And here's the best part. Readers who beat the 2 day order deadline are getting their imported hi-tech miracle heaters free when encased in the Amish-built real wood fireplace mantles. The mantles are being handmade in the USA right in the heart of Ohio Amish country, where they are beautifully hand-rubbed, stained, and varnished. You just can't find custom-made Amish mantles like this in the national chain stores. That makes the Amish mantle a real steal for just four hundred ninety-seven dollars, since the entire cost of the miracle heater is free.

This free giveaway is the best way to slash heating bills and stay warm this fall and winter. The Heat Surge Amish Fireplace gives you zone heating and all the beauty and warmth of a built-in fireplace, but slides from room to room, so it can also save you a ton of money on heating bills.

Even people in California and Florida

are flocking to get them so they may never have to turn on their furnace all winter. And since it uses only about 13 cents of electricity an hour on the standard setting, the potential savings are absolutely incredible.

"We are making sure no one gets left out, but you better hurry because entire communities of Amish craftsmen are straining to keep up with demands. For now, we are staying out of the large national retail stores in order to let readers have two per household just as long as they call before the deadline," confirms Miller. It's a smart decision to get two right now because for the next 2 days, you get both miracle heaters free. That's like putting five hundred bucks right in your pocket, and you can save even more money on your monthly heating bills.

"Everyone's calling to get one, but those who are getting their Christmas shopping done are surprising the whole family by getting two. So, when lines are busy, keep trying or log onto heatsurge.com. ■

How to get 2 free heaters

The National Toll Free Hotlines are now open. All those who beat the 2 day order deadline to cover the cost of the Amish made Fireplace Mantle and shipping get the Heat Surge miracle heater free.

A strict limit of 2 per household has been imposed. There is no mass production in the Amish community, and that allows them to take great care with each mantle. Each Amish fireplace has a slightly different wood grain and takes time to hand-build. Today, you can get two of these beautiful pieces of genuine Amish furniture, and the *Fireless Flame*™ heater will be installed for free.
