FESTIVAL
OF TREES**

Welcome to the Quad City Arts Festival of Trees

Message from Pat and Dennis Miller 25th Anniversary Honorary Co-Directors

Dennis and I are honored that we were asked to be honorary co-chairmen of the 25th Quad City Arts Festival of Trees. We feel that the funds raised by Festival to help support the on going programs of Quad City Arts is an extremely important part of the lives of so many children and adults of the Quad Cities. From a humble beginning lasting only 3 days with only about 30 volunteers,

Pat Miller

Dennis Miller

we have evolved into an event lasting 2 weeks and involving thousands of participants. This year's theme "Treasured Traditions" certainly speaks to what Quad City Arts has brought and continues to bring to our community.

Message from Cindi and Bud Johnston and Carolyn and Leroy Fuller 2010 Volunteer Co Directors

We are pleased to be selected as Co-Directors for this year's Festival of Trees and we are honored to follow in the footsteps of others who have held the title before us. Our work is just the frosting to the efforts put forth by the very organized team of the Quad City Arts staff and the Festival of Trees Steering Committee. Their year-round commitment to this event and the structure that feeds it is truly the backbone of Festival. Experiencing the gift of giving and serving the community for the common good has been a blessing for all of us. We have enjoyed helping bring this Festival to the community. Our service together has been special and our wish is that you receive the same satisfying joy as you attend.

This year Quad City Arts Festival of Trees celebrates its 25th Anniversary.

With that in mind we wanted the theme to wrap its arms around the memories of the past 25 years. We thought traditions are what we treasure during the holiday season. A play on those words created "Treasured Traditions". Our hope is that this year's Festival highlights some of the traditions you treasure. See you there!

2010 Quad City Arts Festival of Trees is pleased to present "Treasured Traditions" –Celebrating 25 Years of Funding Arts in the Community. We hope that you will join us for this time honored celebration and that will become a tradition for your family for generations to come. More than a premier holiday event, Festival of Trees is the annual fundraiser for Quad City Arts, a local not-for-profit arts agency. Quad City Arts provides quality arts programming year round for the residents of six counties in Eastern Iowa and Western Illinois with the following programs:

Visiting Artist Series brings nationally-renowned artists to area people by taking the performances to schools, workplaces, at-risk teen centers, senior citizen facilities, and social service agencies.

Public Art projects such as Art @ the Airport and Sculpture on 2nd provide residents and visitors the opportunity to view beautiful artwork of area artists in public places.

Visual Arts program gives area artists the chance to display and sell their artwork at our Arts Center Gallery, with a large formal exhibit space and consignment gallery.

Arts Dollar\$/Community Access to the Arts re-grants funds

to area artists and arts organizations that provide quality arts programming to the community.

Super Author program brings critically-acclaimed authors to the Quad City area to interact with the public about major topics of our time.

Cary Grant Residency is a biennial program that brings award-winning theatrical and film professionals to work with area participants and residents.

Metro Arts summer youth employment program provides instruction and employment in the arts for area students. The projects are displayed publicly to be enjoyed by residents and visitors far past the life of the program.

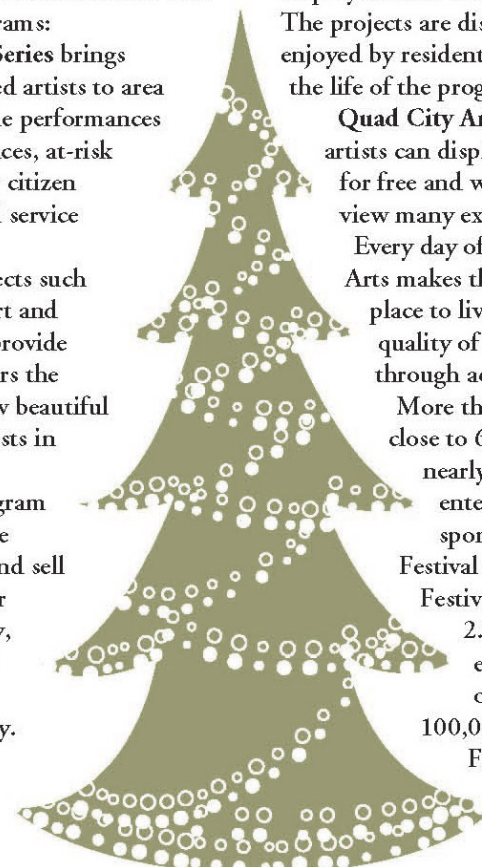

Quad City Arts Gallery where artists can display and sell their work for free and where the public can view many exciting exhibits.

Every day of the year, Quad City Arts makes the Quad Cities a better place to live by enriching the quality of life in our community through access to the arts!

More than 3,500 volunteers, close to 650 designers,

nearly 3,500 CenterStage entertainers and over 150 sponsors help to make Festival of Trees possible.

Festival of Trees has a 2.5 million dollar economic impact on our community. Over 100,000 people experience Festival annually making it one of the largest attractions in the Quad Cities.

Where does the money go? Back to the community!

Throughout the year we constantly hear the question, "Where do the proceeds from Festival of Trees go?" All proceeds benefit Quad City Arts, a not-for-profit agency dedicated to the growth and vitality of the region through the presentation, development, and celebration of the arts. Serving a bi-state area including Rock Island, Henry and Mercer counties in Illinois and Scott, Clinton and Muscatine counties in Iowa, Quad City Arts has a staff of 6, a 30-member board of directors and more than 150 community members serving on committees. Major programs include Quad City Arts Dollar\$ Re-granting Program, Gallery Exhibitions, Super

Author, Cary Grant Residency, Metro Arts, Public Sculpture Program, and Art @ the Airport.

Probably the most recognized program that receives funding from Festival is our Visiting Artists Series program. In its 37th season this program will bring 39 artists in 9 residencies to the Quad Cities reaching nearly 60,000 people in schools, (45,000 children K-12) workplaces, human service agencies, senior centers and public concert halls. Since 1974 dancers, musicians, writers, actors and visual artists in 328 residencies have reached more than 2,650,000 Quad City Children and adults through the Visiting Artist Series.

This year, the Quad City Arts Festival of Trees is celebrating it's 25th birthday.

Q. How does our Festival compare to other Festivals around the country?

Our local Festival of Trees ranks fifth in the United States and Canada in attendance and total dollars raised among such cities as Atlanta, Detroit, and Salt Lake City. For two years, our Festival representatives have served as chairperson of the Festival of Trees International Council. Quad City Arts Festival of Trees is one of only two Festivals of its kind where the proceeds benefit the arts and humanities.

Q. Who provides the financial support for Festival?

Each year, more than 100 businesses serve as Festival sponsors, providing the critical seed money for Festival operations. Additionally, many designers generously donate their time and decorations to create the incredible designs that are shown and sold at Festival. More than 400 local businesses provide donations, services, and discounts for the event and in turn, the Festival of Trees Steering Committee has a strict policy of supporting local businesses whenever possible. However, Festival's success depends on the support of the thousands of people who attend Festival each year.

Q. When is the best time to attend Festival if I want to browse leisurely through the trees?

Most people attend Festival during the holiday weekend when family and friends are in town. Evenings seem to be the most popular time of day. So, if it's open space you're after, you are better off coming early in the week and early in the day.

Q. I love Festival and the community it celebrates. How do I get involved?

Each and every year, we hear someone say "I would love to be a part of Festival, but I've never been asked to help".

Well, consider this your official call to action! Festival is successful because of the hundreds of dedicated volunteers, designers, and sponsors.

The varied talents, personalities, skills and creative abilities pull together for one common goal: to bring quality arts programming to our community. We can use your help for one hour a day, one hour a week, or one hour a year. We are also always looking for new Steering Committee members to bring new ideas to our event to keep it fresh and new. If you are interested in joining our Festival family, please leave your name at the Information Center just inside the Great Hall, or contact the Festival office, 1715 2nd Avenue, Rock Island, IL 61201, 319/324-FEST

Q. I really want to go to Festival, where do I get tickets?

General admission tickets are sold at the doors. Special event tickets are sold at the

RiverCenter North Box Office just outside the Mississippi Hall, Monday-Friday, 9 a.m.-3 p.m., starting November 1st through November 25th.

Q. How are the trees and the many other designs sold at Festival of Trees?

The very first opportunity anyone has to purchase the designer trees, door designs, holiday entries, and hearth & home designs is at the Grand Premiere Party, Friday, November 19. (Tickets are \$60 each and can be purchased by calling 563/324-FEST.)

Each item will be for sale via silent auction bidding or raffle. Those items not receiving the minimum bid at the close of the silent auction Friday evening will then go on sale via a continuous silent auction method. This means that for the remaining days of Festival, November 20 – 28, the public may continuously bid on these items. Bidding will close on Sunday, November 28, at 3:00 p.m. For raffled items, these \$1 or \$5 raffle chances continue on throughout the entire 10 days of Festival. Winners are drawn at 4:00 p.m., on Sunday, November 28th, and called that evening.

Gingerbread creations, miniatures, stockings & ornaments and Table Trimmings are sold differently. Table Trimmings are the only designer items that are cash and carry. Simply choose which centerpiece you want and take them to the Information Booth to purchase. They may go home with you at this time. Miniatures, Gingerbread items and Stocking & Ornaments are purchased by removing the price tag and taking it to the Information Booth for payment. You may pick up your purchased item at Festival from 5 – 8p.m. on Sunday, November 28. Just bring your receipt!

Q. Where can I go to get a good bite to eat?

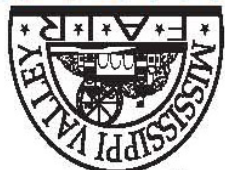

There are a few places inside Festival that you can get a quick bite to eat. TreatShoppe, located in the RiverCenter South Great Hall, sells a variety of sweet candy treats and popcorn sure to satisfy snack cravings. The RiverCenter also has concessions available for purchase. However, if you are looking to venture outside for food, the Festival of Trees Guest Services, located in the South building's atrium, will help direct you and will feature maps, coupons and brochures from local businesses, restaurants and hotels. Volunteers working in this area will answer general questions about Festival and educate guests about local attractions, cultural events and great places to eat.

Q. What kind of accommodations do you have for the elderly and is there an ATM located inside Festival?

The RiverCenter is wheelchair accessible, with elevators located on both North and South sides. The information Center, inside the Great Hall, has wheelchairs available to rent for the elderly with limited mobility. Wheelchairs are provided on a first come first serve basis, and require an ID to rent. ID's will be held until chairs are returned. The RiverCenter will have an ATM machine inside the building for public use located on the South side at the IH Mississippi Valley Credit Union.

North Pole

THE NORTH POLE

Sponsor: Bechtel Trust Foundation, Karen's Festival Joy, & Salzman International

The Mississippi Hall will again be transformed into a twinkling rendition of Santa's arctic home, called the North Pole. A canopy of lights, icebergs, and a lit snowy village will greet visitors to this unique attraction. This over-the-top expanded children's activity center will feature fun for the child in all of us. A visit to "Mrs. Claus's Kitchen" will give kids the opportunity to decorate a cookie and make a candy craft. In "Tinsel Times", sponsored by the Quad-City Times, children can have a mini newspaper printed with their name in the headlines. Golf enthusiasts can tee off on a winter themed mini golf course called "Prancer's Putt Putt" and kids can create a myriad of crafts in "Frostyland". Many more games and crafts await eager visitors to Santa's winter home. Activity tickets will be available for each of these attractions. Two-Punch tickets can be purchased for \$1.00 each or cards of 25 punches for \$10 will also be sold. Any amount of punches can be purchased for fifty cents each.

SANTA'S THRONE IN THE NORTH POLE

Catch those wonderful expressions with our photographer from Mark's Place. Specially priced photo packages will be available during Santa's hours, printed on site and available the same day they are taken.

BOOK TREE

Sponsor: Barnes & Noble and ALCOA

Very much like the ever popular "Zoo Tree", this nearly 20 foot tall tree will be decorated entirely of books donated from generous contributors in the community. A daily schedule of storytellers and book readers will entertain kids snuggled in bean bag chairs under the tree. After Festival, the books will be donated to local social service agencies for children in our community.

Special thanks

Without the lights, Festival of Trees would not be! Thanks to Don and Jean Sutton of Sutton Lighting for their years of dedicated loyalty to our event. They are here when the lights go on each morning, and they dim each light at night. Thanks so much for lighting up the Quad Cities for this special tradition!

The sound of music makes Festival come alive, and Butch Bos of BOS Electronics is the man behind the curtain making it all happen. He spends hours on end insuring that each and every note is heard throughout our Great Hall and at our special events!

This giant tree of cuddly animals is indeed a Festival favorite! These huggable friends, filling the 20-foot-plus tree, are collected throughout the year and distributed to social service agencies for children throughout the community after the close of Festival. Over the past 13 years, more than 14,000 Zoo Tree animals have been collected and distributed. Festival visitors are invited to bring new stuffed animals to be used for next year's tree.

In Memory

Diane Lake

Festival's lights will glow a bit dimmer this year due to the loss of a dear Steering Committee Member and Volunteer, Diane Lake. Memorials to Quad City Arts received in her name will be used to fund tickets for groups who might not be able to attend our event. We will miss Diane's effervescent smile and willing hands. She was the epitome of volunteerism.
