Anthony "Tony" Edgar Hemingway

January 01, 1944 - July 05, 2026

MORRISONVILLE — Anthony "Tony" Edgar Hemingway, 82, of Morrisonville, N.Y., passed away at home in the early morning hours on July 5, 2026, following a courageous two year battle with pancreatic cancer. He was surrounded by his loving family, under the care of Hospice of the North Country.

Tony was born on New Year's Day, 1944, at Physicians Hospital in Plattsburgh, N.Y., to Edgar and Lillian Hemingway of Altona.

He grew up on the family farm, developing a strong work ethic, which continued throughout his lifetime. He was the youngest of eleven children and spent his younger years working the farm. He attended Altona High School before going into the highway construction trade.

Driven by his family roots and a deep love for farming, he purchased a farm in Mooers Forks in 1980. He operated it with pride and joy before returning to the construction industry in 1986. He was a heavy highway superintendent for Luck Bros., Inc. before retiring in 2004.

Tony was happiest in the woods at his camp in Altona with his sons, doing what he loved most, hunting, and fishing and in his younger years, trapping. He also loved cruising and fishing the waters of Lake Champlain and the Intracoastal Waterway of South Florida. While undergoing chemotherapy in the fall of 2024, Tony bagged the biggest buck of his life, weighing in at 198 pounds. Tony and Jamie found a wonderfully close community of friends in Jensen Beach, Fla., with whom he spent many a fun-filled winter and spring.

Tony and Jamie recently checked a major milestone off their bucket list, driving cross-country in a motorhome. Leaving Florida this past April with no set itinerary, they simply meandered across the country for six weeks, visiting iconic landmarks, national parks, and catching up with family and friends along the way.

As a lifelong New York Yankees fan, his favorite player was always Mickey Mantle.

We cannot fail to mention his canine companion, Champ, who brought him love and comfort until the very end.

Tony is survived by his wife of 34 years, Jamie (Luck) Hemingway; sons, Donald Hemingway of Mooers Forks, and Mark and Penny Hemingway of Chateaugay; grandchildren, Amanda Hemingway, Kyle Rabideau, AJ Hemingway and Katie Haselton; eight great-grandchildren; siblings-in-law, Ted (Linda) Luck, Cindy (John) Mayette, Jeff (Denise) Luck, Kristi (David) Longino, Jodi (Gary) Morrow, and Chris (Sue) Luck; and several nieces and nephews.

He was predeceased by his parents; daughter, Laura Rabideau; granddaughter, Michele Hemingway; grandson, Justin

Rabideau; daughter-in-law, Sarah Hemingway; ten siblings, Valeda Savage, Joseph Hemingway, David Hemingway, Harry Hemingway, Leo Hemingway, Pearl Moore, Kenneth Hemingway, Bertha Armstrong, Shirley Arquette, and Catherine Hemingway; and parents-in-law, James and Marilyn Luck.

Calling hours will be held Wednesday, July 8, 2026, from 4 to 7 p.m. at Hamilton Funeral Home, 294 Mannix Road, Peru. A Mass of Christian burial will be celebrated Thursday, July 9, 2026, at 11 a.m. at St. Alexander's Church in Morrisonville. Committal prayers and burial will follow in the parish cemetery.

We would not have been able to fulfill Tony's wish to die at home without the help of his Hospice angels, Becky, Jenn, Ashley, Hailea and especially Jessica who was with him at the time of his death.

Donations in his memory may be made to Hospice of the North Country or the Elmore SPCA.

Jackie Sabourin

May 15, 1947 - July 05, 2026

PLATTSBURGH — Jackie Pernice Sabourin died at home, surrounded by her loving family. A celebration of her life will be held at the Peru Free Library on Saturday, August 15th, from 2 to 4 p.m. Please stop by to remember Jackie with her family and friends.

Jackie was born in Waltham, Mass., to a military family and luckily for the North Country, the family found themselves stationed in the newly opened Plattsburgh Air

Force Base in the 1950's.

After a family move to Westchester, Jackie graduated from Yorktown HS in 1965 but came back to Plattsburgh for college where she had a class with Jack Sabourin, the older brother of Richard "Dick" Sabourin. Jackie learned that Dick was away in the Marines and she said to Jack, "tell him I said hi". That "hi" ended up being the start of a 57-year relationship. Jackie and Dick were married on June 6th, 1970.

After graduating with an art degree in 1971, Jackie began teaching at NCCS and a few years later, welcomed her children, Livia in 1974 and Ben and Sarah in 1977. When Jackie was ready to get back to teaching, there were no jobs available, so she enrolled in the Nursing Program at CCC. Jackie's career as a nurse was in the ER at CVPH. Soon an art job opened at the Peru School District, and that was when her 20-year Peru teaching career began. In true Jackie fashion, she continued nursing on the weekends and school vacations.

In the late 1980s, Jackie began experiencing health issues and was diagnosed with NF2, which caused numerous noncancerous brain tumors. She faced the diagnosis with courage, always saying yes to treatment opportunities. Over the years, she underwent multiple surgeries, radiation, and chemotherapy treatments both locally and in Boston.

When Jackie retired from teaching and nursing, she kept herself very busy which included serving on the Peru Free Library Board for 25 years. She helped start the Art Bank on Brinkerhoff Street which became the Strand Center for the Arts. With fellow ceramists, she formed the North Country Potters Guild and brought endless arts to the area, including Raku firing events to many area schools from Salmon River to Keene Valley and all points in-between. While looking out into the beautiful fields that she and her family called home, Jackie created the Stoneledge Sculpture Garden, open for the public to enjoy, featuring artwork from many local artists as well as graduating students from SUNY Plattsburgh Arts Program.

Jackie also shared her love of art in retirement homes, where she made pottery with adults; in elementary classrooms, where she brought ceramics to schools without access; and through mentoring art teachers across the North Country. She believed everyone deserved a piece of handmade art and was known for "selling" her own pottery for almost nothing. She never wanted anyone's inability to pay to keep them from having a piece of art to call their own.

Jackie is survived by her husband, Richard; her children, Livia Sabourin, Sarah Goldberg (Jacob), and Ben Sabourin (Salome); her beloved grandchildren, Delilah and Dylan; her loving sisters, Sharon McKinney, Cathy Vhr (Aldo), and June Pernice Kowalczyk (Ted); her sister-in-law and dear friend, Diane Sabourin; her many wonderful nieces and nephews, and incredible friends from every chapter of her life, from high school through her final years. Jackie loved meeting people, learning their stories, and celebrating life with them.

Acts of service were part of Jackie's DNA, if you would like to honor her memory, her family requests that you consider doing something kind for your community and hold her in your thoughts. If you would like to donate in her memory - please consider the Peru Free Library.
