Dear Sir/Madam:

We received your request for a waiver of the audited or reviewed financial statement requirement as it relates to the Charitable Solicitation Registration of the above-named organization. After review, we determined your request will be granted for the fiscal year ending **6/30/2019**.

Please understand this is a one-time only waiver of the requirement. Financial statements audited or reviewed by a licensed, independent Certified Public Accountant will be required for any future year in which the organization's public support exceeds the requirement threshold. If audited financial statements are required, they must be prepared in accordance with generally accepted accounting principles.

The solicitation registration form has been approved. The Charitable Solicitation Registration is enclosed.

Sincerely,

Charitable Trust Section
