

There's more than one way to *reach The Summit!*

Since The Summit opened in 2021, word of our unbeatable lifestyle spread quickly. So it's no surprise that our available residences are in short supply, and getting that just-right floor plan can mean spending time on a wait list. Thankfully, there's a plan that lets you start living The Summit way of life before you make the move.

Introducing Early Advantage — the membership program that gives you access to all the amenities our community has to offer while you continue to live in your own home. As an Early Advantage member, you'll receive:

- Priority access to our full continuum of levels of living
- Immediate access to our fitness center, classes and training
- Entertainment, tours and trips
- And much more!

When you decide you're ready to make The Summit home, you'll bypass the wait list and move right in! But don't delay — Early Advantage membership perks are so outstanding, we're only able to offer them to a very limited number of people.

Give yourself a head start.
