NEW ARRIVALS

PAHANG

PRESTON ALEKHINE PAHANG

Dear Press Readers,

Look at my brother, Preston Alekhine! He arrived on January 20, 2010.

My daddy, Alekhine Pahang, is really happy that he has both a girl and a boy to now keep the Pahang name going. I think he's happy because boys don't want pretty, shiny things.

Mommy, Brianne Reed-Pahang, told me he weighed 7 lbs. 11 oz. and was 19.75 inches long. I'm not sure what that means, but she is very happy that he sleeps all night long... so am I!

I am happy to see my Mom-Mom & Pop-Pop Reed, Lolo and Nana Pahang, my aunts, uncles, and cousins share with me my baby brother.

Being a big sister is a big job! This is my first task, introducing my brother, Preston Alekhine Pahang, to all of you.

~ Raelyn Marsha Pahang
