*The Fischer Furniture credit card is issued by Wells Fargo Bank, N.A. Special terms apply to qualifying purchases charged with approved credit. Delivery charges are due at time of purchase. The special terms APR of 0.00% will apply to the qualifying purchase, and 36 monthly payments equal to 2.71% of the original special terms balance are required. The advertised terms are an estimate assuming required monthly payments are made on the payment due date; no other balances are currently carried or will be carried on the account; and no additional charges are or will be added to the account. Because your actual account activity may be different than the assumptions used, or because of rounding, the number of payments or the final payment amount could be different than the advertised terms. The special terms APR will continue until all qualifying purchases are paid in full. The APR for Purchases will apply to certain fees such as a late payment fee or if you use the card for other transactions. For new accounts, the APR for Purchases is 28.99%. If you are charged interest in any billing cycle, the minimum interest charge will be $1.00. This information is accurate as of 01/01/22 and is subject to change.
