

Blue Heron Days parade route 2026

Saturday, August 15, 2026 at 11 a.m.

“It was a new route last year, but it’s the same route this year ... Families really enjoyed it. It actually feels like it’s a little bit safer. We’re a community-based program, and the parade is going to happen within our community.”

Ali Lukin
Rookery Activity Center Coordinator
