Thank You ***for Your Continued Support!***

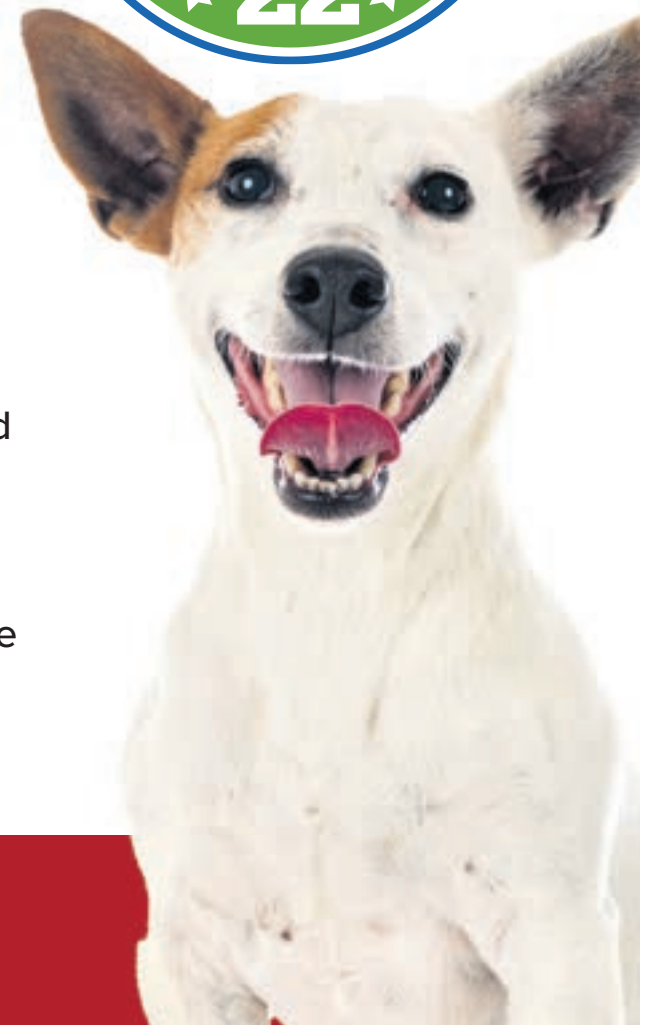

Thank you to everyone who voted for us in the "Best of the Black Hills" contest for **Best of Veterinary Services!** We were thrilled and honored to be recognized for our work, and it meant so much to us that you took the time to vote.

Dr. Falcon has worked hard to build the practice and expand the clinic's services to help the pets in our community. Although we've been through some transitions and challenges this year, we are proud to have provided our patients with excellent service and care, and we couldn't have done it without your support.

We are so grateful to have been named your favorite local vet, and we will continue to work hard to ensure that we are worthy of your trust and loyalty. Thank you for believing in us!

Sincerely,

Best of the Black Hills

Best Hamburger/Hot Dog & Appetizer in the Black Hills.

Best Hamburger in the Northern Hills.

SUGAR SHACK

A longtime favorite of area food aficionados – as evidenced by this year's Best of the Black Hills voting Deadwood's Sugar Shack also got lauded by a more international audience earlier this year.

The website BigSevenTravel.com declared the Sugar Shack's burger one of the 50 best burgers in the United States, with its team picking the one best burger from each state.

While its burgers have gained fame, Sugar Shack delivers more than that. The restaurant's online menu has a full page dedicated to breakfast dishes served from

7-11 a.m. each day, a lineup that includes the Sugar Shack Scramble and the Old Timer's Breakfast. Burger fans will have 10 half-pound offerings to choose from, with other hot sandwiches and sides available.

Dinners include hamburger steak, chicken fried steak and a three-piece chicken meal.

Once again, thank you for making us #1 in the Black Hills!

Sugar Shack is open from 7 a.m. to 9 p.m. daily at 22495 Highway 385 in Deadwood. Contact them by calling 605-341-6772 or going to their Facebook page.
