Subject: Letter of Intent -Queensbury 4th Ward Councilperson

Supervisor Strough,

My name is Timothy McNulty. I am submitting this letter of intent to be a candidate for the town board position being vacated by Jenifer Switzer. I am a retired Army officer and have lived in Queensbury for the past five and a half years. We have previously met at several community functions and at a number of county Supervisor's meetings.

My twenty seven years' of managing military logistics and transportation operations has led to a sincere desire to continue to serve the community. For five years my family and I have called Queensbury home and, in that time, I have enthusiastically joined a variety of community organizations in an effort to give back.

I am a 1980 ROTC undergraduate of Canisius College and completed graduate studies at the United States Army War College. During my career I served in a number of senior leadership roles which I believe have prepared me to become a highly successful Ward 4 Councilperson. During my military service I served as an Installation Commander in South Korea managing the operations and resources of 17 departments, including public works, public transportation, human services and an annual operating budget of \$125 million. I've included a copy of my resume with this e-mail.

Although I have only been a resident of Queensbury for a brief time, I have become deeply engaged and invested in the Queensbury community. I serve locally as the Commander of the Veterans of Foreign Wars, the Grand Knight of the Knights of Columbus and as President of the Ancient Order of Hibernians. Further, I am a volunteer with Lower Adirondack Search and Rescue, Double H Ranch as an Adaptive Ski Instructor, and as a member of the St Mary's Church Finance Committee. I have greatly enjoyed working with members of my community and profoundly understand and appreciate the nuances associated with developing consensus to move forward.

I am seeking election as the Ward 4 Town of Queensbury Councilperson because I am committed to improving the lives of those within my community. I look forward to the opportunity to interact with the constituents of Queensbury and, if elected, pledge to be open and accountable to their concerns and comments. I feel confident in my ability to efficiently serve on the Board and promise to embody the passion, drive and competence expected.

With respect,

Tim
