Motion to approve agenda as presented was made by Lambert, and second by Doyle, motion carried.
APPROVE MINUTES
1) December 19, 2025 - **Motion to approve minutes as presented made by Wevik, second by Lambert, motion carried.**
GENERAL PUBLIC COMMENT – Ron Jeffries presented. Kim and Steve Sutton presented.
• Jeffries provided an update and noted strong enthusiasm for this year's Stock Show, which will serve as the first official event recognizing America's 250th and mark the 100th anniversary of Sutton Rodeo.
• Market conditions are favorable, with cattle prices trending upward and a strong horse market, contributing to positive expectations for the upcoming show. A ribbon-cutting ceremony is scheduled for Thursday at 3 p.m.
• The Sutton's reported that they have won the 2025 PRCA's Large Indoor Rodeo of the Year award for the third consecutive year, competing against other professional rodeos in large markets including San Antonio, Houston, Fort Worth, and Denver. Appreciation was expressed to the Monument staff and Board for their continued support and their integral role in the ongoing success of Rodeo Rapid City.
Outgoing Chair Johnson welcomed the two new board members (Allard, and Chris Johnson), and thanked the outgoing members (Doyle, and Tim Johnson).

| 3) Capital Update – Heitsch presented. Discussion followed. | |
| • Heitsch presented the Long-Term Capital Maintenance Plan, focused on strategic investment in the venue to maintain, upgrade, and manage furniture, fixtures, and equipment (FF&E), and structural asset improvements to support long-term, profitable, and efficient operations. | |
| • Major upgrades identified for the Ice Arena (built 2008), including aging equipment. The video board project came in approximately \$200,000 under budget. Telescopic seating replacement is under evaluation, with a preference for refurbishment if feasible, prioritizing cost-effectiveness and longevity. | |
| • Proposed use of \$1 million from \$3.4 million capital reserves, with the remainder to be financed as needed; loans will not be drawn until absolutely necessary, keeping interest costs in mind. | |
| • Spent \$282,000 of the \$400,000 2025 FFE budget; budget was adjusted after Q1 2025 due to revenues not coming in as expected. Structural budget of \$500,000 saw \$170,000 spent. | |
| • Proposed \$400,000 FFE budget based on revenue performance. Proposed items include glass-door stand up coolers for concession diversification and an internal radio communications infrastructure overhaul to improve operational efficiency. Seating covers planned for telescopic seating and lower bowl to replace temporary curtains. Structural priorities include replacement/refurbishment of the Rushmore Hall panel wall system; a generic RFP is anticipated this year to | |

obtain necessary information.

- Concerns were raised by Wevik regarding project risk and potential additional funding, with a request to revise related language. Heitsch thanked Hammerbeck and Acevedo Fuentes for their work on the plan. Sasse also commended the team for their efforts in developing the capital plan.

4) **Declaration of Surplus Items – Motion to approve declaration of surplus items as presented, was made by Lambert, second by Doyle, motion carried.**

5) **Election of Officers – Doyle nominates Lambert as Chair, Wevik as Vice-Chair, second by Johnson. Motion carried.**

ITEMS NOT REQUIRING BOARD ACTION CONTINUED

6) **Visit Rapid City** – Rodriguez presented. Discussion followed.

- Rodriguez provided an update regarding the Tax Increment Financing (TIF) vote, noting the outcome did not meet expectations.
- Alternative site options within the TIF boundaries are being evaluated, and a presentation is scheduled for the City Council meeting next Monday.

7) **RC Council** – Strommen presented. Discussion followed.

- Strommen welcomed the newly appointed board members and expressed appreciation to the outgoing board members for their service.
- Noted the upcoming combined State A and AA boys' basketball tournaments.

8) **Rapid City Area Schools** – Bauer and Sasse presented. Discussion followed.

- Sasse provided a legislative update, noting the primary focus is on activity at the state legislature, including multiple bills addressing property tax relief. Close attention is being paid to those proposals that do not replace lost local revenues due to its impact on local schools.
- Additional concerns include the lack of an inflationary increase for education funding and enrollment losses.
- Bauer expressed excitement for the upcoming girls' and two boys' state basketball tournaments and shared enthusiasm for working with The Monument again.
- Appreciation was conveyed for the continued support and contributions of The Monument staff.

DISCUSSION FROM THE PRESIDENT, BOARD MEMBERS, AND STAFF

9) **Executive Director's Update** – Baltzer presented. Discussion followed.

- Baltzer welcomed the new board members, noting enthusiasm for the diverse backgrounds and experience they bring to the board.
- Appreciation was expressed to Doyle and Johnson for their close collaboration with Baltzer for the

significant time and assistance they have provided to The Monument during their Board tenure ship.

- Decided not to move forward with submitting a proposal for management of the Sports Complex at this time, citing the need to prioritize our building and noting that peak usage times for both facilities overlap.
- Rodriguez added that no management company has been selected, no bids have been reviewed, and the RFP process may need to be reopened in the future.

10) **Financial summary** – Heitsch presented. Discussion followed.

- Heitsch reported, as had been discussed throughout 2025, we did not meet our 2025 revenue budget goals, missing the goal by about 4%. However, our departments also held their expenses in line with each department within the complex coming in under budget for 2025. Labor and benefits are the largest expenditure, representing 45% of total costs. Our cash position remains strong. Our Long Term Capital Maintenance plan includes drawing from capital reserves this year for Ice Arena upgrades as needed.
- Self-generated revenue declined about 5% amid softer discretionary spending throughout 2025. Our revenue funding mix remains 2/3 self-generated and 1/3 BBB, with BBB up 3.5% year over year. Club commissions paid out to local groups increased in 2025 to \$286,000 up from \$215,000 in 2024. Utility costs increased 15%, with concern for further 2026 rate increases.
- Looking ahead: in an effort to maximize our revenue streams, continued diversification of Food and Beverage offerings is a priority, as well as focusing 2026 on operating lean, efficient, and effective.

11) **Event Update** – Klapperich discussed the calendar and highlighted events and plans for the next few weeks.

- Working through interviews for the new Production Manager
- Ribbon Cutting 3pm Thursday in the Barnett Fieldhouse
- Black Hills Stock Show and Rodeo for the next two weeks!

ADJOURNMENT
Lambert adjourned the meeting at 10:00 a.m.
