

To Whom It May Concern:

I am writing on behalf of the Svithiod Club of Moline and please find this email as a formal application of applying for the \$5,000 COVID relief program through the City of Moline CURES funding. The impacts of COVID-19, and the mitigations, have critically impacted our business from the beginning of the pandemic.

We are forced to be closed during our most profitable time of the year and are strongly considering permanently closing our doors due to the financial strain. As a downtown business since 1934, we were unable to take advantage of the Paycheck Protection Program or other funding sources through SBA or DCEO. This grant would give us a lifeline to try to weather this pandemic and make it through to the other side.

Please feel free to contact me if you have any questions.

Sincerely,

Tyler Power  
President  
Svithiod Club of Moline
