

2024 READER'S CHOICE AWARDS

THE BEST AROUND.... DECIDED BY YOU!

There's nothing like good service. Our lives are made easier and more pleasant when assistance comes with a smile, that phone call is returned promptly and that serving of lasagna is delivered piping hot. Premier service and quality products are no accident — they exist when the proprietors of a business take pride in what they do and go the extra mile because they, and their employees, truly care.

This year's Reader's Choice Awards winners reflect those qualities and more. Our readers have spoken, and we've compiled the results to determine the winners in dozens of categories. We at the Press-Republican congratulate the winners and thank the readers who weighed in.

If you're unfamiliar with some of these top-rated enterprises, consider giving them a try. After all, they've received their customers' seal of approval, and there's no better recommendation than that.

**Thank you
North Country
—— for this ——
“MAJOR AWARD”!**

Seriously though, we are proud and honored to be recognized by the Press Republican's fine readers and our patients.

**Happy Holidays from all of us at
Condo Pharmacy!**
