Providing Your Best Vision For Life

OPHTHALMIC ASSISTANT

We have an immediate opening for a full-time Ophthalmic Assistant. Ophthalmic assistants directly support the doctor by anticipating their needs during patient examinations, documentation of diagnosis, treatment, and medical findings in the medical record, assisting with office procedures, patient education, and other special testing. Candidates must be a high school graduate. Optometric Assistant or technical experience preferred, as is knowledge of ICD-10 and CPT coding and ophthalmic medical terminology. Must possess good interpersonal and communication skills, and strong computer skills.

OPHTHALMIC TECHNICIAN

We have an immediate full-time opening for a full-time Ophthalmic Technician. Responsibilities include initial patient work-up, visual acuity, slit lamp, tonometry, lensometry, and refractometry. Position also includes special testing including visual fields, photos, contact lens exams, and OCTs. Candidates must have a high school diploma and college courses or degree preferred. Ophthalmic Assistant or technical experience preferred. Must possess excellent verbal, written, and interpersonal skills and have strong computer skills.
