**Tack** - Adult, neutered male Labrador/Blue Heeler mix. Tack recently came to us a stray, so far he's a gem. Contact us if you would like to meet Tack. Foster to Adopt opportunity available.

**Ginger** - She needs someone who will commit to her forever. She's calm, well-behaved, crate and house-trained, knows basic commands, and good with cats and dogs. She needs an owner with dog training experience and would love a canine companion.

**Pebbles** - 11 yr old Shih Tzu who's a wonderful boy & great for his age. He was rescued from a fire but suffered smoke inhalation. He has some PTSD & occasionally has nightmares. He also has skin allergies & dry eyes. These are managed with topical ointments, eye drops & grain-free food. He gets along great with all dogs & cats.

**Madonna** - 1 year old female Carolina Dog. She is very affectionate with people but wants to get to know you first. Then she will be your best friend. Very smart, excellent with other dogs.

**Sammy Girl** - 2.5 year old female Lab/Pointer. Playful, fun, happy. She would prefer to be an only dog. She is great with people of all ages. This bundle of fun and love will be a great companion.

**Rocky** - Lab/Shepherd mix who is 5 years old, is well-behaved, happy, energetic, loving and friendly. He gets along with the dogs and cats in his foster home and likes every person he meets.

**Angel** - 4 yr old female Bull Terrier mix. Soft, gentle, meek, shy but very good companion. Angel has had valley fever and is under treatment. It doesn't impact her. LOVAR will sponsor her medication for 3 mths following adoption. She's a very special girl and weighs only 36 lbs.
