This information could then be used by the Board Goals Committee to determine Board goals and evaluate those goals in future years.

Because NSBA is no longer a part of MSBA, the Executive Committee met to determine which conference would be appropriate to send members to this year. NSBA, COSSBA and AESA were all options discussed. Further conversations will be held and Board members were asked to email Chair Forsberg if you have information from your district that would help in the decision-making process.

Presentation: First Reading Board Policy The School Board was given Policy 806 Crisis Management as a first reading. Language changes were made to reflect the language being used in Standard Response Protocol, as well as minor changes suggested by MSBA.
