**MOUNDS VIEW SCHOOL DISTRICT  
SCHOOL BOARD MEETING SUMMARY, JUNE 23, 2020**

Meetings take place at the District Center in Shoreview (4570 Victoria Street N).

Final placement of staff on unrequested leave of absence

At the June 9 meeting, the Board approved a proposal to place a number of certified staff on unrequested leave of absence for the 2020-21 school year. Since that meeting, there were no teachers who were included in the proposal that requested a hearing. Failure to request a hearing is deemed acquiescence to the proposed action; therefore 19 ECFE teachers and one social worker were placed on unrequested leave of absence.

Budget approved

The Board adopted the 2019-20 budget as presented by Bridget Peterson, director of finance. The fiscal year 2020-21 budget was developed based on the assumptions provided by the School Board through several Board meetings and work sessions over the past six months. The proposed budgets represent the financial projections for the District for the general fund, nutrition services fund, community services fund, construction fund and debt service funds. For details regarding the adopted budget, please visit [www.moundsviewschools.org/finance](http://www.moundsviewschools.org/finance).

Termination of probationary staff

Due to uncertainty of funding, lack of funds the Board voted to terminate two probationary teachers.

Enrollment update

As of June, the enrollment projections for the 2020-21 school year indicate an anticipated enrollment of 11,694 students, which would represent an increase of 185 students from last fall's Oct. 1 report. The building principals and administrative team will continue to monitor the student projection data up until the start of school next fall. The entire report is available on the website.

Superintendent's evaluation

Board chair Jonathan Weinhalten read a summary of Superintendent Chris Lennox's appraisal for the 2019-20 school year. The summary stated, "Superintendent Lennox has led this district through an amazingly challenging year with results to be incredibly proud of. The tenacity and flexibility demonstrated throughout this COVID school closure is nothing short of remarkable leadership." The entire report is available on the website.

Updates

The Board discussed issues and updates related to Northeast Metro 916 and AMSD.
