

STANLEY STEEMER®

LIVING BRINGS IT IN. WE TAKE IT OUT.®

After 32 wonderful years
of serving our community,
the owners of Stanley Steemer are
officially retiring. It has been our
absolute honor to help keep your homes
and businesses clean, comfortable,
and healthy.

From our very first service call to our
final appointment, your loyalty, trust, and
friendship have meant the world to us.

None of this would have been
possible without our amazing
customers, hardworking team,
and supportive community.

We have sold the business to
Bob Gyuro of Stanley Steemer.

You will see some new faces as well as
familiar faces as they take over. Please
keep Stanley Steemer at the top of your
list for carpet care.

With heartfelt appreciation,
Mike and Peggy
