

Reopening Plan Approach

Crest Memorial School

Goals

- ★ Develop a flexible plan
- ★ Meet safety guidelines
- ★ Address parent needs

Parts to Plan

1. General guidelines
2. Classroom considerations
3. Transportation
4. Traffic flow in building
5. Screening and protective measures
6. Contact tracing
7. Cleaning practices
8. Recess and physical education
9. Extracurricular activities
10. Other building uses
11. Social emotional
12. Brain drain
13. Scheduling changes
14. Staffing

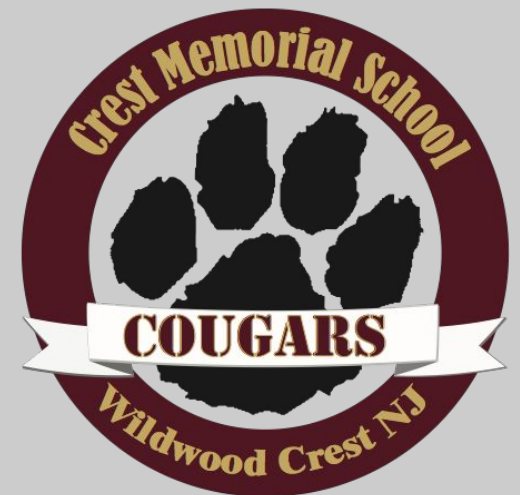

Calendar Change

- ★ Staff training Sept. 1-3.
- ★ First day for students Sept. 8th.
- ★ Students begin school after Labor Day

Mask Requirements

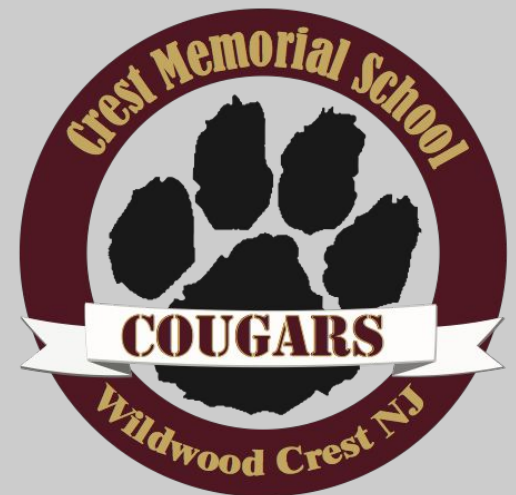

- ★ Face coverings required at all times
- ★ Three conditions must be met to remove masks?
 1. Students are all seated
 2. All are socially distanced
 3. Teacher directed after confirming distancing and seating.

Mask Requirements

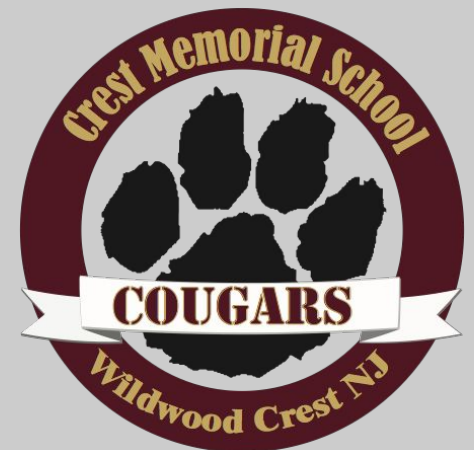

★ Masks must be worn during:

- transitions
- bathroom use
- water breaks
- hand sanitizing/washing
- any small group activities

Mask Requirements

- ★ How do you address students who don't follow mask protocols?
 - 2 verbal warnings
 - 3rd verbal warning and call home
 - 4th verbal warning inform parents continued non compliance may result in child having to go online.
 - Continued non compliance will result in admin intervention.

Close Contact

- ★ When six feet distance can't be maintained, you have to follow these guidelines:
 - Mask acceptable if contact is shorter than ten minutes
 - If close contact extends beyond 10 minutes, you have to have two forms of PPE
 - Masks
 - Plexiglass dividers
 - Face shields

Screening Protocol

- ★ Screening starts at home.

- ★ If your child is sick, please keep them home.
 - 24 hours fever free
 - Take to a doctor if symptoms do not subside.

- ★ We will adjust attendance policy.
 - No Truancy fears.
 - No attendance awards

Screening Protocol

- ★ Prior to student arrival, all staff will complete self assessment protocol
- ★ Homerooms extended to 8:30AM to allow student morning screening
- ★ Student screening becomes a part of daily routine

https://docs.google.com/document/d/1e_C1vQW5u-bObaXlibcErvp_bZho3h1_vkOIJsifW9uE/edit?usp=sharing

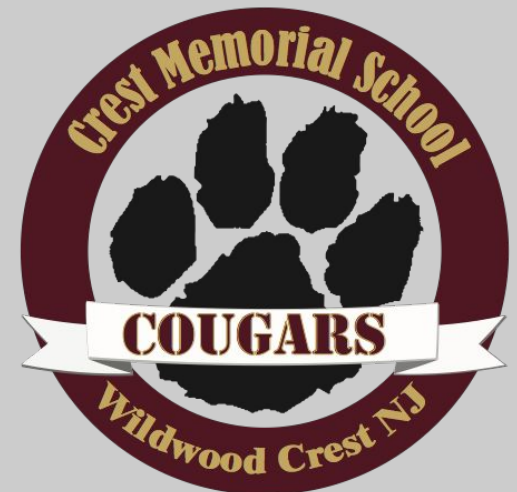

Screening Protocol

- ★ Main parts of screening
 - Touchless temperature checks
 - Discussion that allows teachers to check for symptoms
- ★ Students who clearly exhibit symptoms go to Nurse for further screening.

Arrival

- ★ Students enter through designated entrances, beginning at 8:05.
- ★ Teachers in homerooms or on duty by 8:05.
- ★ Students will not line up in hallway, cafeteria, or on blacktop.
- ★ Families will receive maps with entrance/ exit locations.

Arrival

- ★ Staff on duty to direct students
- ★ Teachers in homeroom to conduct screening
- ★ Enforce mask compliance (must cover nose and mouth).

Arrival

- ★ Homeroom and duty are extended until 8:30.
- ★ No students sent to the office as late prior to 8:30.
- ★ After 8:30, students dropped off at the main office.
- ★ PK3 and 4 arrive at 8:30 and enter through classroom doors.

Schedule

- ★ Very similar to current schedule.
- ★ Modifications include:
 - 30 minute periods
 - Homeroom teachers moved to accommodate class sizes by grade level.
 - Teachers move from classroom to classroom instead of students.

Hallway Traffic

- ★ All traffic must be one way and will be guided by signage and floor markers
- ★ Classes will have to wait until students pass before moving.
- ★ Hall monitors help with supervision, traffic direction and bathroom monitoring
- ★ BSI and SPED students will continue to be pulled for services.

Bathroom Use

- ★ One student in the bathroom at a time
- ★ Hallway monitors will direct students and spray sanitizer.
- ★ Teachers with bathrooms in classrooms will have to spray sanitizer between uses.

Bathroom Use

- ★ Classrooms without bathrooms will have to schedule bathroom breaks and coordinate with other teachers from non bathroom classes.
- ★ Students will have to use bathrooms before and after lunch.
- ★ Teachers will have to make this a routine.

Specials

- ★ Special area teachers will go directly to classes
- ★ Students will go to gym for gym class
 - Middle School will not change clothes
- ★ Teachers must escort classes to gym

Physical Education

- ★ Social distancing will take place
- ★ Students will go outside as much as possible
- ★ Mr. Abbott is modifying his curriculum to ensure social distancing

Recess/DPA

- ★ Students will have recess as scheduled
- ★ Must stay in designated areas
- ★ Follow social distancing rules.

Recess/DPA

- ★ Teachers must direct/organize activities and/or directly oversee free play
- ★ During inclement weather, teachers provide activities in classroom.
- ★ Must continue to follow social distancing rules.

Lunch

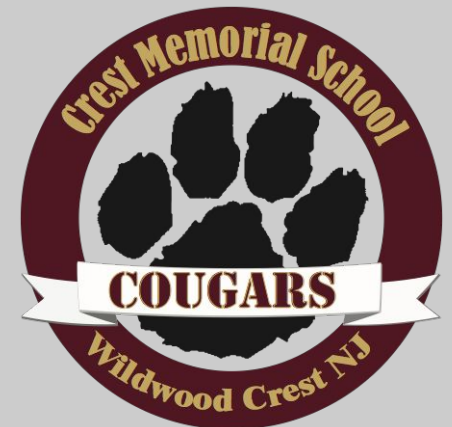

- ★ Broken up into three periods.
- ★ Only 60 students allowed in the cafeteria at a time.
- ★ Students at certain grade levels will follow a rotation of cafeteria-classroom.

Lunch

- ★ 1st lunch (PK3-K): 11:00-11:30 All students
- ★ 2nd lunch (1-4): 11:45-12:15
Two grade levels on any given day.
- ★ 3rd lunch (5-8): 12:30-1:00
Two grade levels on any given day
- ★ Rotations will be weekly.

Dismissal

- ★ Students exit the building from designated doors they entered.
- ★ PK 3-4 will dismiss at 2:30. All others 3:02.
- ★ PK-5th grade pick up on NJ Avenue
- ★ Middle school to pick up from Pacific Ave.

Online Learning

- ★ Students can opt out of in-person learning at any point.
- ★ If a family chooses to be online, they have to wait until the next marking period to switch back to in person learning.
- ★ We remain committed to working with families and handle each situation on a case by case basis.

Online Learning

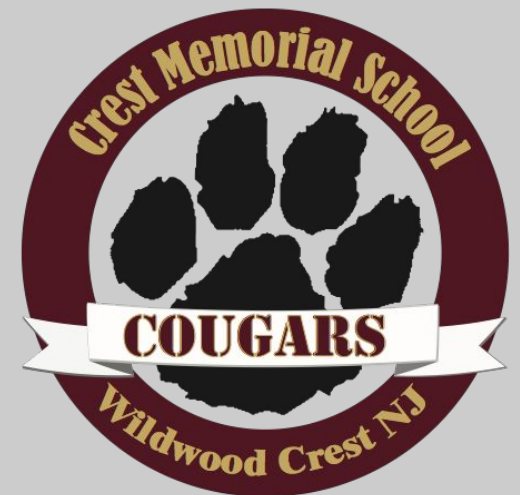

- ★ All teachers will be required to have a Google Classroom to start the year
- ★ Each student will have a Crest Gmail account
- ★ Assignments will be added to Google Classroom

Online Learning

- ★ Classroom teacher responsible for assigning all work through Google Classroom.
- ★ Online support teacher will be responsible for collecting, grading completed work and (if needed) providing additional support.
- ★ Online Support Teacher
 - At least 3 Zooms a week for Math and Reading
 - 1 Zoom for Science and Social Studies (Can be on Friday)

Contact Tracing

- ★ School personnel document all contacts
- ★ Health department does outside of school
- ★ All affected are informed of suspected case

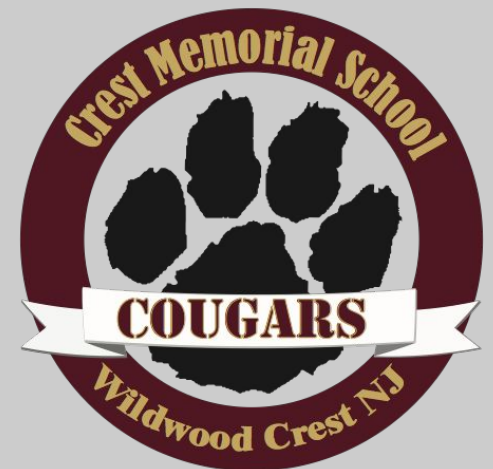

Cleaning Protocols

- ★ Disinfecting and sanitizing conducted nightly.
- ★ Staff added for expanded cleaning of high frequency areas during day.
- ★ Deep cleaning happens any time there is a confirmed case in the area where infection happened.

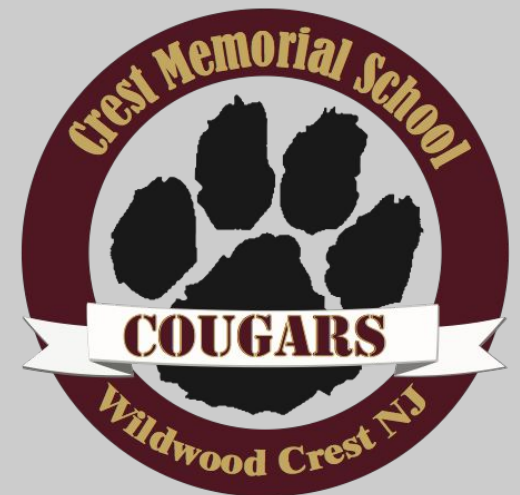

Extracurricular Activities

- ★ Largely postponed until Spring
- ★ Will have to follow all social distancing protocols
- ★ External organizational use limited or postponed until Spring

Transportation

- ★ Guidelines shared with trolley company
- ★ We'll advise parents of compliance
- ★ No further recourse

Social emotional

- ★ Recognize transition will be tough
- ★ Planned periodic check ins
- ★ Training with staff during opening days
- ★ Community always responds and will continue to aid families in need.

Self Isolation/Quarantine based Testing Result

Quarantine vs. Self-Isolation

- Purpose of quarantine is to keep non symptomatic people away from others.
- Isolation is to keep SICK people away from those who are not infected.
- Self quarantine/isolation are voluntary practices to reduce the spread of COVID-19.

Self-Quarantine Vs. Self-Isolation

- Any person getting a COVID-19 diagnostic test (nasal or saliva) should Self-Quarantine after specimen collection
- Until a negative result is obtained, a person should remain in quarantine unless directed otherwise by a medical professional.
- These recommendations are not for individuals who got the antibody test.

How Infection Happens

According to Board of Health, in order to catch COVID-19:

No Mask

Closer than 6 feet

Longer than 10 minutes

Student or teacher tests positive?

- If the student was Symptomatic, sent to Urgent Care, and tested positive -- contact tracing within CMS will occur.
- Parents of will be notified if their child came into contact with the student.
- Student isolated from school and not admitted until a note from their doctor to return.
- Students and teachers permitted back in building as long as they have no symptoms and continue to follow social distancing protocols.

Mask, 6 feet apart, proper hygiene.

What if a family member of a student has tested positive?

- Student would have to self quarantine for 14 Days from last known exposure with the Covid-19 person.
- Student would then have to do virtual learning from home.
- Student will need to have zero symptoms in order to return to school after the 14 day self isolation.
