BROWN'S CREEK WATERSHED DISTRICT

NOTICE OF PUBLIC HEARING

PLEASE TAKE NOTICE that on Wednesday, October 12, 2016, at 6:30 p.m., the Brown's Creek Watershed District Board of Managers will hold a public hearing to receive comments on the District's proposed land conservation purchase in the City of Grant.

Brown's Creek Watershed District has identified an opportunity to partner with Washington County for the proposed purchase of property in the City of Grant (Washington County Property Identification Number 12.030.21.21.0005) for conservation purposes. It is an undeveloped 13-acre parcel containing 1,300 feet of Brown's Creek and 2.4 acres of wetlands. The purchase of this property, which is located in a BCWD high-priority conservation area, will facilitate implementation of future projects to address Brown's Creek impairments.

The estimated total cost for the project is \$254,400. The project will be funded through a county-wide ad valorem levy as authorized by Minnesota Statutes chapter 103B in the amount of \$127,200 and Washington County Land and Water Legacy Program in the amount of \$127,200.

The public hearing will be held at Family Means, 1875 Northwestern Ave, Stillwater, Minnesota.
