THE QUAD CITIES' HOME SLICE | LOPIEZPIZZA.COM

LOPIEZ ARTIST OF THE MONTH

APRIL 2020 ARTIST the QC's own ROAD SODA!!

Road Soda is a punk rock 'n' roll band based out of the Quad Cities. Their turn-ons include crushing Claws, petting dogs, and freaking out the squares. Turn-offs include bullies, empty bottles & the patriarchy. You may have seen Road Soda's highly suspect, yet frighteningly handsome lead singer Posey in and out of Lopiez as he works as a part time bartender. The gents of Road Soda have been long time friends of Lopiez and don't just embody the local punk scene of the QC, they are literally all certified actual punks. For more info on the band, go to roadsoda333.bandcamp.com

10% of their pizza sales will go towards the Ed Posey Food Pantry in Bettendorf started by lead singer Posey's grandfather, Edward Posey who recently passed. Go to www.fbcbettendorf.org/get-involved/outreach for more info.

Want to be the next Lopiez artist of the month?

Visit us at www.lopiezpizza.com to register online. We select both younger artists who just need the exposure, money & connections as well as better known artists who want exposure and donations for their charities. Our Alliance of Local & Touring Artists program (ALTA) generates the interest, relationships, patrons & artist pizza sales funding to give artists & their charities all the things they need to get their music, art or message out to the public to gain support!
