Application forms are available at the school's website and at your child's school. Applications can be submitted at any time during the school year. If a household member becomes unemployed or the household size or income changes during the school year, parents are encouraged to contact the school so that all children receive the proper benefits. For the school officials to determine eligibility, the household must provide the following information listed on the application: names of all household members; household income received by each household member; type of income; frequency of income such as weekly, every two weeks, twice a month or monthly; and the signature and last four digits of the social security number of an adult household member certifying that the information provided is correct. The information provided by parents on the application will be kept confidential and will be used only for the purpose of determining eligibility.

The school will advise parents of their child's eligibility within 10 working days of receipt of the application. Any parent dissatisfied with the eligibility determination may contact the school to request an informal conference or may appeal the decision by requesting a formal hearing. Parents may call the school for further information on the program.

Once determinations are completed, school officials are required to verify three percent of the approved free and reduced price applications on file.

Foster children are eligible for free meals or free milk. Households receiving assistance under NJ SNAP or Temporary Assistance for Needy Families (TANF) for their children will be notified of their eligibility for free benefits unless the household notifies the school that it chooses to decline benefits. Households receiving assistance under NJ SNAP or TANF should only submit an application if they are not notified of their eligibility by a specified date determined by the school.
