**QUALITY SERVICE SINCE 1983**

Do you have any 8mm or 16mm of a favorite film, old movie, TV show or family memories that need to be transferred to DVD and/or USB drive? Thinking of selling films, but want a high quality, high definition transfer before you let it go? **Speakeasyarchives.com** can do it for you. Transfers in real time, frame by frame or full laser scan transfers. **Speakeasyarchives.com** does it all at affordable prices. Prices start at .06 cents per foot. *Contact us for a price quote.* **Price can be negotiated depending on the amount of films you have.** Got Nitrate films? We can handle those too! From cleaning films to repairing splices, we can do that! No order is too big or too small! **Speakeasyarchives.com** also transfers LP's and 78rpm records at bargain prices. VHS tape, Betamax and 8mm video tapes, we will transfer them to a DVD or USB drive for as little as \$9.00 per 2 hours. We have over 800 hours of vintage TV shows and 7500 plus Old Time Radio shows for sale. The cost of the USB drive or hard drive will be added to the invoice. Postage will be added to invoice at time of shipment. Free downloadable catalogs.
