would love to show someone the love he has to share. Templeton would love to be in a forever home with those his own age.

Fiona A141247 - Fiona is spayed and about six years old. Fiona is probably one of the sweetest, loving and well-mannered dogs we have here at the shelter. She loves to walk around and interact with other people and dogs. Fiona is also one of our Senior Spotlights, so when she is adopted she will come with some bonuses!
