Dear Frankfort Football Families,

I am writing to inform you of a change in the leadership of the Frankfort High School football program. Will Schwarz has made the decision to resign from his position as our Head Varsity Football Coach effective immediately.

The athletic department understands that a coaching change at the beginning of a season can create questions and uncertainty for our student-athletes and families. We respect Coach Schwarz's privacy and will not be providing additional details regarding the circumstances surrounding his decision. FEAS appreciates his time and contributions to our football program and wish him and his family the very best.

Our priority is providing stability, consistency, and support for our student athletes. Our players have put significant time and effort into preparing for this season, and we want to keep their attention where it belongs, on their teammates, their development, and the season ahead.

Currently, assistant coaches will be taking on a more collaborative approach to support players during this transition. Practices and scheduled football activities will continue as planned and coaches will continue to communicate any changes or updates as they occur. FEAS is fortunate to have a dedicated coaching staff that remains fully committed to our student athletes and the Frankfort football program. They will continue working together to provide our players with strong leadership and every opportunity to have a positive and successful football experience this season.

Your patience and understanding is appreciated as we work through this transition. Most importantly, we ask our Panther community to continue supporting our student athletes, coaches, and athletic department as we continue to move forward together.

Sincerely,

A handwritten signature in black ink that reads "Micah Gallegos".

Micah Gallegos
Athletic Director/Dean of Students
Frankfort-Elberta Area Schools
