To Whom It May Concern:

Based on the sworn application for voter registration (dated August 3, 2022) by Damond Watkins, I have no evidence to controvert that he is a qualified elector in the State of Idaho and in Bonneville County, nor do I have any evidence to suggest he was registered to vote in another state. Therefore, it is my opinion, based on the evidence in my possession, that he is a qualified voter.

Respectfully,

A handwritten signature in blue ink that reads "Penny Manning".
