Ravalli Co. provides this map for informational purposes only, it is not suitable for legal, engineering, or surveying purposes. The FEMMA Floodplain shown on this map is not accurate and does not represent the regulatory FEMA floodplain boundary. This map cannot be used to determine drainfield setbacks as they need to be certified by a licensed surveyor or engineer. Please contact the Ravalli County Floodplain Administrator with questions regarding the FEMA Floodplain (406-375-6530).
