

THE FACE OF THE HOMEBUYER IS CHANGING — BUT THE DREAM HASN'T

The average homebuyer today is around 43 year old within the state or IA according to recent statistics provided by NAR. Proof that the dream of owning a home happens on your timeline.

Homeownership builds stability, wealth, and stronger communities. And in today's market, having a trusted REALTOR® by your side makes all the difference.

When you're ready, choose a professional who puts your interests first.

QCAR – Supporting REALTORS®.
Strengthening Communities.
