Dear Queensbury Town Board Members,

My name is Brady Stark, and I am seeking an appointment to the Ward 4 Town Board seat recently vacated by Jennifer Switzer. It is my view that I possess a unique skill set that would be an asset to the Town of Queensbury. I am currently a board member at the Warren County Historical Society and Chairman of the Education committee. I was also recently added to the Town of Queensbury Clean Energy/Climate Smart Committee. I also work as the Field Coordinator for Congresswoman Elise Stefanik, a position I have held since high school. I believe my unique experience and commitment would give a new perspective to the town board. I am a hard worker, dedicated to the betterment of our community. If I am appointed to the Town Board I will work in a bipartisan and collaborative manner to get things done. I believe that the Town Board should strive to maintain its civil atmosphere and willingness to work across the aisle, something you will get with me on the board. As I have become increasingly involved with our community in recent years, I would love the opportunity to utilize my unique skill set as a Town Councilman.

Thank you for your consideration.

Sincerely,
