MOUNDS VIEW SCHOOL BOARD MEETING SUMMARY

SEPTEMBER 17, 2024

Meetings take place at the District Center in Shoreview (4570 Victoria Street N). Complete minutes available upon request at the District Center.

2025-26 school calendar revision

The Board approved a revision to the 2025-26 calendar, moving the Wednesday, September 24, 2025, non-school day to Tuesday, September 23, 2025. This is being done to better meet the needs of our staff and families who observe the Jewish holiday of Rosh Hashanah. The 2025-26 school calendar can be viewed on the website.

Certification of proposed property tax levy

Executive director of administrative services Bernice Humnick reviewed proposed property tax levies to be certified to the county. Proposed levies

for school districts carry the option of levying the “maximum,” which means the Minnesota Department of Education calculates a district’s allowable levy limit(s) that are set by state statute or voter approval. The Board approved the recommendation to certify the proposed property taxes as “maximum” for the payable 2025 tax levy.

DOP Goal Update: Community Resource Center

Karl Brown, director of community education and Mary Sue Hansen, director, Suburban Ramsey Family Collaborative, gave a report on this year’s District Operational Plan goal of exploring the development of a Community Resource Center. Ms. Hansen gave a presentation regarding the history and partnership of Mounds View Public Schools and Suburban Ramsey Family Collaborative. The presentation can be viewed on the website.

CITY OF SHOREVIEW
PUBLIC HEARING NOTICE
ASSESSMENT ROLL FOR
883 MONTEREY DRIVE

October 10, 2024
Patricia Helling
883 Monterey Drive
Shoreview, MN 55126

Property address: 883 Monterey Drive
Invoice Number: 000493
Amount: \$9,300.00
Total: \$9,300.00

NOTICE IS HEREBY GIVEN that the City Council of the City of Shoreview, Minnesota, will hold a public hearing on **Monday, November 4, 2024 at 7:00 p.m.** at Shoreview City Hall - Council Chambers, 4600 Victoria Street North, Shoreview, Ramsey County, Minnesota.

This hearing is being held to hear, consider and pass upon any and all written or oral objections which may be offered with respect to the assessment roll for a clean-up on the above referenced property. The proposed assessment roll is now on file and open to public inspection by all persons interested at the Office of Community Development, 4600 Victoria Street North, Shoreview, Minnesota.

The property proposed to be assessed in respect to said abatement includes land in the City of Shoreview described as:

Property ID Number: 143023310178
Address: 883 Monterey Drive

This notice is given pursuant to Minnesota Statutes, Chapter 429, as amended. The property proposed to be assessed for such abatement is described above. The City of Shoreview's total cost of the abatement is **\$9,300.00**, which is the amount proposed to be assessed over a 10 year period.

Such persons as desire to be heard with reference to the proposed assessment will be heard at this meeting.

An owner may appeal an assessment to District Court pursuant to Minnesota Statute 429.081 by serving notice of appeal upon the Mayor or City Manager of the City within 30 days after the adoption of the assessment and filing such notice with the District Court within ten (10) days after service upon the Mayor or City Manager; however, no appeal may be taken as to the amount of any individual assessment unless a written objection signed by the affected property owner is filed with the City Manager prior to the assessment hearing or presented to the presiding officer at the hearing.

You may at any time prior to certification of the assessment to the County Auditor, pay the entire assessment on such property to the City of Shoreview. No interest shall be charged on this assessment.

BACKGROUND

Per your request the account balance will be certified to the County Auditor as a lien against the property to be payable for a period of 10 years, and the County Auditor will levy an assessment starting on next year's tax statement.

Even though these charges will be added to the property tax statement, this does not make them tax deductible on your income taxes. According to Internal Revenue Code Section 164, only the total property before special assessments and other charges can be deducted for income tax purposes. Special assessments and service charges such as certified delinquent abatement bills (including administrative fees, late fees, and the cost of the abatement) are not deductible because they represent charges for services that, if paid in a timely fashion, would not have been collected on the property tax statement.

If you have any questions relating to your account or the certification process, please feel free to contact me at 651-490-4658 or via email at nhill@shoreviewmn.gov

.CITY OF NORTH OAKS
NOTICE OF LAKE AERATION

TO PREVENT WINTERKILL AT GILFILLAN LAKE

NOTICE IS HEREBY GIVEN that the City of North Oaks has applied for an aeration permit for Gilfillan Lake to prevent winterkill. The aerator is located on the NW side of the lake at 8 Poplar Lane, North Oaks, MN, 55127 – Section17, T30N, R22 W, Ramsey County. The aerator helps add oxygen to the water in Gilfillan Lake. When lakes freeze over in the winter and become iced over, no new oxygen can make its way into the water. When it snows on the ice no sunlight can reach the underwater plants, and they cannot make oxygen. When oxygen levels get too low, fish can suffocate, causing a winterkill. Aeration on Gilfillan Lake will cause thin ice and/or open water. Pay attention to warning signs, and use extreme caution on Gilfillan Lake.

Questions regarding the aeration permit should be directed to City Administrator Kevin Kress at 651-792-7750 or emailed to kkress@cityofnorthoaks.gov .
