Yes,, Sunday 11am to Bedford is fine,./div> When we return to NY from Bedford Sunda= PM, our route is far north and West,, should work good for Sunday pm arriv=l into Teterboro.  
It's best to ge= settled Sunday night in NY,, Monday and Tuesday looks iffy weather, the st=rm looses its north east track and is expected to sit off the NJ coast till=Tue.  
Better to arrive NY Sunday n=ght after Bedford, as you've planned.

Tropical storm is expected to be off shore Atlantic City by Sunday night,  
  
In case you wanted to get to Ny before weather gets worse.  
Still to early to tell how far off the coast of NJ the storm will be for Sun=ay night,

Just FYI  
I'll continue to monitor,
