Baby

I Love you So much. I'm so Sorry for this. I never meant to hurt little man, I mean the Big boy. I have Court between 9-10 or 10-11 tomorrow here at the court. Please come to it. I love you more than anything. ~~I don't want to be in court~~ and I'm so scared for Garry. I didn't think I pushed him into his room that hard. Tell Braxton I Love him. and Just be good. IDK what's going to happen. I'm getting ~~a felony~~ a felony for this. I'm so worried about you babies. I never meant for any of this to happen. now I'm going to get us sanctioned at Warren County. So who knows what's going to happen. I'm so fuckin Sorry Boo. I love you more than anything. Please Be By My side. you know it was an accident. I Love that little boy. I hope he's going to be OK. IDK if I'll ever see you again. If you can, can you please contact Mr. Oswald to help us. They said it's a felony. And if I can't get out tomorrow at court then we (you) lose the apartment and the Baby. I never wanted any of this to happen. Please stay by my side. I don't believe you think I did this on purpose and they keep saying I sexual abused Garry recently. they are saying I shoved something up his ass. I never did that. IDK why they think I would. I feel like my life is over and we were just getting it started. I still need to put money on my line. And after all this if you still love me. We should get married. We have Been there enough for two lifetimes. I'm so worried about you and the Baby. I love you more than anything. you are my everything. ~~I don't want to be in court~~
