Memo

DATE: February 19, 2015
TO: City Council
FROM: Dorothy F. McCrosson, Esquire
RE: Ordinance Revision Traffic Ordinance – Seasonal Flash Mode Operation

The Ocean City Police Department obtained authority from Cape May County to set traffic signals on County-owned roads in Ocean City to flash mode on a seasonal basis in 2011. The affected intersections are as follow:

- 24th Street and Bay Avenue
- 40th Street and West Avenue
- 46th Street and West Avenue
- 52nd Street and West Avenue

For purposes of these traffic light settings, “seasonal” means November 1st to March 15th of each year.

The Ocean City Police Department has recommended that two additional intersections (18th Street and Wesley Avenue, and 34th Street and Central Avenue) in Ocean City be set to flash mode from November 1st to March 15th of each year. This recommendation is based on the substantially reduced traffic volumes during the off-season.

The attached ordinance would implement the Police Department’s recommendation.

The ordinance indicates that the red flashing signals would face the cross streets (18th Street and 34th Street) and the yellow flashing signals would face the north-south streets (Wesley Avenue and Central Avenue). This would be consistent with the operation of the flashing signal at the County-operated intersections.

ORDINANCE NO. 15-09

A BOND ORDINANCE APPROPRIATING \$8,293,300.00 AND AUTHORIZING THE ISSUANCE OF \$7,878,635.00 IN BONDS AND NOTES OF THE CITY OF OCEAN CITY FOR THE VARIOUS IMPROVEMENTS OR PURPOSES AUTHORIZED TO BE UNDERTAKEN BY THE CITY OF OCEAN CITY, NEW JERSEY

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF OCEAN CITY, COUNTY OF CAPE MAY, STATE OF NEW JERSEY, (not less than two-thirds of members thereof affirmatively concurring) AS FOLLOWS:

Section 1. The several improvements described in Section 3 of this Bond Ordinance are hereby respectively authorized as general improvements to be made or acquired by Ocean City, New Jersey for said several improvements or purposes stated in Section 3, there are hereby appropriated the respective sums of money therein stated as the appropriations made for said improvements or purposes, said sums being inclusive of all appropriations heretofore made therefore and amounting in the aggregate to \$8,293,300.00 including the aggregate sum of \$414,665.00 from Capital Improvement Fund as the several down payments for said improvements for purposes required by law and more particularly described in Section 3 and now available therefore by virtue of a provision in a previously adopted budget or budgets of the City for down payment or for capital improvement or purposes.

Section 2. For the financing of said improvements or purposes and to meet the part of said \$8,293,300.00 appropriations not provided for by application hereunder of said down payments, negotiable bonds of the City of Ocean City are hereby authorized to be issued in the principal amount of \$7,878,635.00 pursuant to the Local Bond Law of New Jersey. In anticipation of the issuance of said bonds and to temporarily finance said improvements or purposes, negotiable notes of the City in a principal amount not exceeding \$7,878,635.00 are hereby authorized to be issued pursuant to and within the limitations prescribed by said law.

Section 3. The improvements hereby authorized and the several purposes for the financing of which said obligations are to be issued, the appropriations made for an estimated cost of each purpose (in each case, including all work or materials necessary therefore or incidental thereto, and as shown on and in accordance with the plans and specifications therefore on file in the Office of the City Clerk and hereby approved), and the estimated maximum amounts of bonds or notes to be issued for each such purpose, are respectively as follows:

SEE ATTACHED SECTION 3

The excess of the appropriations made for each of the improvements or purposes aforesaid over the estimated maximum amount of bonds or notes to be issued therefore, as above stated, is the amount of the said down payment for said purpose.

Section 4. The following additional matters are hereby determined, declared and recited as stated:

(a) The said purposes described in Section 3 of this Bond Ordinance are not current expenses and are each a property or improvement which the City may lawfully acquire or make as a general improvement, and no part of the cost thereof has been or shall be specifically assessed on property specifically benefited thereby.

(b) The average period of usefulness of said purposes within the limitations of said Local Bond Law and taking into consideration the respective amounts of the said obligations authorized for the several purposes, according to the reasonable life thereof computed from the date of the said bonds authorized by this Bond Ordinance is 8.52 years.

(c) The supplemental debt statement required by the said law has been duly made and filed in the Office of the City Clerk and a complete executed duplicate thereof has been filed in the Office of the Director of the Division of Local Government Services in the Department of Community Affairs of the State of New Jersey, and such statements show that the gross debt of the City as defined in said law is increased by the authorization of the bonds and notes provided for in this Bond Ordinance by \$7,878,635.00 and the said obligations authorized by this Bond Ordinance will be within all debt limitations prescribed by said law.

(d) Amounts not exceeding \$1,500,000.00 in the aggregate for interest on said obligations, costs of issuing said obligations, engineering cost and other items of expense listed in and permitted under Section 40A:2-20 of said Law, may be included as part of the cost of said improvements are included in the foregoing estimate therefore.

Section 5. The funds from time to time received by the City on account of any grant or monies referred to in Section 1 of this Bond Ordinance shall be used for financing the improvement or purpose described in Section 3 of this Bond Ordinance, by application thereof, either to direct payment of the costs of said improvements or purpose, or to payment or reduction of the amount of the obligations of the City authorized by this Bond Ordinance. Any such funds so received may, and all such funds so received which are not required for direct payment of such costs shall, be held and applied by the City as funds applicable only to the payment of obligations of the City authorized by this Bond Ordinance.

Section 6. All bond anticipation notes issued hereunder shall mature at such time as may be determined by the Chief Financial Officer; provided that no note shall mature later than one (1) year from its date. The notes shall bear interest at such rate or rates and be in such form as may be determined by the Chief Financial Officer. The Chief Financial Officer shall determine all matters in connection with notes issued pursuant to this Ordinance, and the Chief Financial Officer's signature upon the notes shall be conclusive evidence as to all such terminations. All notes issued hereunder may be renewed from time to time subject to the provisions of N.J.S.A. 40A:2-8.1(a). The Chief Financial Officer is hereby authorized to sell part or all of the notes from time to time at public or private sale and to deliver the same to the purchaser thereof upon receipt of payment of the purchase price plus accrued interest from their dates to the date of delivery thereof. The Chief Financial Officer is directed to report in writing to the Administrator and Council at the meeting next succeeding the date when any sale or delivery of the notes pursuant to this Ordinance is made. Such report must include the amount, the description, the interest rate, the maturity schedule of the notes sold, and price obtained and the name of the purchaser.

Section 7. The City hereby declares the intent of the City to issue bonds or bond anticipation notes in the amount authorized in Section 2 of this bond ordinance and to use the proceeds to pay or reimburse expenditures for the costs of the purposes described in Section 3(a) of this bond ordinance. This Section 7 is a declaration of intent within the meaning and for purposes of Treasury Regulations §1.150-2 or any successor provisions of federal income tax law.

Section 8. The Chief Financial Officer of the City is hereby authorized to prepare and to update from time to time as necessary a financial disclosure document to be distributed in connection with the sale of obligations of the City and to execute such disclosure document on behalf of the City. The Chief Financial Officer is further authorized to enter into the appropriate undertaking to provide secondary market disclosure on behalf of the City pursuant to Rule 15c2-12 of the Securities and Exchange Commission (the "Rule") for the benefit of holders and beneficial owners of obligations of the City and to amend such undertaking from time to time in connection with any change in law, or interpretation thereof, provided such undertaking is and continues to be, in the opinion of a nationally recognized bond counsel, consistent with the requirements of the Rule. In the event that the City fails to comply with its undertaking, the City shall not be liable for any monetary damages, and the remedy shall be limited to specific performance of the undertaking.

Section 9. The full faith and credit of the City are hereby pledged to the punctual payment of the principal of and interest on the said obligations authorized by this Bond Ordinance. Said obligations shall be direct, unlimited obligations of the City, and the City shall be obligated to levy ad valorem taxes upon all the taxable property within the City for the payment of said obligations and interest thereon without limitations of rate or amount.

Section 10. The Capital Budget of the City of Ocean City is hereby amended to conform with the provisions of this Ordinance to the extent of any inconsistencies created hereby. To the extent of any inconsistencies, a revised budget has been filed with the Division of Local Government Services.

Section 11. The Bond Ordinance shall take effect twenty (20) days after first publication thereof after final adoption, as provided by said Local Bond Law.

Jay A. Gillian, Mayor

Anthony P. Wilson, Council President

Memo

DATE: February 19, 2015
TO: City Council
FROM: Dorothy F. McCrosson, Esquire
RE: Ordinance Designating Ocean City Planning Board to Serve As
Flood Damage Prevention Appeal Board

Neither the City nor Ocean City property owners have had cause to invoke the variance section of the Flood Damage Prevention Appeal Board on a regular basis in the past.

However, in light of the current FEMA and flood insurance flood-proofing requirements, and an increase in the number of homeowners interested in elevating or replacing their beachfront and bayfront bulkheads, the Administration foresees a need for a Flood Damage Prevention Appeal Board.

The current Flood Damage Prevention ordinance contemplates the creation of a Flood Damage Prevention Board of Appeals through mayoral appointments, subject to the advice and consent of Council.

Instead of creating a new board, the Mayor proposes to designate the Planning Board to serve as the City's Flood Damage Prevention Appeal Board.

The attached ordinance would revise the Flood Damage Prevention ordinance to eliminate the provisions regarding the constitution of a separate Appeal Board, and would replace those provisions with language assigning the functions of the Appeal Board to the Planning Board.

The ordinance would also strike the inconsistent language in the Administrative Code from 2007 which included in the powers of the Environmental Commission the functions of the Flood Damage Appeal Board.

Re: Recommendation of Award - Contract 14-37 – Job # 3-2014-037

I have reviewed the qualifications and bid prices of Lexa Concrete, LLC. and find them acceptable. I have personally worked with Lexa on several large and smaller projects in Sea Isle City and other municipalities. Their previous work has been generally acceptable and I have no objection with the contract being awarded to Lexa Concrete, LLC.

This project includes the resurfacing of several north end roads which will include drainage, concrete curbing and flat work, paving, bike lanes and safety improvements by realigning the intersection of Bridge Boulevard at Gardens Parkway and West Inlet Road at Crescent Road. This project also includes the expansion of existing grassed islands to further reduce impervious surface.

Subject: J. Paul Bainbridge & Associates, Inc. - General Real Estate Appraiser

I am recommending that J. Paul Bainbridge & Associates, Inc. continue as the appraiser for the Ocean City Assessor's office for year 2015 forward. As you know, J. Paul Bainbridge & Associates, Inc. was the successful bidder on RFP Q-13-002 for Commercial Appraiser Services for the City of Ocean City, NJ received March 19, 2013.

Mr. Bainbridge did a professional job in attending settlement conferences and producing an appraisal report for the Tax Court appeals (multiple years) on the Port-O-Call Hotel property. The efforts of Mr. Bainbridge assisted the Ocean City assessor's office in successfully settling these appeals for all years. Ocean City still has several appeals pending before the NJ tax court on high value commercial properties (several are boardwalk commercials.) Mr. Bainbridge has developed appraisals on many commercial boardwalk properties throughout Cape May County and has a substantial amount of knowledge regarding the valuation of this type of property in the local marketplace. Mr. Bainbridge has already started the appraisal process on several of these appeals, and I believe he should complete the appraisals for the pending tax court cases.

If you have any questions, or if you need further information, do not hesitate to contact me.

INTRODUCTION

As requested by the City of Ocean City (City), Michael Baker, Jr., Inc., a Michael Baker International Company, (Baker) will prepare a Flood Mitigation Concept Development Report to assess potential methods to reduce flooding in the drainage areas of West Avenue to Bay Avenue from 26th to 34th Streets. The goal of the report will be to recommend a phased strategy to improve mitigation of the flooding conditions within the project area and also to meet the City's roadway improvement goals. The phased approach will target quick strategies that can be accomplished in the following year as well as long term strategies. Accompanying the strategies will be a description of the potential flood mitigation options, a construction cost estimate for the various options, and a schedule for design and construction.

SCOPE OF SERVICES

1. **Field Visit and Data Collection.** Baker will visit the project site to investigate current conditions. Included in this investigation will be a wetland delineation, a verification of the drainage features, and collection of the city's available as-builts, survey, and design documents.
2. **Review Existing Conditions.** Baker will review the best available data collected and prepare an existing conditions hydrology study and a model of the existing drainage system. Environmentally sensitive areas will be included in a map of the study area. Recommendations will be developed from the results of this study and the environmental review.
3. **Prepare Concept Report.** From the existing data and the study, Baker will prepare a phased strategy to mitigate flooding conditions of the area and also meet the City's roadway improvement goals. Included with this report will be construction cost estimates, design schedules, construction schedules, and permitting requirements.
4. **Present the Concepts.** The results of the assessment will first be presented to City officials and then presented to residents at a public meeting. Baker will prepare presentation boards depicting the potential improvements for the area. Meeting minutes and documentation of the discussions will be provided by Baker.
5. **Project Management and Meetings.** Project Management will include coordination with the City, staff assignments, oversight of the technical work, Quality Assurance / Quality Control of the performed work for compliance with the contract scope of services, schedule and budget.

Deliverables

The following deliverables will be provided as part of the above effort:

- Flood Mitigation Concept Development Report

Schedule

The schedule for this task is as follows:

Notice to Proceed	NTP
Field Collection and Site Visit	NTP + 1 Business days
Review Existing Conditions	NTP + 15 Business days
Prepare Mitigation Concept Report	NTP + 25 Business days
Present Mitigation Concepts	NTP + 35 Business days

Notes and Assumptions:

- City will provide the latest plans, as-builts, and available survey for the project area.
- No new survey will be provided at this time, as it is anticipated that the existing analysis will approximate elevations from the best available data.
- ROW and Riparian information will be based on existing City tax maps
- Baker assumes that a meeting (1) will be had with the City officials to present the strategies as well as a meeting (1) with the public to present the strategies.
- Baker assumes three (3) field visits to evaluate the existing systems and environmental impacts.
- Wetlands will be delineated, but survey collection of the points will be the City's responsibility.

RESOLUTION

#6

**AUTHORIZING THE CITY OF OCEAN CITY TO EXECUTE A RESOLUTION OF SUPPORT FOR
THE PARTICIPATION IN THE SAFE ROUTES TO SCHOOL PROGRAM**

WHEREAS, the City of Ocean City, New Jersey sees the need to promote the health and safety of our children; and

WHEREAS, nearly one out of three children (31%) ages 10-17 are overweight or obese in New Jersey and New Jersey has the second highest rate of obesity (17.9%) for low-income children ages 2-5; and

WHEREAS, lack of physical activity has had a significant impact on children's health and well-being, resulting in higher rates of obesity, diabetes, heart disease, and other related health concerns compared to 30 years ago; and

WHEREAS, driving children to school by private vehicle and idling in the school vicinity contributes to traffic congestion and air pollution near the school; and

WHEREAS, air pollution near schools can have adverse effects on student health, including decreased lung development, allergies and asthma, as well as on the local environment; and

WHEREAS, Congress has designated federal funding to develop the National Safe Routes to School Program to address these challenges; and

WHEREAS, bicycling and walking to school can have a positive mental and physical impact on the health of children and youth, and helps them arrive at school ready to learn; and

WHEREAS, providing safer routes to and from schools aims to decrease pedestrian and bicycling related injuries, not just for students but for the entire community; and

WHEREAS, the Safe Routes to School program uses education, encouragement, infrastructure and enforcement strategies to help make walking and bicycling to school safer and more attractive to children; and

WHEREAS, a successful Safe Routes to School program involves schools, school boards, citizens and local government to collaborate to enable and encourage children, including those with disabilities, to walk and bicycle to school safely; and

THEREFORE BE IT RESOLVED, that the Governing Body of the City of Ocean City support the Safe Routes to School program and are proponents of developing and maintaining safe ways to walk and bicycle to school.

RE: Safe Routes to School Program

I have reviewed the Safe Routes to School Program, which is a federal, state and local effort to enable and encourage children, including those with disabilities, to walk and bicycle to school. After that review, it is my recommendation that the City provide a resolution of support to participate in the program in conjunction with the Cities schools. By participating in this program, funding to the schools and community are then accessible to improve walking and bicycling conditions to schools, through the application to the Safe Routes to School Infrastructure Grant Program.

**AUTHORIZING THE PREPARATION AND EXECUTION OF THE 2014
NEW JERSEY DEPARTMENT OF ENVIRONMENTAL PROTECTION
RECYCLING TONNAGE GRANT**

WHEREAS, the Mandatory Source Separation and Recycling Act (P. L. 1987, c.102) has established a recycling fund from which a tonnage grant may be made to municipalities in order to encourage local source separation and recycling programs; and

WHEREAS, it is the intent and the spirit of the Mandatory Source Separation and Recycling Act to use the tonnage grants to develop new municipal recycling programs and to continue and to expand existing programs; and

WHEREAS, the New Jersey Department of Environmental Protection (NJDEP) has promulgated recycling regulations to implement the Mandatory Source Separation and Recycling Act; and

WHEREAS, the recycling regulations impose on municipalities certain requirements as a condition for applying for tonnage grants, including but not limited to, making and keeping accurate verifiable records of materials collected and claimed by the municipality; and

WHEREAS, a resolution authorizing this municipality to apply for such tonnage grants will memorialize the commitment of this municipality to recycling and to indicate the assent of the City Council of the City of Ocean City, to the efforts undertaken by the municipality and the requirements contained in the Recycling Act and recycling regulations; and

WHEREAS, such a resolution should designate the individual authorized to ensure the application is properly completed and timely filed; and

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of Ocean City hereby endorses the submission of the recycling tonnage grant application to the New Jersey Department of Environmental Protection and designates Michael Rossbach, Certified Recycling Professional, to ensure that the application is properly filed; and

BE IT FURTHER RESOLVED that the monies received from the recycling tonnage grant be deposited in a dedicated recycling trust fund to be used solely for the purposes of recycling.

Re: Recycling Tonnage Grant

I am looking for your support to approve a resolution to accept the New Jersey Recycling Tonnage Grant. This resolution is presented annually and its approval is a mandatory step in the grant awarding process. As you may know, recycling is mandatory in New Jersey and helps reduce our bottom line in waste disposal. This grant funding helps support the City's efforts in having a successful recycling program. In the past the funds have been used for purchasing public recycling containers for the boardwalk, city streets, city buildings, schools and the beaches. It also allows the Ocean City Community Operations Department to participate in educational events such as those conducted at the spring and fall block parties.

If you have any questions or need further support, don't hesitate to contact me.

WHEREAS, a capital plan for year 2015 with summary information for years 2016 to 2019 has been formulated by the Mayor, City Council and staff; and

WHEREAS, the level of funding associated with the plan by which a debt management policy is established is outlined as follows:

Total Proposed Capital Plan 2015 to 2019	\$ 79,616,300.00
Total Proposed Debt Associated with the Capital Plan	\$ 75,635,485.00

; and

WHEREAS, the level of funding associated with the Capital Plan, on an annual basis, is outlined in Exhibit A; and

WHEREAS, it is recognized that certain components of the capital plan will be eligible for grants and other funding sources and it is in the best interest of the City of Ocean City to monitor and pursue these opportunities as potential offsets to debt service; and

WHEREAS, the debt service schedule which currently exists includes the effects of this Capital Plan over the life of the plan is outlined in Exhibit B; and

CITY OF OCEAN CITY
CAPE MAY COUNTY, NEW JERSEY
RESOLUTION

WHEREAS, the Capital Plan does not appropriate any funds but rather provides a framework for financing various projects within a context of financial capability and sustainability; and

WHEREAS, the Capital Plan will be reviewed each year and modified as appropriate recognizing the most up-to-date data available; and

WHEREAS, certain standards should be reviewed regularly to enable City Council and the Administration to understand trends and forecast the financial health of the City and chart its financial course; and

WHEREAS, among these standards are:

- That the debt service appropriation, which includes Bond Principal, Interest, Bond Anticipation Note Principal, Interest, and Green Acres Debt should be maintained in the 12-15% range of the total Budgetary Appropriations.
- All efforts should be made to smooth the debt service appropriation each year.
- That the approach of issuing permanent debt consistent with the capital and debt management plan, considers both the market conditions and maintaining maturity schedules of between 10 to 15 years be utilized.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Ocean City that it adopts the Capital and Debt Management Plan for 2015 to 2019; and

BE IT FURTHER RESOLVED that the City Administration and Council endorse the standards set forth above as part of this capital and debt management plan.

Anthony P. Wilson, Council President

Offered by Seconded by

The above resolution was duly adopted by the City Council of the City of Ocean City, New Jersey, at a meeting of
said Council duly held on the day of 2015
