BEST ALTERNATIVE MEDICINE
DR. BOB HART—

True North Transformative Health “We are humbled and honored to be named both best alternative medicine clinic and also best physician in the Bitterroot Valley! We love serving the people of the Bitterroot Valley and this award validates our efforts in providing a better healthcare option than that provided by status quo mainstream medicine. We have worked hard to provide patient driven, affordable, and sustainable solutions to an overburdened and largely inaccessible healthcare system that focuses on profit and only benefits insurance companies, corporate health care conglomerates and big pharma while ignoring the needs and wellbeing of its customers. We love making a positive difference in the lives of our patients here in Western Montana.”
Dr. Robert Hart, Physician/Owner
