

Counseling on or Providing Birth Control. Counselling on birth control, as well as providing the means for birth control, can be done through the licensed physicians and their health care workers at Student Health locations run by Moscow Family Medicine, our Student Health provider. The university can provide condoms for the purpose of helping prevent the spread of STDs but not for purposes of birth control.

CTC and WWAMI

Licensed professionals in the Counselling and Testing Center (CTC) who are engaged in sessions with students falling under the medical counselor/patient privilege are being addressed separately through the CTC director. WWAMI students and faculty are being addressed separately through the WWAMI director.
