Despite the chilly weather, these three Quad-City Beatle Club members appeared in front of the RKO Orpheum Theater in Davenport at 3:30 a.m. today and settled down on the hard pavement in sleeping bags, prepared to be the first in

line to see a Beatles movie. From left are Jan Draper, 2119 16th St., Rock Island; Marg Jacobs, 1710 Iowa St., Davenport and Marcia Hunt, 1703 10th St., Moline. (See story on Page 2.)

3 Beatle Fans Play It 'Cool'

By SUE HOOVER

While most Quad-Citians were pulling up the covers, three area teens braved the elements at 3:30 this morning to be distinguished as "first" in line to see the Davenport opening of the Beatles' new motion picture at the RKO Orpheum.

Living up to the movie title, "A Hard Day's Night," the girls came prepared with sleeping bags, sweaters, jackets, long socks, and of course, Beatle badges, buttons and pins.

Unable to sleep, they spent the wee hours discussing Beatles, reading stacks of Beatle magazines, and searching for Beatle songs on their several transistor radios.

They also looked through a thick scrapbook pasted with much of the four Englishmen's publicity which was collected by the president of the Quad-City Beatle Fan Club, Marcia Hunt, daughter of Mr. and Mrs. Kenneth Hunt, 1703 10th St., Moline.

Members of the fan club, with a roll call of 45, reported that they were there because another local club had been "first" in the ticket sale opening, and about a week ago, they decided this would be their "first."

Line Grows

The initial three soon had a company, as others came one by one until at 9 there were about seven club members standing ground at the beginning of the line, and some 20 more "Beatle lovers" behind.

Although the fans were mostly girls, three boys were seen near the front of the line. When asked if they, too, were Beatle fans, they smiled and replied that they had come to see the girls.

President of the club reported that she was advised on starting the club from a national group in New York, and that they were now chartered members. A fee of \$2 must be collected, but so far little has come in.

Meetings

Their meetings are held much the same as this morning's gathering — but not so early.

Organized since June, the group says they are planning some money-making projects for donations to the JFK Memorial Library and charities.

The earliest members of the club to show up this morning were Jan Draper, daughter of Mrs. Fred B. Draper, of 2119 16th St., Rock Island; Marcia Hunt, club president, and Marg Jacobs, daughter of Mr. and Mrs. Robert Jacobs, of 1710 Iowa St., Davenport.

ELIZABETH, N.J. (AP) — Negroes in Paterson and both Negro and white youths in Elizabeth went on violent sprees Tuesday night in which gasoline bombs, rocks and empty bottles were hurled, store windows smashed and one store was looted.

The outbreaks began first in Paterson and, as order was restored there, flared up in Elizabeth. Both are major industrial cities in northeastern New Jersey.

Elizabeth police said three cars carrying white youths careened through the streets of a predominantly Negro neighborhood, teasing bottles. Negroes smashed a tavern window, police said, and a Negro man was charged with looting.

Paterson Mayor Frank X. Graves said today, "We have every reason to believe there will be further trouble. We are prepared for further trouble tonight."

Police appeared to be in control in both cities.

Twelve separate incidents were reported in Paterson. At

Peking Blasts

Soviet Caution

SAIGON (AP)—Communist China today accused the Soviet government of being too cautious in denouncing the United States for its recent reprisal attack on North Vietnamese patrol boat bases.

Shortly after Peking Radio broadcast the rag at the Kremlin, U.S. Ambassador Maxwell Taylor told a news conference in Saigon the United States has adequate military resources to repel any Communist attack on South Viet Nam.

Court Upholds Suit Dismissal

NEW ORLEANS (AP) — The U.S. Fifth Circuit Court of Appeals has upheld a federal

the court ordering the \$2-600,000 damage suit filed in Mississippi by former M.A.P. member J. Edgar Walker against The Associated Press.

The court affirmed Tuesday the decision of the District Court for the Southern District of Mississippi, granting the Service of process and dismissing the complaint alleging damage on the ground that the AP is not a business corporation that does not do business in Mississippi.

Walker had alleged he was harmed by dispatches filed during the 1956-57 period in which the AP reported on the activities of Negro James Meredith enrolled in the University of Mississippi at Oxford two years ago.

He said today accused the Soviet government of being too cautious in denouncing the United States for its recent repatriation of 1,000 North Vietnamese prisoners from North Vietnamese prisoner boat bases.

Shortly after Peking Radio broadcast the reply to the Kennedy, U.S. Ambassador Maxwell Taylor said a news conference in Saigon the United States has adequate military resources to repel any Communist attack on South Viet Nam.
