Subject: Letter of Interest

Dear John,

I write to you as a resident of Queensbury. My family has lived in Queensbury for a little over ten years. Our daughters are in 6th, 8th, and 10th grade. We are avid skiers, boaters, and cyclists. My business, Trampoline Design, has been in Glens Falls for more than 17 years. I care deeply about this region and want to contribute in whatever ways that I can.

I have not officially engaged in the political or municipal realm, instead offering my contributions through volunteerism for local non-profit organizations through my business. When Jennifer Switzer regrettably vacated her seat, I realized it was a new opportunity to participate in the community I cherish.

Please accept this letter as a signal of my interest in filling the vacancy.

Sincerely,

Amanda Magee

I've also sent a copy via the mail.
