Certify proposed property tax levy

Superintendent Chris Lennox proposed property tax levies to be certified to the county. Proposed levies for school districts carry the option of levying the “maximum,” which means the Minnesota Department of Education calculates a district’s allowable levy limit(s) that are set by state statute or voter approval. The Board approved the recommendation to certify the proposed property taxes as “maximum” for the payable 2025 tax levy.

MDE Review & Comment

Superintendent Lennox reported that per MN Statute 123B.71, school districts must submit information to the Minnesota Department of Education (MDE) regarding the educational and economic advisability of proposed school construction projects. Mounds View Public Schools submitted information relative to the proposed capital projects levy to MDE. As a result of

their review, the Commissioner of Education has provided the School District with a positive review and comment.

DOP Goal Update: Capital Projects Levy

Shauna Bock, treasurer, gave a presentation on the capital projects levy, which will be on the ballot for residents on November 4. Bock shared how the levy can improve school safety, maintain cyber security efforts and advance student achievement. The presentation can be found on the website at mypschoools.org/saferschools.

CITY OF NORTH OAKS
NOTICE OF LAKE AERATION
TO PREVENT WINTERKILL AT GILFILLAN LAKE
NOTICE IS HEREBY GIVEN that the City of North Oaks has applied for an aeration permit for Gilfillan Lake to prevent winterkill. The aerator is located on the NW side of the lake at 8 Poplar Lane, North Oaks, MN, 55127 – Section17, T30N, R22 W, Ramsey County. The aerator helps add oxygen to the water in Gilfillan Lake. When lakes freeze over in the winter and become iced over, no new oxygen can make its way into the water. When it snows on the ice no sunlight can reach the underwater plants, and they cannot make oxygen. When oxygen levels get too low, fish can suffocate, causing a winterkill. Aeration on Gilfillan Lake will cause thin ice and/or open water. Pay attention to warning signs, and use extreme caution on Gilfillan Lake.
Questions regarding the aeration permit should be directed to City Administrator Kevin Kress at 651-792-7750 or emailed to kkress@northoaksmn.gov
