Good afternoon Tracy,

I spoke with Zac last night and am weighing options. It is unlikely we will start this week so Sunday may be cancelled.

Nate

Are you going to use your Sunday afternoons for 4 Mans - Softball?

If not, please let me know so I can cancel them in our calendar. Our custodians are making cleaning schedules around gym usage.

Thanks!

Hello everyone.

Just a reminder to review the schedule, along with your titles, and let me know if any changes need to be made. The final schedule will be sent to the Chamber by Thursday this week if not before.

Thank you.

Good morning all.

I've updated the draft schedule (see link below) that was created last week based on timeframes provided by Leadership Grand Traverse. Based on their requested schedule, I have grouped you into sessions on 1) public safety, 2) courts, and 3) diversion / probation. Each of you will have 20-35 minutes, depending on the session. See the draft schedule for the exact time allocation.

https://docs.google.com/spreadsheets/d/1Nrx7FruAEpWFSS5Rt_Pr7EDHrg2LxIhloV4cRNDCWbQ/edit?usp=sharing

Please let me know if you have any concerns regarding this schedule.

And, please add any notes or links directly into the sheet. I have revised the tabs down to 3 based on the categories above.

Thank you.

Subject: Re: MHSAA Update- Jan. 13
Date: Thursday, January 14, 2021 2:47:33 PM

And so we have some more info for tonight!

Dear MHSAA Community,

The Representative Council met today and took action on two items including an updated winter calendar for the five “contact” winter sports as defined by the MDHHS along with an extension of the Previous Academic Credit Record waiver, allowing local school districts to determine the eligibility status for winter and spring sport athletes during 2020-21 just as was done for fall athletes earlier this year under the previous academic term rule waiver.

Know that we are seeking specific, sport-by-sport guidance in terms of defining what is, and what is not, allowed activity for “contact” winter sports from Jan. 16-Jan. 31. We will share this information as soon as we receive it. A virtual “roundtable” session has been scheduled by the MIAAA for tomorrow, Jan. 15 at 1pm, for athletic directors to connect with MHSAA staff to share information and answer questions.

Updated Winter Calendar for Basketball, Competitive Cheer, Ice Hockey and Wrestling:

The Council approved a plan for adjusting schedules for the five Winter “contact” sports which may begin non-contact practices on Jan. 16 but must delay any activities that involve physical contact between individuals until Feb. 1 per the recent update to the MDHHS epidemic plan. The updated schedule for girls and boys basketball, competitive cheer, ice hockey and wrestling pushes Finals for those sports into late March or early April. The Council approved the following dates:

Girls Basketball

First non-contact practice: Jan. 16

First contact practice: Feb. 1

First contest: Feb. 4

Districts: March 22, 24, 26

Regionals: March 29, 31

Quarterfinals: April 5

Semifinals: April 7

Finals: April 9

Boys Basketball

First non-contact practice: Jan. 16

First contact practice: Feb. 1

First contest: Feb. 4

Districts: March 23, 25, 27

Regionals: March 30, April 1

Quarterfinals: April 6

Semifinals: April 8

Finals: April 10

Competitive Cheer

First non-contact practice: Jan. 16

First contact practice: Feb. 1

First contest: Feb. 8

Districts: March 15-20

Regionals: March 22-24

Finals: March 26-27

Ice Hockey

First non-contact practice: Jan. 16

First contact practice: Feb. 1

First contest: Feb. 1

Regionals: March 15-20

Quarterfinals: March 23

Semifinals: March 25-26

Finals: March 27

Wrestling

First non-contact practice: Jan. 16

First contact practice: Feb. 1

First contest: Feb. 8

Districts: March 15-20

Regionals: March 22-28

Team Finals: March 31

Individual Finals: April 2-3

Spring sports will continue with their traditional dates, with first practices March 15. With this updated schedule, the majority of Winter athletes will have completed their seasons by the end of March. The updated schedule does carry on through schools' spring breaks – MHSAA research found that 63 percent of member schools have spring break the week of March 29-April 4, with the other 37 percent are on break from April 5-11.

Previous Academic Credit Record Waiver Extension:

The Council also approved an extension of the previous academic credit record waiver, allowing local school districts to determine the eligibility status for winter and

spring sport athletes during 2020-21 just as was done for fall athletes earlier this year under the **previous** academic term rule waiver. Note that the **current** academic credit record regulation (weekly or quarter grade checks as set by each school) has not changed and must be followed for all athletes, as under Regulation I, Section 8. Here is the full text of the updated Previous Academic Credit waiver regulation along with further guidance.

Previous Academic Credit Record (Regulation I, Section 7): The MHSAA minimum eligibility requirement will continue to be waived for all sports played during the remainder of the 2020-21 school year. It is for each school to determine the eligibility criteria for students under the previous academic record rule. Schools may maintain the MHSAA minimum standard (66%), reduce the standard (e.g. 50%) or eliminate and/or modify it as they see fit so long as the policies are applied equally to all student-athletes without regard to athletic ability or potential. Students must continue to be enrolled in 66% of a full-time student course load. The current academic credit record regulation (weekly or quarter grade checks as set by each school) has not changed and must be followed, as under Regulation I, Section 8.

As in the past under existing regulations, schools have the option to issue incompletes and keep online courses open and consider a student determined to be ineligible to become eligible when a deficiency of credit is made up and posted to the transcript, or on the 61st school day if passing on the 60th day. MHSAA regulations have always accepted pass-fail credit as opposed to a letter grade or GPA, and that has not changed. The MHSAA minimum standard of the previous academic credit record regulation will reactivate for fall sports based on credit from the 2nd semester or 3rd trimester of 2020-21.

Good evening coaches!

Here is a little more detail for everyone:

Spring Coaches that are still planning 4-player workouts should also attend tomorrow evenings 6pm Winter Coaches google meeting. Here is the link: <https://meet.google.com/pgc-nfko-fhr>

Below is a compiled list of important notes and reminders from fall sports that will be important for winter and spring in no particular order of importance (as it is ALL important). Following that is a Q&A from MDHHS that will be helpful when parents ask questions. We will review all of this tomorrow, but wanted you all to have a chance to review, digest, and prepare any questions.

Thank you!!!

Practice what 6' distancing looks like in drills, waiting on the sideline, team huddles and meetings, at screening check in, etc - use the "Arms Out" example frequently.

Masks must be up at all times:

--- **coming to** practice or games, **during** practice/games, **and after** practice and games

The following examples will be given at all pregame meetings:

- if the mask comes down during play, pull it back up before the next play,
- if you need a chance to get air, turn away from others, pull the mask down, then pull it back up before you go to a group or into the next play
- during time out, masks are up, if you are getting water during timeout, turn away from others, then mask up before you return to the huddle

No close proximity huddles, (this will need practice...recommend actually working on this in practice!!) for example:

- no hands in the huddle at the end of a time out for a team chant (modify this to include distance)
- no players coming together and touching at the end of a play - creative chants without touching or air high fives will need to be the new norm

No team photos, (even after a big win):

--- distanced photos with all masks on are ok, but we need to guarantee that there are no moments without masks and 6 feet is required, at all times, no exceptions

These items need to be rehearsed just like any other item in your practice plans. It is necessary to protect our ability to keep playing!!

Other Thoughts:

- Practices are closed to parents/spectators.
- **Building in frequent water breaks** (or mask off breaks) even during competition is appropriate. - Much like heat index timeouts, we can agree with opposing teams and officials ahead of time to take additional timeouts to hydrate (which means lowering masks), just ensure plenty of distance during the timeout.
- **Monitor athletes for any breathing issues**, dizziness, etc and remove them from play if you suspect any issues.
- In all events at home, we will screen all players, coaches and officials with the same screening process we have used all summer (this includes the visiting team and coaches).
- Reminder only prepackaged food and individual water bottles (recommend at least a gallon)
- Reminder no team photos (only individuals) - so we will need to take individuals and ask photographers to make digital composites for us]
- We will not have any printed rosters or program books

MDHHS info:

[HTTPS://WWW.MICHIGAN.GOV/CORONAVIRUS/0,9753,7-406-98178_98455-549432--00.HTML](https://www.michigan.gov/coronavirus/0,9753,7-406-98178_98455-549432--00.HTML)

EXERCISE AND ATHLETICS

Q: What organized sports are permitted under this order?

A: Non-contact sports are permitted. Competition and scrimmages for contact sports, whether indoors or outdoors, are not permitted except as provided below. Examples of contact sports include: football, basketball, rugby, field hockey, soccer, lacrosse, wrestling, hockey, boxing, futsal, and martial arts with opponents. Sports practices/conditioning sessions for contact sports are permitted, provided that contact does not occur between players.

Q: Under what conditions are contact sports currently permitted under this order?

A: Sports organizers who can show compliance with the enhanced testing regimen specified in the Testing and Additional Mitigation Measures for Athletic Practice and Play During Statewide Athletics 'Pause' section of MDHHS's document entitled Interim Guidance for Athletics, or high schools that are participating in an MDHHS testing pilot program, may participate in contact sports. These protocols require 3 days per week of antigen testing, no social contact of any kind by athletes outside of their teammates and household members, and supervision by team medical staff.

Q: Are amateur, non-collegiate athletics, such as youth or adult recreational sports leagues, club athletics, or sports tournaments (including those for charity), permitted under this order?

A: Non-contact athletics are permitted. Contact athletics are not, unless it complies with the conditions listed above. To date, MDHHS is not aware of any amateur, non-collegiate operation that would meet these guidelines.

Q: Are dance classes, gymnastics, yoga, martial arts, and other group fitness classes permitted to operate?

A: Yes, provided there is not physical contact between participants, participants maintain at least 6 feet of distance from one another at all times, and all participants wear a face mask.

Q: May ski facilities operate?

A: Yes, skiing areas are permitted to remain open. Distancing measures, such as closing off seats on ski lifts, is encouraged. Gathering is not allowed in indoor facilities such as lodges and restaurants.

Q: What activities are currently permitted at indoor and outdoor ice rinks and roller rinks?

A: Ice and roller rinks may be open for non-contact individual and group activities. This includes: individual exercise, free skate/open skate, fitness classes, individual and group lessons, and sports practices, conditioning, and competition. Occupancy must be limited to 4 persons per 1,000 square feet of exercise space. Practices with

contact, scrimmages, and competition for contact sports are not permitted.

Q: Are swim lessons permitted to happen under this order?

A: Yes.

Q: Are personal training, individual coaching, or private lessons allowed at gyms, pools, skating rinks, and other exercise venues under this order?

A: Yes, individual private lessons, individual coaching, or personal training (with one participant and one coach/trainer) are permitted under the Section 2(c)(2) gathering exemption for employee/customer interactions to receive a service.

Q: What is the distinction between a water park and a swimming pool under this order?

A: A water park – which is not permitted to operate under this order – is a recreational facility with water features including pools, slides, sprinklers, and the like, which serves a primarily entertainment or recreational purpose, and which is open for unstructured play. Swimming pools that are permitted to operate under this order are those which are used for individual exercise or organized sports, such as those set up with individual lanes for lap swimming, and which do not contain large open areas of water for unstructured group play.

SCHOOLS AND UNIVERSITIES

Q: Are elementary, middle, and high schools permitted to be open for in-person instruction under this order?

A: Yes, all schools (preschool through 12) may be open for in-person instruction, subject to local school district decisions on remote learning.

Q: Are elementary, middle, and high schools permitted to be open for purposes other than in-person instruction?

A: Yes, all schools (preschool through grade 12) may also offer childcare services, including care for children before or after school hours, as well as community support services such as meal distribution or medical care at a school-based health clinic. Schools may also host extracurricular activities, except those that involve physical contact among participants, or where masks cannot be worn. Schools are encouraged to have activities outdoors whenever possible.

Q: What extracurricular activities are permitted under this order?

A: All extracurricular activities are permitted, except those that involve physical contact among participants or where masks cannot be worn. Activities involving

singing and use of musical instruments are permitted so long as masks can be worn at all times; activities requiring removal of masks or use of a slitted mask are not permitted.

Subject: MHSAA Update- Jan. 13
To: Zac Stevenson <stevensoza@tcaps.net>

Dear MHSAA Community,

With today's press conference and public release of the MDHHS epidemic order effective as of Saturday, January 16, the following is information we know at this time. With the Representative Council scheduled to meet tomorrow, Jan. 14, along with dozens of additional questions that have already reached us this afternoon, schools should expect additional information and further communication in the next few days.

Here is initial guidance to schools based on today's announcement and release of the updated MDHHS order:

- No changes have been made to the three remaining fall sports in the MDHHS pilot rapid testing program; since the updated order goes into effect on Saturday, the two fall non-contact sports of girls swimming & diving and volleyball must continue with testing this week.
- Winter teams may continue with OUTDOOR conditioning activities through Friday, Jan. 15.

On Saturday, Jan. 16, the following changes go into effect for school sports:

- The non-contact winter sport of swimming and diving- boys in the LP and both boys and girls in the UP- may begin practices on Jan. 16 and compete starting on Jan. 22.
- The non-contact sports of bowling and gymnastics may begin practice on Jan. 16 and compete starting on Jan. 25.
- The four winter contact sports as defined by MDHHS include basketball, competitive cheer, ice hockey and wrestling. These four sports may begin indoor practices with **no physical contact** on Jan. 16. There must be at

least 6 feet of distance between each occupied workout station with spaces and activities set up to maintain 6 feet between all persons at all times.

- Based on the order, the first day of **competition** would be on Feb. 1 for these 4 sports with new MHSAA tournament dates. We will provide updated MHSAA tournament dates for these four winter sports by the end of this week.
- The MHSAA will continue to actively advocate for an earlier start to competition and physical contact practices in these sports given the non-school sports activity within our state, and the school and non-school activity in our three bordering states, all include competition now in winter sports, including wrestling.
- Spring sports and fall sports not involved in the MDHHS pilot testing program may begin indoor 4-player workouts and resume conditioning activities on Jan. 16. Note that all of this out-of-season activity must be NON-PHYSICAL CONTACT work at this time.
- Masks are required of all participants except when actively participating in swimming & diving and gymnastics.
- School weight rooms are now open for lifting and conditioning with physical distancing and NO PHYSICAL CONTACT activities and masks being worn at all times.
- Under this updated order, spectators for winter sports are limited to 100 persons, except for stadiums and arenas, which are capped at 250. Note that bowling center capacity is limited to 25% of total occupancy set by the local fire marshal.

The Representative Council will be meeting tomorrow to address new calendar issues and other challenges that today's MDHHS announcement created. We will communicate with all schools following the meeting with more updated information.

Thank you.

Good evening coaches!

Here is a little more detail for everyone:

Spring Coaches that are still planning 4-player workouts should also attend tomorrow evenings 6pm Winter Coaches google meeting. Here is the link: <https://meet.google.com/pgc-nfko-fhr>

Below is a compiled list of important notes and reminders from fall sports that will be important for winter and spring in no particular order of importance (as it is ALL important). Following that is a Q&A from MDHHS that will be helpful when parents ask questions. We will review all of this tomorrow, but wanted you all to have a chance to review, digest, and prepare any questions.

Thank you!!!

Practice what 6' distancing looks like in drills, waiting on the sideline, team huddles and meetings, at screening check in, etc - use the "Arms Out" example frequently.

Masks must be up at all times:

--- **coming to** practice or games, **during** practice/games, **and after** practice and games

The following examples will be given at all pregame meetings:

- if the mask comes down during play, pull it back up before the next play,
- if you need a chance to get air, turn away from others, pull the mask down, then pull it back up before you go to a group or into the next play
- during time out, masks are up, if you are getting water during timeout, turn away from others, then mask up before you return to the huddle

No close proximity huddles, (this will need practice...recommend actually working on this in practice!!) for example:

- no hands in the huddle at the end of a time out for a team chant (modify this to include distance)
- no players coming together and touching at the end of a play - creative chants without touching or air high fives will need to be the new norm

No team photos, (even after a big win):

--- distanced photos with all masks on are ok, but we need to guarantee that there are no moments without masks and 6 feet is required, at all times, no exceptions

These items need to be rehearsed just like any other item in your practice plans. It is necessary to protect our ability to keep playing!!

Other Thoughts:

- Practices are closed to parents/spectators.
- **Building in frequent water breaks** (or mask off breaks) even during competition is appropriate. - Much like heat index timeouts, we can agree with opposing teams and officials ahead of time to take additional timeouts to hydrate (which means lowering masks), just ensure plenty of distance during the timeout.
- **Monitor athletes for any breathing issues**, dizziness, etc and remove them from play if you suspect any issues.
- In all events at home, we will screen all players, coaches and officials with the same screening process we have used all summer (this includes the visiting team and coaches).
- Reminder only prepackaged food and individual water bottles (recommend at least a gallon)
- Reminder no team photos (only individuals) - so we will need to take individuals and ask photographers to make digital composites for us]
- We will not have any printed rosters or program books

EXERCISE AND ATHLETICS

Q: What organized sports are permitted under this order?

A: Non-contact sports are permitted. Competition and scrimmages for contact sports, whether indoors or outdoors, are not permitted except as provided below. Examples of contact sports include: football, basketball, rugby, field hockey, soccer, lacrosse, wrestling, hockey, boxing, futsal, and martial arts with opponents. Sports practices/conditioning sessions for contact sports are permitted, provided that contact does not occur between players.

Q: Under what conditions are contact sports currently permitted under this order?

A: Sports organizers who can show compliance with the enhanced testing regimen specified in the Testing and Additional Mitigation Measures for Athletic Practice and Play During Statewide Athletics 'Pause' section of MDHHS's document entitled [Interim Guidance for Athletics](#), or high schools that are participating in an MDHHS testing pilot program, may participate in contact sports. These protocols require 3 days per week of antigen testing, no social contact of any kind by athletes

outside of their teammates and household members, and supervision by team medical staff.

Q: Are amateur, non-collegiate athletics, such as youth or adult recreational sports leagues, club athletics, or sports tournaments (including those for charity), permitted under this order?

A: Non-contact athletics are permitted. Contact athletics are not, unless it complies with the conditions listed above. To date, MDHHS is not aware of any amateur, non-collegiate operation that would meet these guidelines.

Q: Are dance classes, gymnastics, yoga, martial arts, and other group fitness classes permitted to operate?

A: Yes, provided there is not physical contact between participants, participants maintain at least 6 feet of distance from one another at all times, and all participants wear a face mask.

Q: May ski facilities operate?

A: Yes, skiing areas are permitted to remain open. Distancing measures, such as closing off seats on ski lifts, is encouraged. Gathering is not allowed in indoor facilities such as lodges and restaurants.

Q: What activities are currently permitted at indoor and outdoor ice rinks and roller rinks?

A: Ice and roller rinks may be open for non-contact individual and group activities. This includes: individual exercise, free skate/open skate, fitness classes, individual and group lessons, and sports practices, conditioning, and competition. Occupancy must be limited to 4 persons per 1,000 square feet of exercise space. Practices with contact, scrimmages, and competition for contact sports are not permitted.

Q: Are swim lessons permitted to happen under this order?

A: Yes.

Q: Are personal training, individual coaching, or private lessons allowed at gyms, pools, skating rinks, and other exercise venues under this order?

A: Yes, individual private lessons, individual coaching, or personal training (with one participant and one coach/trainer) are permitted under the Section 2(c)(2) gathering exemption for employee/customer interactions to receive a service.

Q: What is the distinction between a water park and a swimming pool under this order?

A: A water park – which is not permitted to operate under this order – is a recreational facility with water features including pools, slides, sprinklers, and the like, which serves a primarily entertainment or recreational purpose, and which is open for

unstructured play. Swimming pools that are permitted to operate under this order are those which are used for individual exercise or organized sports, such as those set up with individual lanes for lap swimming, and which do not contain large open areas of water for unstructured group play.

SCHOOLS AND UNIVERSITIES

Q: Are elementary, middle, and high schools permitted to be open for in-person instruction under this order?

A: Yes, all schools (preschool through 12) may be open for in-person instruction, subject to local school district decisions on remote learning.

Q: Are elementary, middle, and high schools permitted to be open for purposes other than in-person instruction?

A: Yes, all schools (preschool through grade 12) may also offer childcare services, including care for children before or after school hours, as well as community support services such as meal distribution or medical care at a school-based health clinic. Schools may also host extracurricular activities, except those that involve physical contact among participants, or where masks cannot be worn. Schools are encouraged to have activities outdoors whenever possible.

Q: What extracurricular activities are permitted under this order?

A: All extracurricular activities are permitted, except those that involve physical contact among participants or where masks cannot be worn. Activities involving singing and use of musical instruments are permitted so long as masks can be worn at all times; activities requiring removal of masks or use of a slitted mask are not permitted.

Subject: MHSAA Update- Jan. 13

To: Zac Stevenson <stevensoz@tcaps.net>

Dear MHSAA Community,

With today's press conference and public release of the MDHHS epidemic order effective as of Saturday, January 16, the following is information we know at this time. With the Representative Council scheduled to meet tomorrow, Jan. 14, along with dozens of additional questions that have already reached us this afternoon, schools should expect additional information and further communication in the next few days.

Here is initial guidance to schools based on today's announcement and release of the updated MDHHS order:

- No changes have been made to the three remaining fall sports in the MDHHS pilot rapid testing program; since the updated order goes into effect on Saturday, the two fall non-contact sports of girls swimming & diving and volleyball must continue with testing this week.
- Winter teams may continue with OUTDOOR conditioning activities through Friday, Jan. 15.

On Saturday, Jan. 16, the following changes go into effect for school sports:

- The non-contact winter sport of swimming and diving- boys in the LP and both boys and girls in the UP- may begin practices on Jan. 16 and compete starting on Jan. 22.
- The non-contact sports of bowling and gymnastics may begin practice on Jan. 16 and compete starting on Jan. 25.
- The four winter contact sports as defined by MDHHS include basketball, competitive cheer, ice hockey and wrestling. These four sports may begin indoor practices with **no physical contact** on Jan. 16. There must be at least 6 feet of distance between each occupied workout station with spaces and activities set up to maintain 6 feet between all persons at all times.
- Based on the order, the first day of **competition** would be on Feb. 1 for these 4 sports with new MHSAA tournament dates. We will provide updated MHSAA tournament dates for these four winter sports by the end of this week.
- The MHSAA will continue to actively advocate for an earlier start to competition and physical contact practices in these sports given the non-school sports activity within our state, and the school and non-school activity in our three bordering states, all include competition now in winter sports, including wrestling.
- Spring sports and fall sports not involved in the MDHHS pilot testing program may begin indoor 4-player workouts and resume conditioning activities on Jan. 16. Note that all of this out-of-season activity must be NON-PHYSICAL CONTACT work at this time.
- Masks are required of all participants except when actively participating in swimming & diving and gymnastics.
- School weight rooms are now open for lifting and conditioning with physical distancing and NO PHYSICAL CONTACT activities and masks being worn at

all times.

- Under this updated order, spectators for winter sports are limited to 100 persons, except for stadiums and arenas, which are capped at 250. Note that bowling center capacity is limited to 25% of total occupancy set by the local fire marshal.

The Representative Council will be meeting tomorrow to address new calendar issues and other challenges that today's MDHHS announcement created. We will communicate with all schools following the meeting with more updated information.

Thank you.

I am thinking that I should be added to the probation portion as well if you want me to put something together regarding our treatment courts and DV court??? Or if you would rather I address this in the Court section that is fine as well. I just need to know.

Subject: Fwd: MHSAA Update- Dec. 18
Date: Friday, December 18, 2020 4:51:55 PM

Good afternoon! So here is what we know as of this afternoon:

- Football and Swim are back on beginning Mon 12/21 - a testing process will be in place, but that info still has not been released....we expect to know more over the weekend.
- Ski is the only winter sport allowed to resume on Mon 12/21 - following all of the protocols in place (screening, attendance tracking, etc)
- All other winter sports are still on hold through 1/15 - that info will update through the Gov's office. You may continue to hold virtual meetings

Stay tuned!!

Subject: MHSAA Update- Dec. 18
To: Zac Stevenson <stevenszoa@tcaps.net>

Dear MHSAA Community,

With the announcement from the Governor's office and MDHHS, along with today's Representative Council meeting, here is the updated MHSAA plan for fall, winter and spring sports.

The Governor and MDHHS have a shared priority that high schools need to reopen first, followed by extra-curricular activities. With high schools now reopened, the MDHHS has announced a pilot testing program that will allow the three unfinished fall sport tournaments to resume under these new testing requirements. The updated emergency orders continue the pause on all organized sports except those three fall MHSAA sports identified in the MDHHS pilot testing program. This will allow those

schools with teams still playing in MHSAA tournaments (volleyball and football) and individuals in LP girls swimming & diving (Finals qualifiers, only) to resume practice on Monday, Dec. 21. All safety protocols remain in effect. The tournament schedules for these 3 fall sports are as follows:

- **Volleyball- Quarterfinals on Tuesday, Jan. 5; Semifinals and Finals on Thursday-Saturday, Jan. 7-9 at Kellogg Arena in Battle Creek.**
- **Swimming & Diving- Finals on Friday, Jan. 15 (Diving) and Saturday, Jan. 16 (Swimming) at 3 locations.**
- **Football- Regional Finals and 8-Player Semifinals on Saturday, Jan. 2; Semifinals at home sites and 8-Player Finals on Saturday, Jan. 9 ; Finals on Friday and Saturday, Jan. 15-16.**

All details on this pilot testing program will be shared by MDHHS with the MHSAA and those fall sports schools soon.

Unless new MDHHS orders are issued, all winter sports practices and competitions may start when the updated emergency orders expire on Jan. 15. Only virtual contact is allowed for all sports in all member school facilities, except those fall sport schools and individuals still in the MHSAA tournament following the pilot testing program, at this time. Schools and coaches should strongly discourage any non-school activity by individuals during this pause to not create more virus spread so that we can return to play. All winter sport tournaments will conclude by the end of March and updated scheduling guidance and winter sport tournament dates will be finalized and shared with member schools next Tuesday, Dec. 22. Note that the one outdoor winter sport, skiing, may begin outdoor practices and competition on Monday, Dec. 21 with no change to the published MHSAA Ski tournament dates. All indoor junior high and middle school sports may also resume when the orders expire on Jan. 15. All safety protocols remain in effect when winter practices and competitions resume.

At the current time, the updated MDHHS emergency orders do not allow for any spectators at contests for both fall and winter sports.

All spring sports will start on time and no changes will be made to spring sport tournament dates.

Additional winter scheduling details and finalized tournament dates will be shared with schools by the end of the day next Tuesday, Dec. 22.

Thank you.

**Mark Uyl

Subject: TCC Athletic Boosters Spiritwear Store
Date: Friday, November 27, 2020 5:57:28 PM

Dear Coaches and Parent Reps,

Happy Thanksgiving! I hope you had a blessed holiday. Please email, copy and paste, the following information to your athlete's families to inform them of the spirit wear we have available. Also, if you could post on your social media outlets that would be GREAT! Christmas is right around the corner!

'Tis the Season to be TROJANS! Just in time for the holidays, the TCC Athletic Boosters is excited to announce the Trojan Fan Shop!

Our online shop is full of affordable Trojan gear for all the good little Trojan family members and fans on your list!

**Items are fulfilled when ordered (usually 5-7 day turnaround) and shipped directly to you!

**Proceeds generated from the sales will directly benefit all TCC athletic programs and its student-athletes!

Go Trojans and Happy Holidays from the TCC Athletic Boosters.

On Thu, Nov 5, 2020 at 2:35 PM Tracy Welch <WelchTr@tcaps.net> wrote:

Hi Nate,

Once you talk to Zac about 4 Mans and Open Gyms... here is the next step.

Due to Covid - we have changed the way we use the gyms. Here are the new requirements:

- Doors will not be programmed and cannot be propped open
- Coaches will need to **SCREEN** all student athletes at the door (Door A)
- *asking questions in FinalForms attendance
- *taking temps at the door (thermometer in room next to Door A)
- Coaches need to **take attendance in FinalForms** (after screening)
- That means all student athletes attending will need to be in FinalForms and have selected Softball on their account (so they show up for you)
- Everyone must **wear masks** at all times in the gym
- No locker rooms (student athletes must come dressed and ready to go)
- Can unlock bathroom to use

I believe that is it... let me know if you have questions. Thanks!

Attachments: September 2020 Booster Mtg Minutes.docx
November 2020 Mtg Agenda (1).docx

Dear Fellow Trojans,

The November Athletic Booster meeting is next Monday, November 9th at 6pm. Our meeting will be virtual and the invitation is below. Please make sure your Team / Program is represented as we review the Fall Sports Season, look ahead to Winter & Spring Seasons and start to share the details around Booster Bash 2021. I have attached the agenda and the September meeting minutes. I will be sharing the recording of May meeting and the recording of the September meeting in a separate email. We look forward to seeing everyone there...

Subject: TCAPS emails reactivated
Date: Saturday, August 15, 2020 7:14:17 PM

Good evening everyone. As of yesterday afternoon, anyone who has been unable to access their TCAPS email addresses should now be reactivated. Your passwords have been reset. You may need to start with cloud.tcaps.net first, then go to your gmail. The password should be Aa_PCMI# (includes leading 0, i.e. Aa_011223)

If you need help with that, please let me know!

Good morning coaches!

Our first full day with fall teams is off to a great start! Please be diligent in reminding students of masks when not participating and distancing during drills. We never know when someone will take a photo and post it.

- Thank you to those that gave your time on Monday to meet. I have attached the agenda from our meeting Monday along with links to important documents and resources. **If you were unable to attend, it is required that you meet with me prior to any coaching!** This is due to some liability items.

- Everyone needs to complete the free NFHS Covid 19 Course. Here is the link: <https://nfhslearn.com/courses/covid-19-for-coaches-and-administrators>

- Just a reminder that if students are missing signatures (parent and/or player) or physicals (or health questionnaire), they need to sit out of practice until these are complete. Most of the time it only takes a couple minutes and they can take care of it on their phone. Please send them in to the athletic office if they have any questions!

Please reach out to me or Tracy with any questions.

Fingers crossed that we keep moving forward towards games and contests....will keep you posted!

Zac

.....and then we take a step back.... Gov just limited us to 10 people indoors at one time effective Fri 7/31.... see below:

FOR IMMEDIATE RELEASE

July 29, 2020

Contact: press@mieog.gov

**Governor Whitmer Amends MI Safe Start Order to Limit Indoor Gatherings,
Save Lives**

Statewide, bars are closed for indoor service and indoor gatherings are restricted to no more than 10 people

LANSING, Mich. – Today, Governor Gretchen Whitmer signed Executive Order 2020-160 and Executive Order 2020-161, amending Michigan’s Safe Start Order and issuing revised workplace safeguards. Under the Safe Start Order, starting July 31, 2020, statewide indoor gatherings will be limited to 10 people and bars will be closed for indoor service across the state, including in Regions 6 and 8.

“As we see COVID-19 cases continue to rise, Michiganders cannot afford to drop our guard. We must take every step possible to save lives, protect the brave men and women on the front lines, and avoid overwhelming our healthcare system while we continue to combat COVID-19,” said **Governor Whitmer**. “After seeing a resurgence in cases connected to social gatherings across the state, we must further limit gatherings for the health of our community and economy. By taking these strong actions, we will be better positioned to get our children back into classrooms and avoid a potentially devastating second wave.”

COVID-19’s resurgence is closely associated with super-spreading events at large social gatherings, often attended by young people. An outbreak at a Lansing bar has resulted in 187 infections; more than 50 cases have been linked to a single house party in Saline; and a sandbar party at Torch Lake over the July 4 weekend led to at least 43 confirmed cases. Therefore, Executive Order 2020-160 limits statewide indoor gatherings to 10 people or less and, across most of the state, limits outdoor gatherings to 100. (The outdoor gathering limits will remain at 250 in Regions 6 and 8.)

Executive Order 2020-160 also orders that bars in every region, including those in regions 6 and 8, must close for indoor service if they earn more than 70% of their gross receipts from sales of alcoholic beverages.

Under the governor’s orders, Detroit casinos will also be allowed to open on August 5, but their occupancy will be limited to 15% capacity. Casinos must also, among other things, conduct a daily entry screening protocol for customers and employees, temperature screening. Casinos must require patrons to wear a face covering, except while eating or drinking or for identification purposes.

Executive Order 2020-160 will rescind Executive Orders 2020-110, 2020-115, 2020-120, 2020-133, and 2020-143.

Information around this outbreak is changing rapidly. The latest information is available at Michigan.gov/Coronavirus and CDC.gov/Coronavirus.

Subject: MHSAA Update - July 29

To: Zac Stevenson <stevensza@tcaps.net>

Dear MHSAA Community,

The Representative Council met this morning to discuss fall sports. Here is a summary of the action taken.

- Approved a "phased-in" approach to fall athletics.
- Eliminated scrimmages in all fall sports; the only occasions where students from different schools would be together is for official games, matches, meets and competitions.
- Finalized the fall sports guidance documents for the safe return to activity. This guidance includes general information along with sport-specific directives for students, coaches, staff, officials and media members. Spectator guidance will be added once those number of individual limits are finalized by the Governor's office. These documents are posted at mhsaa.com on each sport page and comply with all Executive Orders from Governor Whitmer.
- New competition limits in all fall sports were approved to limit the number of teams and individuals at any one competition site. The concept is fall competition will take place as locally as possible with no large-scale events, invitationals or tournaments. See the fall sport-specific guidance documents for these limits.
- Allowed all low-risk sports to begin practice and competition as scheduled on August 12.

- This includes golf, tennis, cross country and swimming. Swimming can begin indoor practice and competition once pools are opened with capacity limitations being followed.
- Allowed moderate-risk sports of soccer and volleyball (pending the opening of school gyms) to begin practice as scheduled on August 12 but to delay competition. Decisions on competition timelines (to start or to delay further) would be made on or by August 20.
 - Delayed the start of football practice with full player pads and equipment until Monday, August 17. The week of August 10 shall only include practice sessions that consists of conditioning, physical training and skill work but without player equipment other than helmets. This week of acclimatization (August 10-16) is similar to the allowed summer activities with helmets, only, that have been ongoing since June. Decisions on competition timelines (to start or to delay further) would be made on or by August 20.

The MHSAA will continue to be nimble and flexible in these uncertain times. The Council will be meeting regularly and we will continue to provide updates and possible modifications based on the most current information, directives from state government and health department officials and member school feedback.

Thank you.

Mark Uyl

Good afternoon coaches!

Relatively positive news today that we are still cautiously moving forward. Please see the email below if you have not received it already. Also note that sport specific guidelines can be found on each sport page on www.mhsaa.com

I will be available on our google meet tomorrow at 2pm for any sport specific questions after you have had a chance to look over your sport's guidelines, or you can give me a call with any questions.

Here is our google meet address:

<https://meet.google.com/csu-sosi-vwvy>
Dial-in: (US) +1 470-327-0887 PIN: 163 803 929#

Thank you!

Zac

Subject: MHSAA Update - July 29
To: Zac Stevenson <stevensoz@tcaps.net>

Dear MHSAA Community,

The Representative Council met this morning to discuss fall sports. Here is a summary of the action taken.

- Approved a “phased-in” approach to fall athletics.
- Eliminated scrimmages in all fall sports; the only occasions where students from different schools would be together is for official games, matches, meets and competitions.
- Finalized the fall sports guidance documents for the safe return to activity. This guidance includes general information along with sport-specific directives for students, coaches, staff, officials and media members. Spectator guidance will be added once those number of individual limits are finalized by the Governor’s office. These documents are posted at mhsaa.com on each sport page and comply with all Executive Orders from Governor Whitmer.
- New competition limits in all fall sports were approved to limit the number of teams and individuals at any one competition site. The concept is fall competition will take place as locally as possible with no large-scale events, invitationals or tournaments. See the fall sport-specific guidance documents for these limits.
- Allowed all low-risk sports to begin practice and competition as scheduled on August 12. This includes golf, tennis, cross country and swimming. Swimming can begin indoor practice and competition once pools are opened with capacity limitations being followed.
- Allowed moderate-risk sports of soccer and volleyball (pending the opening of school gyms) to begin practice as scheduled on August 12 but to delay competition. Decisions on competition timelines (to start or to delay further) would be made on or by August 20.
- Delayed the start of football practice with full player pads and equipment until Monday, August 17. The week of August 10 shall only include practice sessions that consists of conditioning, physical training and skill work but without player equipment other than helmets. This week of acclimatization (August 10-16) is similar to the allowed summer activities with helmets, only, that have been ongoing since June. Decisions on competition timelines (to start or to delay further) would be made on or by August 20.

The MHSAA will continue to be nimble and flexible in these uncertain times. The Council will be meeting regularly and we will continue to provide updates and possible modifications based on the most current information, directives from state government and health department officials and member school feedback.

Thank you.

Mark Uyl

Subject: 2020 Booster Bash Cancelled & Online Auction Info
Date: Monday, August 10, 2020 9:13:03 AM

Dear Boosters,

Please share this information with all of your contacts, especially the link for the online auction, which is occurring THIS WEEK!

2020 Trojan Booster Bash in the Motor City - CANCELLED! **PLEASE READ THE FOLLOWING EMAIL IN ITS ENTIRETY FOR IMPORTANT INFORMATION REGARDING CURRENT EVENT TICKET HOLDERS, RAFFLE TICKET DRAWING & AUCTION OF TEAM BASKETS AND OTHER AUCTION ITEMS**

Due to the continued restriction on group gatherings, the TCC Athletic Boosters regrets to announce that the 2020 Trojan Booster Bash in the Motor City (scheduled for 8/15/2020) must be cancelled.

Current Event Ticket Holders

If you currently hold a ticket for the 2020 Trojan Booster Bash, you have 3 options to choose from with respect to your ticket:

- Opt to Donate the funds for the ticket purchase to the TCC Athletic Boosters. All funds donated to the Boosters are for the benefit of and used to support each and every athletic programs at TC Central. Please email tctrojanbash@gmail.com to advise of your option to donate the funds for your ticket purchase.
- Opt to Transfer your ticket(s) to next year's Trojan Booster Bash (scheduled for Friday, August 20, 2021 - see below for more details). Please email tctrojanbash@gmail.com by **September 1, 2020**, to request a transfer of your ticket(s) to next year's event.
- Opt to Request a refund for your ticket purchase. Please email tctrojanbash@gmail.com by **September 1, 2020**, to request a refund of your ticket(s).

Current VIP Table Guests

If you had purchased a VIP Table for the 2020 Trojan Booster Bash, you have 4 options to choose from with respect to your VIP Table:

- Opt to Donate the funds for the entire cost of the VIP Table to the TCC Athletic Boosters - see chart, below, for specific breakdowns. Please email tctrojanbash@gmail.com to advise of your option to donate the entire cost for your VIP Table.
- Opt to Donate part of the funds for the VIP Table to the TCC Athletic Boosters (i.e., additional cost of the table in excess of the event entry fee at \$50/guest) - see chart, below, for specific breakdowns. Please email tctrojanbash@gmail.com to advise of your option to donate part of the funds for your VIP Table.

All funds donated to the Boosters are for the benefit of and used to support each and every athletic programs at TC Central.

- Opt to Request a full refund for your VIP Table. Please email tctrojanbash@gmail.com by **September 1, 2020**, to request a full refund of your VIP Table.
- Opt to Transfer your VIP Table to next year's Trojan Booster Bash (scheduled for Friday, August 20, 2021 - see below for more details). Please email tctrojanbash@gmail.com by **September 1, 2020**, to request a transfer of your VIP Table to next year's event.

VIP Table - Donation / Refund Amount

	VIP 10-Top (\$750)	VIP 8-Top (\$500)	VIP 6-Top (\$400)	VIP 8-Top Combo (\$250)
	<u>Amount Donated</u>	<u>Amount Donated</u>	<u>Amount Donated</u>	<u>Amount Donated</u>
Opt to Donate Funds (entire cost)	\$750	\$500	\$400	\$250
Opt to Donate Part of Funds	\$250 (\$500 refunded)	\$100 (\$400 refunded)	\$100 (\$300 refunded)	\$50 (\$200 refunded)
Opt to Request Full Refund	\$0 (\$750 refunded)	\$0 (\$500 refunded)	\$0 (\$400 refunded)	\$0 (\$250 refunded)

DEADLINE FOR TICKET HOLDERS & VIP TABLE GUESTS TO SELECT YOUR OPTION IS NO LATER THAN SEPTEMBER 1, 2020. If you have not emailed tctrojanbash@gmail.com by said date, we will defer to donating the funds from your ticket purchase to the TCC Athletic Boosters.

2020 Booster Bash Raffle

The 2020 Booster Bash Raffle will still be held on **August 15, 2020**, via a Facebook Live event at 7:00pm. If you are a current Raffle Ticket Holder for the 2020 Booster Bash, you are STILL eligible to win. Be sure to watch the Facebook Live event on the TCC Athletic Boosters Facebook page (@tccathleticboosters).

The Booster Board will coordinate delivery of the winning proceeds to the Raffle winner(s) during the week of August 17, 2020.

2020 Bash Online Auction

Even though we cannot gather in person, we can still come together and support the outstanding athletic programs of TC Central through the 2020 Bash Online Auction. The Online Auction will feature all the incredible gift baskets supplied by each team as well as some additional items and packages. You won't want to miss out bidding on these items as the Teams and donors really outdid themselves this year!

Bidding will begin August 1st and conclude at 5:00pm on August 15, 2020. Winners will be charged at 5:01pm. Be sure to follow the Boosters Facebook page (@tccathleticboosters), the TC Central Athletics website (www.tccathletics.net) and stay tuned to Booster email updates for the link to the Online Auction website, as well as for detailed information and photos of all the auction items.

Here is the link to the auction: <https://go.rallyup.com/bash2020>

Delivery of auction item winnings will be coordinated with the Booster Bash Auction Committee during the week of August 17, 2020.

2021 Trojan Booster Bash

Plans for next year's Booster Bash are already in full swing - be sure to mark your calendar for **FRIDAY, AUGUST 20, 2021** for the 2021 Trojan Booster Bash at the Park Place. More details will be revealed at the first Booster meeting of the year on Monday, September 14, 2020. Be sure to attend to be the first to hear all about next year's event, meet the new Booster Board and help support Trojan Athletics.

Go Trojans!

Dear Coaches,

Please, take a few minutes to share this information with your parents and former players so we can maximize the grant opportunities for our sports teams. Feel free to copy and paste the information, no need to recreate. We know this will be a challenging year and the TCC Athletic Booster Board wants to help. In order to do this we need a successful online auction! So send this message to everyone you know so they can bid on these awesome baskets! Here is the link to the online auction: <https://go.rallyup.com/bash2020>

The auction will be live until Saturday, August 15th at 5pm.

Go Trojans!

Good afternoon Coaches!

Just a reminder that we have our mandatory all coaches meeting virtually on Monday (8/10) at 4pm.
Here is the meeting info:

<https://meet.google.com/csu-sosi-vwy>
Dial-in: (US) +1 470-327-0887 PIN: 163 803 929#

Here is a link to today's Q&A with Mark Uyl. Things are still on schedule!
https://docs.google.com/document/d/1twygzNHr01BAwK3-iK3L6-AJV7peWkXPXw8_4UaxwkQ/edit?usp=sharing

Feel free to reach out with any questions!

Have a great weekend!

Zac

Good afternoon!

Just a reminder that we will have our annual mandatory all coaches meeting next Monday 8/10 at 4pm. This will be virtual this year and we will use our usual coaches meeting google meet address:

<https://meet.google.com/csu-sosi-vwy>
Dial-in: (US) +1 470-327-0887 PIN: 163 803 929#

Due to the several new items to cover, all assistant coaches must also attend.

The first half of the meeting will include everyone, with introductions of our new TCC Athletic Booster Officers, key points from our business office staff, Covid guidelines and requirements, and MHSAA updates. Once those are complete, fall coaches will stay on for season specific information.

Please feel free to reach out with any questions in advance!

Zac

....and then we take a step back.... Gov just limited us to 10 people indoors at one time effective Fri 7/31.... see below:

FOR IMMEDIATE RELEASE

July 29, 2020

Contact: press@mieog.gov

**Governor Whitmer Amends MI Safe Start Order to Limit Indoor Gatherings,
Save Lives**

Statewide, bars are closed for indoor service and indoor gatherings are restricted to no more than 10 people

LANSING, Mich. – Today, Governor Gretchen Whitmer signed Executive Order 2020-160 and Executive Order 2020-161, amending Michigan's Safe Start Order and issuing revised workplace safeguards. Under the Safe Start Order, starting July 31, 2020, statewide indoor gatherings will be limited to 10 people and bars will be closed for indoor service across the state, including in Regions 6 and 8.

"As we see COVID-19 cases continue to rise, Michiganders cannot afford to drop our guard. We must take every step possible to saave lives, protect the brave men and women on the front lines, and avoid overwhelming our healthcare system while we continue to combat COVID-19," said **Governor Whitmer**. "After seeing a resurgence in cases connected to social gatherings across the state, we must further limit gatherings for the health of our community and economy. By taking these strong actions, we will be better positioned to get our children back into classrooms and avoid a potentially devastating second wave."

COVID-19's resurgence is closely associated with super-spreading events at large social gatherings, often attended by young people. An outbreak at a Lansing bar has resulted in 187 infections; more than 50 cases have been linked to a single house party in Saline; and a sandbar party at Torch Lake over the July 4 weekend led to at least 43 confirmed cases. Therefore, Executive Order 2020-160 limits statewide indoor gatherings to 10 people or less and, across most of the state, limits outdoor gatherings to 100. (The outdoor gathering limits will remain at 250 in Regions 6 and 8.)

Executive Order 2020-160 also orders that bars in every region, including those in regions 6 and 8, must close for indoor service if they earn more than 70% of their gross receipts from sales of alcoholic beverages.

Under the governor's orders, Detroit casinos will also be allowed to open on August 5, but their occupancy will be limited to 15% capacity. Casinos must also, among other things, conduct a daily entry screening protocol for customers and employees, temperature screening. Casinos must require patrons to wear a face covering, except while eating or drinking or for identification purposes.

Executive Order 2020-160 will rescind Executive Orders 2020-110, 2020-115, 2020-120, 2020-133, and 2020-143.

Information around this outbreak is changing rapidly. The latest information is available at Michigan.gov/Coronavirus and CDC.gov/Coronavirus.

Subject: MHSAA Update - July 29

To: Zac Stevenson <stevenszoa@tcaps.net>

Dear MHSAA Community,

The Representative Council met this morning to discuss fall sports. Here is a summary of the action taken.

- Approved a “phased-in” approach to fall athletics.
- Eliminated scrimmages in all fall sports; the only occasions where students from different schools would be together is for official games, matches, meets and competitions.
- Finalized the fall sports guidance documents for the safe return to activity. This guidance includes general information along with sport-specific directives for students, coaches, staff, officials and media members. Spectator guidance will be added once those number

of individual limits are finalized by the Governor's office. These documents are posted at mhsaa.com on each sport page and comply with all Executive Orders from Governor Whitmer.

- New competition limits in all fall sports were approved to limit the number of teams and individuals at any one competition site. The concept is fall competition will take place as locally as possible with no large-scale events, invitationals or tournaments. See the fall sport-specific guidance documents for these limits.
- Allowed all low-risk sports to begin practice and competition as scheduled on August 12. This includes golf, tennis, cross country and swimming. Swimming can begin indoor practice and competition once pools are opened with capacity limitations being followed.
- Allowed moderate-risk sports of soccer and volleyball (pending the opening of school gyms) to begin practice as scheduled on August 12 but to delay competition. Decisions on competition timelines (to start or to delay further) would be made on or by August 20.
- Delayed the start of football practice with full player pads and equipment until Monday, August 17. The week of August 10 shall only include practice sessions that consists of conditioning, physical training and skill work but without player equipment other than helmets. This week of acclimatization (August 10-16) is similar to the allowed summer activities with helmets, only, that have been ongoing since June. Decisions on competition timelines (to start or to delay further) would be made on or by August 20.

The MHSAA will continue to be nimble and flexible in these uncertain times. The Council will be meeting regularly and we will continue to provide updates and possible modifications based on the most current information, directives from state government and health department officials and member school feedback.

Thank you.

FOR IMMEDIATE RELEASE

July 29, 2020

Contact: press@mieog.gov

Governor Whitmer Amends MI Safe Start Order to Limit Indoor Gatherings,

Save Lives

Statewide, bars are closed for indoor service and indoor gatherings are restricted to no more than 10 people

LANSING, Mich. – Today, Governor Gretchen Whitmer signed Executive Order 2020-160 and Executive Order 2020-161, amending Michigan's Safe Start Order and issuing revised workplace safeguards. Under the Safe Start Order, starting July 31, 2020, statewide indoor gatherings will be limited to 10 people and bars will be closed for indoor service across the state, including in Regions 6 and 8.

"As we see COVID-19 cases continue to rise, Michiganders cannot afford to drop our guard. We must take every step possible to save lives, protect the brave men and women on the front lines, and avoid overwhelming our healthcare system while we continue to combat COVID-19," said **Governor Whitmer**. "After seeing a resurgence in cases connected to social gatherings across the state, we must further limit gatherings for the health of our community and economy. By taking these strong actions, we will be better positioned to get our children back into classrooms and avoid a potentially devastating second wave."

COVID-19's resurgence is closely associated with super-spreading events at large social gatherings, often attended by young people. An outbreak at a Lansing bar has resulted in 187 infections; more than 50 cases have been linked to a single house party in Saline; and a sandbar party at Torch Lake over the July 4 weekend led to at least 43 confirmed cases. Therefore, Executive Order 2020-160 limits statewide indoor gatherings to 10 people or less and, across most of the state, limits outdoor gatherings to 100. (The outdoor gathering limits will remain at 250 in Regions 6 and 8.)

Executive Order 2020-160 also orders that bars in every region, including those in regions 6 and 8, must close for indoor service if they earn more than 70% of their gross receipts from sales of alcoholic beverages.

Under the governor's orders, Detroit casinos will also be allowed to open on August 5, but their occupancy will be limited to 15% capacity. Casinos must also, among other things, conduct a daily entry screening protocol for customers and employees, temperature screening. Casinos must require patrons to wear a face covering, except while eating or drinking or for identification purposes.

Executive Order 2020-160 will rescind Executive Orders 2020-110, 2020-115, 2020-120, 2020-133, and 2020-143.

Information around this outbreak is changing rapidly. The latest information is available at Michigan.gov/Coronavirus and CDC.gov/Coronavirus.

Dear Coaches,

Please share this information with all of your parents and supporters.

2020 Trojan Booster Bash in the Motor City - CANCELLED! **PLEASE READ THE FOLLOWING EMAIL IN ITS ENTIRETY FOR IMPORTANT INFORMATION REGARDING CURRENT EVENT TICKET HOLDERS, RAFFLE TICKET DRAWING & AUCTION OF TEAM BASKETS AND OTHER AUCTION ITEMS**

Due to the continued restriction on group gatherings, the TCC Athletic Boosters regrets to announce that the 2020 Trojan Booster Bash in the Motor City (scheduled for 8/15/2020) must be cancelled.

Current Event Ticket Holders

If you currently hold a ticket for the 2020 Trojan Booster Bash, you have 3 options to choose from with respect to your ticket:

- Opt to Donate the funds for the ticket purchase to the TCC Athletic Boosters. All funds donated to the Boosters are for the benefit of and used to support each and every athletic programs at TC Central. Please email tctrojanbash@gmail.com to advise of your option to donate the funds for your ticket purchase.
- Opt to Transfer your ticket(s) to next year's Trojan Booster Bash (scheduled for Friday, August 20, 2021 - see below for more details). Please email tctrojanbash@gmail.com **by September 1, 2020**, to request a transfer of your ticket(s) to next year's event.
- Opt to Request a refund for your ticket purchase. Please email tctrojanbash@gmail.com **by September 1, 2020**, to request a refund of your ticket(s).

Current VIP Table Guests

If you had purchased a VIP Table for the 2020 Trojan Booster Bash, you have 4 options to choose from with respect to your VIP Table:

- Opt to Donate the funds for the entire cost of the VIP Table to the TCC Athletic Boosters - see chart, below, for specific breakdowns. Please email tctrojanbash@gmail.com to advise of your option to donate the entire cost for your VIP Table.
- Opt to Donate part of the funds for the VIP Table to the TCC Athletic Boosters (i.e., additional cost of the table in excess of the event entry fee at \$50/guest) - see chart, below, for specific breakdowns. Please email tctrojanbash@gmail.com to advise of your option to donate part of the funds for your VIP Table.

All funds donated to the Boosters are for the benefit of and used to support each and every athletic programs at TC Central.

- Opt to Request a full refund for your VIP Table. Please email tctrojanbash@gmail.com **by September 1, 2020**, to request a full refund of your VIP Table.
- Opt to Transfer your VIP Table to next year's Trojan Booster Bash (scheduled for Friday, August 20, 2021 - see below for more details). Please email tctrojanbash@gmail.com **by September 1, 2020**, to request a transfer of your VIP Table to next year's event.

VIP Table - Donation / Refund Amount

VIP 10-Top	VIP 8-Top	VIP 6-Top	VIP 8-Top Combo
------------	-----------	-----------	-----------------

	(\$750)	(\$500)	(\$400)	(\$250)
	<u>Amount Donated</u>	<u>Amount Donated</u>	<u>Amount Donated</u>	<u>Amount Donated</u>
Opt to Donate Funds (entire cost)	\$750	\$500	\$400	\$250
Opt to Donate Part of Funds	\$250 (\$500 refunded)	\$100 (\$400 refunded)	\$100 (\$300 refunded)	\$50 (\$200 refunded)
Opt to Request Full Refund	\$0 (\$750 refunded)	\$0 (\$500 refunded)	\$0 (\$400 refunded)	\$0 (\$250 refunded)

DEADLINE FOR TICKET HOLDERS & VIP TABLE GUESTS TO SELECT YOUR OPTION IS NO LATER THAN SEPTEMBER 1, 2020. If you have not emailed tctrojanbash@gmail.com by said date, we will defer to donating the funds from your ticket purchase to the TCC Athletic Boosters.

2020 Booster Bash Raffle

The 2020 Booster Bash Raffle will still be held on **August 15, 2020**, via a Facebook Live event at 7:00pm. If you are a current Raffle Ticket Holder for the 2020 Booster Bash, you are STILL eligible to win. Be sure to watch the Facebook Live event on the TCC Athletic Boosters Facebook page (@tccathleticboosters).

The Booster Board will coordinate delivery of the winning proceeds to the Raffle winner(s) during the week of August 17, 2020.

2020 Bash Online Auction

Even though we cannot gather in person, we can still come together and support the outstanding athletic programs of TC Central through the 2020 Bash Online Auction. The Online Auction will feature all the incredible gift baskets supplied by each team as well as some additional items and packages. You won't want to miss out bidding on these items as the Teams and donors really outdid themselves this year!

Bidding will begin August 1st and conclude at 5:00pm on August 15, 2020. Be sure to follow the Boosters Facebook page (@tccathleticboosters), the TC Central Athletics website (www.tccathletics.net) and stay tuned to Booster email updates for the link to the Online Auction website, as well as for detailed information and photos of all the auction items.

Delivery of auction item winnings will be coordinated with the Booster Bash Auction Committee during the week of August 17, 2020.

2021 Trojan Booster Bash

Plans for next year's Booster Bash are already in full swing - be sure to mark your calendar for **FRIDAY, AUGUST 20, 2021** for the 2021 Trojan Booster Bash at the Park Place. More details will be revealed at the first Booster meeting of the year on Monday,

September 14, 2020. Be sure to attend to be the first to hear all about next year's event, meet the new Booster Board and help support Trojan Athletics.

Go Trojans!

....and then we take a step back.... Gov just limited us to 10 people indoors at one time effective Fri 7/31.... see below:

FOR IMMEDIATE RELEASE

July 29, 2020

Contact: press@mieog.gov

Governor Whitmer Amends MI Safe Start Order to Limit Indoor Gatherings, Save Lives

Statewide, bars are closed for indoor service and indoor gatherings are restricted to no more than 10 people

LANSING, Mich. – Today, Governor Gretchen Whitmer signed Executive Order 2020-160 and Executive Order 2020-161, amending Michigan's Safe Start Order and issuing revised workplace safeguards. Under the Safe Start Order, starting July 31, 2020, statewide indoor gatherings will be limited to 10 people and bars will be closed for indoor service across the state, including in Regions 6 and 8.

“As we see COVID-19 cases continue to rise, Michiganders cannot afford to drop our guard. We must take every step possible to saave lives, protect the brave men and women on the front lines, and avoid overwhelming our healthcare system while we continue to combat COVID-19,” said **Governor Whitmer**. “After seeing a resurgence in cases connected to social gatherings across the state, we must further limit gatherings for the health of our community and economy. By taking these strong actions, we will be better positioned to get our children back into classrooms and avoid a potentially devastating second wave.”

COVID-19's resurgence is closely associated with super-spreading events at large social gatherings, often attended by young people. An outbreak at a Lansing bar has resulted in 187 infections; more than 50 cases have been linked to a single house party in Saline; and a sandbar party at Torch Lake over the July 4 weekend led to at least 43 confirmed cases. Therefore, Executive Order 2020-160 limits statewide indoor gatherings to 10 people or less and, across most of the state, limits outdoor gatherings to 100. (The outdoor gathering limits will remain at 250 in Regions 6 and 8.)

Executive Order 2020-160 also orders that bars in every region, including those in regions 6 and 8, must close for indoor service if they earn more than 70% of their gross receipts from sales of alcoholic beverages.

Under the governor's orders, Detroit casinos will also be allowed to open on August 5, but their occupancy will be limited to 15% capacity. Casinos must also, among other things, conduct a daily entry screening protocol for customers and employees, temperature screening. Casinos must require patrons to wear a face covering, except while eating or drinking or for identification purposes.

Executive Order 2020-160 will rescind Executive Orders 2020-110, 2020-115, 2020-120, 2020-133, and 2020-143.

Information around this outbreak is changing rapidly. The latest information is available at Michigan.gov/Coronavirus and CDC.gov/Coronavirus.

Subject: MHSAA Update - July 29

To: Zac Stevenson <stevenszoa@tcaps.net>

Dear MHSAA Community,

The Representative Council met this morning to discuss fall sports. Here is a summary of the action taken.

- Approved a "phased-in" approach to fall athletics.
- Eliminated scrimmages in all fall sports; the only occasions where students from different schools would be together is for official games, matches, meets and competitions.
- Finalized the fall sports guidance documents for the safe return to activity. This guidance includes general information along with sport-specific directives for students, coaches, staff, officials and media members. Spectator guidance will be added once those number of individual limits are finalized by the Governor's office. These documents are posted at mhsaa.com on each sport page and comply with all Executive Orders from Governor Whitmer.
- New competition limits in all fall sports were approved to limit the number of teams and individuals at any one competition site. The concept is fall competition will take place as locally as possible with no large-scale events, invitationals or tournaments. See the fall sport-specific guidance documents for these limits.
- Allowed all low-risk sports to begin practice and competition as scheduled on August 12. This includes golf, tennis, cross country and swimming. Swimming can begin indoor practice and competition once pools are opened with capacity limitations being followed.
- Allowed moderate-risk sports of soccer and volleyball (pending the opening of school gyms) to begin practice as scheduled on August 12 but to delay competition. Decisions on competition timelines (to start or to delay further) would be made on or by August 20.
- Delayed the start of football practice with full player pads and equipment until Monday, August 17. The week of August 10 shall only include practice sessions that consists of conditioning, physical training and skill work but without player equipment other than helmets. This week of acclimatization (August 10-16) is similar to the allowed summer activities with helmets, only, that have been ongoing since June. Decisions on competition timelines (to start or to delay further) would be made on or by August 20.

The MHSAA will continue to be nimble and flexible in these uncertain times. The Council will be meeting regularly and we will continue to provide updates and possible modifications based on the most current information, directives from state government and health department officials and member school feedback.

Thank you.

Mark Uyl

Subject: 2020 Booster Bash - Cancelled
Date: Thursday, July 30, 2020 2:05:06 PM
Importance: High

Hey Everyone –

I am reaching out with a HUGE ASK – We need to get the email below out to all Parent Email Lists. The email was sent by Final Forms but there are a number of Class Of 2020 Parents and Alumni that do not get Final Form Emails anymore since their Student is out of the system. Some of these individuals have Event Tickets, VIP Tables and Raffle Tickets that we need to inform them about not only the cancellation but the plans for the Raffle & Auction. Some TCC Athletic Booster Board Members are getting questions about what is going on for this year and next year. Karen and the New Board have an amazing plan in place, we just need to help with getting this out to everyone.

Also – Please note that Karen Klug, TCC Athletic Booster President, has set up a tccboosterpresident@gmail.com Email Account for you to use in communication with her. I share this with you as two of you shared this morning that the email below went to your Junk Mail Folder. Please add Karen and this Email Address to your Contact List.

As always, we appreciate all you do –

Jeff Heethuis

- Opt to Request a refund for your ticket purchase. Please email tctrojanbash@gmail.com **by September 1, 2020**, to request a refund of your ticket(s).

Current VIP Table Guests

If you had purchased a VIP Table for the 2020 Trojan Booster Bash, you have 4 options to choose from with respect to your VIP Table:

- Opt to Donate the funds for the entire cost of the VIP Table to the TCC Athletic Boosters - see chart, below, for specific breakdowns. Please email tctrojanbash@gmail.com to advise of your option to donate the entire cost for

your VIP Table.

- Opt to Donate part of the funds for the VIP Table to the TCC Athletic Boosters (i.e., additional cost of the table in excess of the event entry fee at \$50/guest) - see chart, below, for specific breakdowns. Please email tctrojanbash@gmail.com to advise of your option to donate part of the funds for your VIP Table.

All funds donated to the Boosters are for the benefit of and used to support each and every athletic programs at TC Central.

- Opt to Request a full refund for your VIP Table. Please email tctrojanbash@gmail.com by **September 1, 2020**, to request a full refund of your VIP Table.
- Opt to Transfer your VIP Table to next year's Trojan Booster Bash (scheduled for Friday, August 20, 2021 - see below for more details). Please email tctrojanbash@gmail.com by **September 1, 2020**, to request a transfer of your VIP Table to next year's event.

VIP Table - Donation / Refund Amount

	VIP 10-Top (\$750)	VIP 8-Top (\$500)	VIP 6-Top (\$400)	VIP 8-Top Combo (\$250)
	<u>Amount Donated</u>	<u>Amount Donated</u>	<u>Amount Donated</u>	<u>Amount Donated</u>
Opt to Donate Funds (entire cost)	\$750	\$500	\$400	\$250
Opt to Donate Part of Funds	\$250 (\$500 refunded)	\$100 (\$400 refunded)	\$100 (\$300 refunded)	\$50 (\$200 refunded)
Opt to Request Full Refund	\$0 (\$750 refunded)	\$0 (\$500 refunded)	\$0 (\$400 refunded)	\$0 (\$250 refunded)

DEADLINE FOR TICKET HOLDERS & VIP TABLE GUESTS TO SELECT YOUR OPTION IS NO LATER THAN SEPTEMBER 1, 2020. If you have not emailed tctrojanbash@gmail.com by said date, we will defer to donating the funds from your ticket purchase to the TCC Athletic Boosters.

2020 Booster Bash Raffle

The 2020 Booster Bash Raffle will still be held on **August 15, 2020**, via a Facebook Live event at 7:00pm. If you are a current Raffle Ticket Holder for the 2020 Booster Bash, you are STILL eligible to win. Be sure to watch the Facebook Live event on the TCC Athletic Boosters Facebook page (@tccathleticboosters).

The Booster Board will coordinate delivery of the winning proceeds to the Raffle winner(s) during the week of August 17, 2020.

2020 Bash Online Auction

- Even though we cannot gather in person, we can still come together and support the outstanding athletic programs of TC Central through the 2020 Bash Online Auction. The Online Auction will feature all the incredible gift baskets supplied by each team as well as some additional items and packages. You won't want to miss out bidding on these items as the Teams and donors really outdid themselves this year!

Bidding will begin August 1st and conclude at 5:00pm on August 15, 2020. Be sure to follow the Boosters Facebook page (@tccathleticboosters), the TC Central Athletics website (www.tccathletics.net) and stay tuned to Booster email updates for the link to the Online Auction website, as well as for detailed information and photos of all the auction items.

Delivery of auction item winnings will be coordinated with the Booster Bash Auction Committee during the week of August 17, 2020.

2021 Trojan Booster Bash

- Plans for next year's Booster Bash are already in full swing - be sure to mark your calendar for **FRIDAY, AUGUST 20, 2021** for the 2021 Trojan Booster Bash at the Park Place. More details will be revealed at the first Booster meeting of the year on Monday, September 14, 2020. Be sure to attend to be the first to hear all about next year's event, meet the new Booster Board and help support Trojan Athletics.

Go Trojans!

....and then we take a step back.... Gov just limited us to 10 people indoors at one time effective Fri 7/31.... see below:

FOR IMMEDIATE RELEASE
July 29, 2020
Contact: press@mieog.gov

Governor Whitmer Amends MI Safe Start Order to Limit Indoor Gatherings, Save Lives

Statewide, bars are closed for indoor service and indoor gatherings are restricted to no more than 10 people

LANSING, Mich. – Today, Governor Gretchen Whitmer signed Executive Order 2020-160 and Executive Order 2020-161, amending Michigan’s Safe Start Order and issuing revised workplace safeguards. Under the Safe Start Order, starting July 31, 2020, statewide indoor gatherings will be limited to 10 people and bars will be closed for indoor service across the state, including in Regions 6 and 8.

“As we see COVID-19 cases continue to rise, Michiganders cannot afford to drop our guard. We must take every step possible to saave lives, protect the brave men and women on the front lines, and avoid overwhelming our healthcare system while we continue to combat COVID-19,” said **Governor Whitmer**. “After seeing a resurgence in cases connected to social gatherings across the state, we must further limit gatherings for the health of our community and economy. By taking these strong actions, we will be better positioned to get our children back into classrooms and avoid a potentially devastating second wave.”

COVID-19’s resurgence is closely associated with super-spreading events at large social gatherings, often attended by young people. An outbreak at a Lansing bar has resulted in 187 infections; more than 50 cases have been linked to a single house party in Saline; and a sandbar party at Torch Lake over the July 4 weekend led to at least 43 confirmed cases. Therefore, Executive Order 2020-160 limits statewide indoor gatherings to 10 people or less and, across most of the state, limits outdoor gatherings to 100. (The outdoor gathering limits will remain at 250 in Regions 6 and 8.)

Executive Order 2020-160 also orders that bars in every region, including those in regions 6 and 8, must close for indoor service if they earn more than 70% of their gross receipts from sales of alcoholic beverages.

Under the governor's orders, Detroit casinos will also be allowed to open on August 5, but their occupancy will be limited to 15% capacity. Casinos must also, among other things, conduct a daily entry screening protocol for customers and employees, temperature screening. Casinos must require patrons to wear a face covering, except while eating or drinking or for identification purposes.

Executive Order 2020-160 will rescind Executive Orders 2020-110, 2020-115, 2020-120, 2020-133, and 2020-143.

Information around this outbreak is changing rapidly. The latest information is available at Michigan.gov/Coronavirus and CDC.gov/Coronavirus.

Subject: MHSAA Update - July 29
To: Zac Stevenson <stevensoza@tcaps.net>

Dear MHSAA Community,

The Representative Council met this morning to discuss fall sports. Here is a summary of the action taken.

- Approved a “phased-in” approach to fall athletics.
- Eliminated scrimmages in all fall sports; the only occasions where students from different schools would be together is for official games, matches, meets and competitions.
- Finalized the fall sports guidance documents for the safe return to activity. This guidance includes general information along with sport-specific directives for students, coaches, staff, officials and media members. Spectator guidance will be added once those number of individual limits are finalized by the Governor’s office. These documents are posted at mhsaa.com on each sport page and comply with all Executive Orders from Governor Whitmer.
- New competition limits in all fall sports were approved to limit the number of teams and individuals at any one competition site. The concept is fall competition will take place as locally as possible with no large-scale events, invitationals or tournaments. See the fall sport-specific guidance documents for these limits.
- Allowed all low-risk sports to begin practice and competition as scheduled on August 12. This includes golf, tennis, cross country and swimming. Swimming can begin indoor practice and competition once pools are opened with capacity limitations being followed.
- Allowed moderate-risk sports of soccer and volleyball (pending the opening of school gyms) to begin practice as scheduled on August 12 but to delay competition. Decisions on competition timelines (to start or to delay further) would be made on or by August 20.
- Delayed the start of football practice with full player pads and equipment until Monday, August 17. The week of August 10 shall only include practice sessions that consists of conditioning, physical training and skill work but without player equipment other than helmets. This week of acclimatization (August 10-16) is similar to the allowed summer activities with helmets, only, that have been ongoing since June. Decisions on competition timelines (to start or to delay further) would be made on or by August 20.

The MHSAA will continue to be nimble and flexible in these uncertain times. The Council will be meeting regularly and we will continue to provide updates and possible modifications based on the most current information, directives from state government and health department officials and member school feedback.

Thank you.

Subject: 2020 Booster Bash - Cancelled
Date: Tuesday, July 28, 2020 9:39:46 AM

Dear Coaches,

Please share this information with all of your parents and supporters.

2020 Trojan Booster Bash in the Motor City - CANCELLED! **PLEASE READ THE FOLLOWING EMAIL IN ITS ENTIRETY FOR IMPORTANT INFORMATION REGARDING CURRENT EVENT TICKET HOLDERS, RAFFLE TICKET DRAWING & AUCTION OF TEAM BASKETS AND OTHER AUCTION ITEMS**

Due to the continued restriction on group gatherings, the TCC Athletic Boosters regrets to announce that the 2020 Trojan Booster Bash in the Motor City (scheduled for 8/15/2020) must be cancelled.

Current Event Ticket Holders

If you currently hold a ticket for the 2020 Trojan Booster Bash, you have 3 options to choose from with respect to your ticket:

- Opt to Donate the funds for the ticket purchase to the TCC Athletic Boosters. All funds donated to the Boosters are for the benefit of and used to support each and every athletic programs at TC Central. Please email tctrojanbash@gmail.com to advise of your option to donate the funds for your ticket purchase.

- Opt to Transfer your ticket(s) to next year's Trojan Booster Bash (scheduled for Friday, August 20, 2021 - see below for more details). Please email tctrojanbash@gmail.com by **September 1, 2020**, to request a transfer of your ticket(s) to next year's event.
- Opt to Request a refund for your ticket purchase. Please email tctrojanbash@gmail.com by **September 1, 2020**, to request a refund of your ticket(s).

Current VIP Table Guests

If you had purchased a VIP Table for the 2020 Trojan Booster Bash, you have 4 options to choose from with respect to your VIP Table:

- Opt to Donate the funds for the entire cost of the VIP Table to the TCC Athletic Boosters - see chart, below, for specific breakdowns. Please email tctrojanbash@gmail.com to advise of your option to donate the entire cost for your VIP Table.
- Opt to Donate part of the funds for the VIP Table to the TCC Athletic Boosters (i.e., additional cost of the table in excess of the event entry fee at \$50/guest) - see chart, below, for specific breakdowns. Please email tctrojanbash@gmail.com to advise of your option to donate part of the funds for your VIP Table.

All funds donated to the Boosters are for the benefit of and used to support each and every athletic programs at TC Central.

- Opt to Request a full refund for your VIP Table. Please email tctrojanbash@gmail.com by **September 1, 2020**, to request a full refund of your VIP Table.
- Opt to Transfer your VIP Table to next year's Trojan Booster Bash (scheduled for Friday, August 20, 2021 - see below for more details). Please email tctrojanbash@gmail.com by **September 1, 2020**, to request a transfer of your VIP Table to next year's event.

VIP Table - Donation / Refund Amount

	VIP 10-Top (\$750)	VIP 8-Top (\$500)	VIP 6-Top (\$400)	VIP 8-Top Combo (\$250)
	<u>Amount Donated</u>	<u>Amount Donated</u>	<u>Amount Donated</u>	<u>Amount Donated</u>
Opt to Donate Funds (entire cost)	\$750	\$500	\$400	\$250
Opt to Donate Part of Funds	\$250 (\$500 refunded)	\$100 (\$400 refunded)	\$100 (\$300 refunded)	\$50 (\$200 refunded)
Opt to Request Full Refund	\$0 (\$750 refunded)	\$0 (\$500 refunded)	\$0 (\$400 refunded)	\$0 (\$250 refunded)

DEADLINE FOR TICKET HOLDERS & VIP TABLE GUESTS TO SELECT YOUR OPTION IS NO LATER THAN SEPTEMBER 1, 2020. If you have not emailed tctrojanbash@gmail.com by said date, we will defer to donating the funds from your ticket purchase to the TCC Athletic Boosters.

2020 Booster Bash Raffle

The 2020 Booster Bash Raffle will still be held on **August 15, 2020**, via a Facebook Live event at 7:00pm. If you are a current Raffle Ticket Holder for the 2020 Booster Bash, you are STILL eligible to win. Be sure to watch the Facebook Live event on the TCC Athletic Boosters Facebook page (@tccathleticboosters).

The Booster Board will coordinate delivery of the winning proceeds to the Raffle winner(s) during the week of August 17, 2020.

2020 Bash Online Auction

Even though we cannot gather in person, we can still come together and support the outstanding athletic programs of TC Central through the 2020 Bash Online Auction. The Online Auction will feature all the incredible gift baskets supplied by each team as well as some additional items and packages. You won't want to miss out bidding on these items as the Teams and donors really outdid themselves this year!

Bidding will begin August 1st and conclude at 5:00pm on August 15, 2020. Be sure to follow the Boosters Facebook page (@tccathleticboosters), the TC Central Athletics website (www.tccathletics.net) and stay tuned to Booster email updates for the link to the Online Auction website, as well as for detailed information and photos of all the auction items.

Delivery of auction item winnings will be coordinated with the Booster Bash Auction Committee during the week of August 17, 2020.

2021 Trojan Booster Bash

Plans for next year's Booster Bash are already in full swing - be sure to mark your calendar for **FRIDAY, AUGUST 20, 2021** for the 2021 Trojan Booster Bash at the Park Place. More details will be revealed at the first Booster meeting of the year on Monday, September 14, 2020. Be sure to attend to be the first to hear all about next year's event, meet the new Booster Board and help support Trojan Athletics.

Go Trojans!

Time Sensitive Update!

Good evening coaches,

Our central office admin team met this afternoon to update our TCAPS return to activity document. Updated items are listed in BLUE and are effective **tomorrow 7/21**. I understand this is short notice and it will take a day or two to fully implement the masks portion, but we want to put this in place asap! Here is the snapshot:

- *ALL Staff will wear cloth face coverings throughout duration of indoor activities*
- *Students and Staff must wear cloth face coverings during screening stations, and outdoors when not in workout sessions. 6' Physical distancing must be maintained at all times*
- *Pre-season parent/player informational (meet the team) meetings, may be in person, outdoors, with 6' physical distancing and with cloth face coverings*
- *TCAPS 9-12 teams may conduct skill-based practice or team building activities off campus with prior administrative approval*

AND:

- *Week 6 UPDATE - Masks required indoors, and at screening stations, and outdoors when not in workout sessions.*
- *Week 7 (July 27) - will continue the same pod work with group activities as in week 4. MHSAA fall sport Covid guidelines expected on July 24. Admin will meet Mon July 27 to review and update per MHSAA guidelines*

•
Week 8 - (August 3) - preseason downtime is still TBD pending MHSAA Rep Council Action on July 29

Please feel free to reach out with any questions!

Zac

Good afternoon Coaches,

Week 5 is in the books! Here are a few notes:

- We still need to do better with distancing and masks... see [#MaskUpMichigan](#). At the beginning of the week, there were still some drills occurring with students too close together. **Six feet of space is STILL required in ALL drills and activities!** This is still the case for week 6 next week. It is a really easy check-in moment to stop, ask athletes to put their arms out, and if they touch they are too close!

- Admin meets on Monday to talk about week 7 and beyond. I do not anticipate any change in distancing requirements until the MHSAA says so.

- MHSAA released an update today (that follows below). A document for Covid policies for fall sports should be released by July 24th. Stay tuned.

- Reminder from last week to bring extra water

- Reminder to Varsity coaches to please update the "[Covid Calendar](#)" for workout times and days

Thank you and have a great weekend!

Zac

Dear MHSAA Community,

We hope this email finds you safe and healthy. Allow us to provide the following update.

Our current plan is MHSAA member schools will begin the 2020-21 school year playing Fall sports as traditionally scheduled, but with contingency concepts for potential interruptions due to the spread of COVID-19.

The Representative Council, our 19-member legislative body, met virtually with MHSAA staff Wednesday (July 15) to discuss a series of ideas for playing sports beginning in August. The Council will meet again July 29 for further discussion on Fall sports. Currently, high school football practices are scheduled to begin Aug. 10, with all other Fall sports to start practice Aug. 12.

The MHSAA is moving forward with a return to play plan for fall sports that follows this progression:

1. Play Fall sports in the Fall, as scheduled.
2. If conditions deem it necessary, delay the start of some or all Fall sports practices and competitions.
3. If conditions only allow some sports, play lower-risk Fall sports with higher-risk Fall sports postponed until later in the school year.
4. If any Fall sport is postponed or suspended, resume the season using a reconfigured calendar that would see a completion of Winter sports, followed by the Fall and Spring seasons potentially extending into July 2021.

Additionally, the Council considered a concept that would swap traditional Fall and Spring sports, but determined that was not a feasible plan. Football, girls volleyball, girls swimming & diving and boys soccer during the Fall are considered moderate or high-risk sports because they include athletes in close contact or are played indoors; they were considered the impetus for potentially switching all Fall sports to Spring. But traditional Spring sports - girls soccer and girls and boys lacrosse - carry similar risk, negating the value of making that full season switch. Moving only selected sports, like all low-risk sports to Fall, was not considered sound because it would force student-athletes to pick between sports they've previously played and would have created new problems for many students.

Plans remain reliant on progression by schools and regions across the state according to Governor Gretchen Whitmer's MI Safe Start Plan. Currently two regions are in Phase 5, which allow for limited indoor activity, while the rest are in Phase 4 and unable to host indoor training, practice or competition. "MHSAA Summer Guidance # 2" issued on June 9 continues to be the regulations for all summer activity for member schools and coaching staff personnel.

Our student-athletes just want to play, and we've gone far too long without them playing. Remember that doing so safely, of course, remains the priority. Our plan moving forward is Fall in the Fall, starting on time. We're excited to continue moving forward to bring back sports safely. It's important for keeping students in our schools and keeping students in our sports programs. We remain grateful to the Governor for the opportunity to build the schedule and policies for returning sports to schools. We will continue to support her directives and those of the state and local health departments as we work to create the safest environment for all involved in our activities.

The MHSAA staff is building COVID-related policies for all Fall sports and will make those guidelines and precautions available to member schools by July 24. Those policies will follow up what was presented to schools for summer offseason training, which began June 1 across the state and has seen thousands of student-athletes participate.

Please look for our next update on Fall sports to be provided following the July 29 Representative Council meeting.

As we heard from the head coaches at the University of Michigan and Michigan State University during the Governor's Wednesday press conference, we ALL need to continue to do our part NOW for sports to return in the coming weeks and months.

Thank you.

Mark Uyl
MHSAA Executive Director

Good morning!

Here is an update regarding the EO with masks indoors or outdoor gatherings where distancing is a challenge. Classrooms (and our practice spaces are not considered "public places").

FYI - According to Martin Ackley, Director of Public and governmental affairs for MDE, regarding last week's executive order:

"According to the governor's office, for the purposes of today's executive order, classrooms are not considered public spaces."

On Fri, Jul 10, 2020 at 10:33 AM Zac Stevenson <stevensoz@tcaps.net> wrote:

Good morning Coaches!

Week 4 is almost in the books and it looks like we have had a lot of great activities!

Here are a few updates:

- TCAPS emails: apparently they expired on June 30. I have sent an updated list to IT to reactivate, but it might take a few days (hence why I have been including your personal emails)

- Summer Heat! - Please remind students to bring plenty of water. At least a gallon...two may be better! Also encourage them to bring their own towel...write their name on the edge...maybe two towels, and even an extra t-shirt!

- With a spike in cases, it is imperative that we are using masks. Certainly high aerobic activity is an exception. We also need to be more diligent in 6' spacing. While we are typically doing well, we do have moments where kids may be too close. A good check throughout practice is the "arm's out - fingertip rule." Stop where you are...everyone put

their arms out. If you are touching someone, you are too close.

- Please be diligent in your structure of skills and drills. I have seen a few drills this week that have kids too close together. Some of these have turned up on social media pages. While it may only be for a moment (setting a screen in a shell offense, lining up for a drill, or even lining up at screening check in) people are watching!

- Varsity Coaches, please make sure you update the "Covid Calendar" with your weeks 4-6 dates and times.

- Some parents are really pushing travel team games and tournaments. It is tough to see community baseball and softball fields full while we continue with restrictions. Here is a good reply if you are feeling/hearing any push back:

Gatherings of this nature violate the Governor's current Executive Order. We can not as a staff support this event and hope that parents and players will respect the efforts taken to help ensure school starts on time in the fall, and that sports are not interrupted or canceled next year. Please remember that we must currently maintain six feet of space in all settings and masks should be worn. Playing in contests or scrimmages for school purposes is currently prohibited by the MHSAA for the same reasons above. While we see several summer activities by outside organizations ongoing that are currently operating in opposition to EO, we must do our part in following the protocols in place. We are all anxious to get back to playing, but please be patient to help ensure our next season.

- MHSAA and Rep Council meet throughout next week regarding plans for next year. Hopefully we hear more near July 20th. With the BIG announcement yesterday, Ivy League cancelling, New Mexico postponing all fall contact sports, and a Dallas Supt saying Texas HS football is doubtful, the trend is starting to move backwards. Fingers crossed!

More info should follow soon with updates from the MHSAA. Keep an eye out for an impromptu google meet when that info comes out.

Thank you for all of your hard work during a challenging time!

Zac

Our student-athletes just want to play, and we've gone far too long without them playing. Remember that doing so safely, of course, remains the priority. Our plan moving forward is Fall in the Fall, starting on time. We're excited to continue moving forward to bring back sports safely. It's important for keeping students in our schools and keeping students in our sports programs. We remain grateful to the Governor for the opportunity to build the schedule and policies for returning sports to schools. We will continue to support her directives and those of the state and local health departments as we work to create the safest environment for all involved in our activities.

The MHSAA staff is building COVID-related policies for all Fall sports and will make those guidelines and precautions available to member schools by July 24. Those

policies will follow up what was presented to schools for summer offseason training, which began June 1 across the state and has seen thousands of student-athletes participate.

Please look for our next update on Fall sports to be provided following the July 29 Representative Council meeting.

As we heard from the head coaches at the University of Michigan and Michigan State University during the Governor's Wednesday press conference, we ALL need to continue to do our part NOW for sports to return in the coming weeks and months.

Thank you.

Mark Uyl
MHSAA Executive Director

Good morning!

Here is an update regarding the EO with masks indoors or outdoor gatherings where distancing is a challenge. Classrooms (and our practice spaces are not considered "public places".

FYI - According to Martin Ackley, Director of Public and governmental affairs for MDE, regarding last week's executive order:

"According to the governor's office, for the purposes of today's executive order, classrooms are not considered public spaces."

On Fri, Jul 10, 2020 at 10:33 AM Zac Stevenson <stevensza@tcaps.net> wrote:

Good morning Coaches!

Week 4 is almost in the books and it looks like we have had a lot of great activities!

Here are a few updates:

- TCAPS emails: apparently they expired on June 30. I have sent an updated list to IT to reactivate, but it might take a few days (hence why I have been including your personal emails)

- Summer Heat! - Please remind students to bring plenty of water. At least a gallon...two may be better! Also encourage them to bring their own towel...write their name on the edge...maybe two towels, and even an extra t-shirt!

- With a spike in cases, it is imperative that we are using masks. Certainly high aerobic activity is an exception. We also need to be more diligent in 6' spacing. While we are typically doing well, we do have moments where kids may be too close. A good check throughout practice is the "arm's out - fingertip rule." Stop where you are...everyone put their arms out. If you are touching someone, you are too close.

- Please be diligent in your structure of skills and drills. I have seen a few drills this week that have kids too close together. Some of these have turned up on social media pages. While it may only be for a moment (setting a screen in a shell offense, lining up for a drill, or even lining up at screening check in) people are watching!

- Varsity Coaches, please make sure you update the "Covid Calendar" with your weeks 4-6 dates and times.

- Some parents are really pushing travel team games and tournaments. It is tough to see community baseball and softball fields full while we continue with restrictions. Here is a good reply if you are feeling/hearing any push back:

Gatherings of this nature violate the Governor's current Executive Order. We can not as a staff support this event and hope that parents and players will respect the efforts taken to help ensure school starts on time in the fall, and that sports are not interrupted or canceled next year. Please remember that we must currently maintain six feet of space in all settings and masks should be worn. Playing in contests or scrimmages for school purposes is currently prohibited by the MHSAA for the same reasons above. While we see several summer activities by outside organizations ongoing that are currently operating in opposition to EO, we must do our part in following the protocols in place. We are all anxious to get back to playing, but please be patient to help ensure our next season.

- MHSAA and Rep Council meet throughout next week regarding plans for next year. Hopefully we hear more near July 20th. With the B1G announcement yesterday, Ivy League cancelling, New Mexico postponing all fall contact sports, and a Dallas Supt saying Texas HS football is doubtful, the trend is starting to move backwards. Fingers crossed!

More info should follow soon with updates from the MHSAA. Keep an eye out for an impromptu google meet when that info comes out.

Thank you for all of your hard work during a challenging time!

Subject: Introduction - New TCCAB Treasurer
Date: Wednesday, July 15, 2020 4:54:54 PM

TCC Head Coaches:

My name is Jon Elliott and I am the new TCC Athletic Board Treasurer replacing Sarah West. I am reaching out to not only introduce myself but also to provide some feedback on my experiences volunteering as the Hockey and Girls' Soccer Treasurer.

Very little will change in terms of how you or your treasurer will interact with me. My intent is to keep the same 'rhythm of business'. The processes and forms put into place by Sarah will remain the same. I'll provide my personal contact information below but know that the tccboostertreasurer@gmail.com email address will now be monitored by me.

I will check the booster email account on Tuesdays and Thursdays. I will stop by the AD's office on Fridays or Mondays. This should help you or your treasurer to plan accordingly. There will be exceptions for sabbaticals and work commitments, but this will generally be the rhythm. As I mentioned, not unlike Sarah's.

My experiences managing the budgets and financials for the hockey and girls' soccer teams has provided insights into what works well, and what does not. My first piece of advice is to assign a parent (guardian) who is capable and make them your treasurer...if you do not already have one. (I'm willing to train them.) The second is more specific and involves fundraisers with large amounts of checks and cash. My advice would be to convert to a cashier's check before dropping in the safe. It is easier on everyone in terms of accountability.

I have a couple of asks.

1. Please assign one person from your team(s) to work with me. It will be much easier to resolve issues with a single point of contact.
2. Please forward this email to your treasurer if you have one and copy me. I'll keep track of each treasurer representative from each team. If I don't see an email, I'll assume the coach is the treasurer.

Thanks for all that you do. I have had the pleasure of coaching travel soccer and alpine skiing and I know the level of dedication required. Your efforts impact so many young people and are greatly appreciated. I had the good fortune of having a great coach who mentored me as a young man, lacking confidence, and gave me the opportunity to prove myself. Three years later I was a state champion. (...and I'd be remiss if I didn't put in a plug for the past and future success of the Trojan Alpine Ski Team.) You make a difference.

Find my personal contact information below but please use it only for emergencies.

Jon Elliott

Subject: Incentivized Opportunity with Children's Advocacy Center
Date: Monday, July 13, 2020 10:02:59 AM

Coaches -

Many of you and many of your teams have been through our SafeTeam sexual abuse prevention training. I'm reaching out to see if you and your staff would consider participating in an important research project being run by the Children's Advocacy Center (see project details below). Every participant receives a \$50 gift card (not sure where from). As coaches you would participate in the "Professional Sector" on 7-27/29/31, OR "Men's Only" session if you're a) male and b) can't attend Professional session. If you're a current coach, please forward to your staff. If you or any members of your staff are interested in participating, please email me @ jigsduts@gmail.com with the following info:

Name, email, county you live in

I'll get you setup with the CAC for the virtual sessions.

It's an incredibly tumultuous time in our world...especially for victims of child sexual abuse who have been/are being quarantined with their abusers. Please help us help them.

Thank you! Jen Dutmers

-Traverse Bay Children's Advocacy Center is partnering with Michigan State University to design and implement a **public will campaign to end child sexual abuse**. Our first step is to learn more about what people in our community think about child safety. In collaboration with the Office of Survey Research at MSU, we mailed a Child Safety Survey to residents in the six counties served by the TBCAC. We received **750 responses to our survey** and would like to share the results with you. We want to hear your reactions to the data. We need your input to help us design the next steps in the campaign. This process is known as "participatory action research." It involves researchers and members of a community working together to understand a problematic situation in order to change it for the better. We're asking for your help. **Would you be willing to commit to participating in 3 zoom sessions lasting 90-minutes each?**

Session dates and times:

- **Professional sector (Those engulfed in the child sexual abuse realm & Educators): July 27, 29, 31 10-11:30 am**
- **General Public: July 27, 29, 31 1-2:30 pm**
- **Men Only: August 3,5,7 from 10:00 - 11:30 am**
- **Child Sexual Abuse Survivors: August 3,5,7 1-2:30 pm**

During the sessions, we'll present survey data, invite you to share your insights, and brainstorm ideas for how communities can work together to keep children safe. Sometimes when people hear the word data their first response is, "That sounds dry and boring." Not so this time. We promise to make it fun. **You'll also receive a \$50 gift card** after the final session as our way of saying, "Thanks!" This is important work – **we need diverse voices like yours** if we are going to truly move the needle and end child sexual abuse. The sessions will be facilitated by Heather McCauley, ScD, Assistant Professor, MSU School of Social Work along with other members of our team. All we ask is that you commit to attending all three sessions and to engaging in minimal pre- and post-learning. We hope you will join us in building safe communities for children.

Good morning Tracy,

If we are to have a close out get together is there a way for me to get the varsity certificates and letters? I have the MHSSCA Academic Allstate certificates with me but nothing else.

Thoughts?

Enjoy the summery day!

No not you! The Park Place has been good to work with but they can't seem to make this work for us.

I will get a check and get it to you.

Thank you so much.

Hello Dawn and this is the gift that keeps giving.....I have spoken with the Park Place and they are standing by their position that this was communicated to our contact. I had a check from the Boosters that night but was told we had a zero balance so I did not write it out. I know the Boosters will cover but do I have them write TCAPS a check?

Nate

Hi Tracy and Nate,

Just wanted to check on this as it is from the February statement. Is there an update? I don't see where the Park Place has credited this so hoping Boosters would cover as this would not be an approved purchase because of our GASB-84 state account standards. Please advise!
Really hoping Park Place credits this!

Thank you everyone that was able to attend on short notice. I understand the first meeting link I sent had a period at the end of it that made it an invalid link...apologies for the error. Here is the recording of the meeting in case you could not attend or log on.

A practice schedule with screening times has been created by head coaches and will be shared. If you are going to screen and could not attend today, please contact me asap.

I have also attached the letter home to parents and the Return to Activity Guideline document.

Letter: <https://drive.google.com/file/d/1yUbyMomIyQxYpv68urebQqN9QLKZkzhh/view?usp=sharing>

Guidelines: https://drive.google.com/file/d/1pxKflv1PGMJQZFK4aG_zELIPTciwPOKc/view?usp=sharing

Final Forms Tutorial: <https://drive.google.com/drive/u/0/search?q=zdq-ets>

Please let me know if you have questions!

Zac

The recording and chat transcript are now available.

Subject: Important Update!!
Date: Tuesday, June 9, 2020 4:49:59 PM

Good afternoon everyone....great news!!

We can begin working with our students on Mon June 15th! There are a number of items we need to follow for this to occur which includes a **mandatory training with me** to review our guidelines, screening process and other particulars. We will meet online tomorrow **Wed 6/10 at 12:00pm**. Anyone that intends to work with students must attend tomorrow to ensure our training processes are followed. If you are unavailable at noon, please contact me asap to make other arrangements, or you may have a delay in working with students.

I have included a video tutorial for how to create attendance "pods" in Final Forms. It may be helpful for you to look at this ahead of time, but it is easy to use. (We walked through this last week for those that attended our Tuesday meeting). A coach in each group must be designated as the screener each day and it will help to have two (one recorder and one person screening). More details on that tomorrow. Here is the tutorial: <https://drive.google.com/file/d/1jMcRJAMln9dvXSrFZaIMmtsWuVfUP32v/view>

Here is the meeting link for tomorrow: <https://meet.google.com/csu-sosi-vwy>

Excited to get back to business!

Subject: Re: Fix on Coach Credit Card - taxes
Date: Thursday, June 4, 2020 11:29:20 AM

Good morning Dawn,

I wrote a check on May 8th but forgot to send it. May I walk it over as I am across the street? One question however, I have that I owe \$24.96 total owed not \$19.01. If i can walk it over I will do so today.

On Thu, Jun 4, 2020 at 10:59 AM Tracy Welch <WelchTr@tcaps.net> wrote:

Nate:

- Sales tax paid on two Epic Sports purchases (\$11.57 and \$7.44)
Total \$19.01

Please submit a personal check to the athletic office or directly to Boardman (Dawn Smith) for \$19.01 made out to TCAPS.

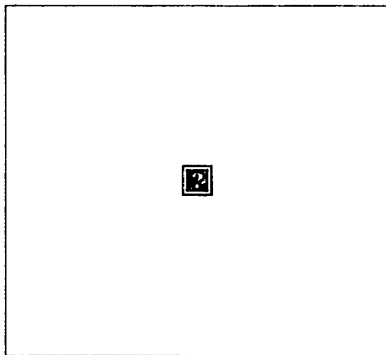

Please let me know when you have submitted the check so I can follow up on it.

Thank you!

Dear MHSAA Community,

We hope this email finds you and your family safe and healthy.

Please see the cover memo with an important update and the MHSAA/NFHS Guidance for Reopening School Sports document at this link:

[Guidance 05-29-20.pdf](#)

The MHSAA will continue to provide regular updates and information in the days ahead during these unprecedented and fluid times.

Thank you.

Subject: Fwd: MHSAA Update - May 29
Date: Friday, May 29, 2020 1:38:39 PM

Just received from the MHSAA. Clear guidance that we are still not allowed to have in person contact until **at least** June 12, but gives us recommendations on what the phases of contact will look like when we do begin to open! More info to follow!

Subject: MHSAA Update - May 29
To: Zac Stevenson <stevenszoa@tcaps.net>

Dear MHSAA Community,

We hope this email finds you and your family safe and healthy.

Please see the cover memo with an important update and the MHSAA/NFHS Guidance for Reopening School Sports document at this link:

[Guidance 05-29-20.pdf](#)

The MHSAA will continue to provide regular updates and information in the days ahead during these unprecedented and fluid times.

Thank you.

Mark Uyl

Attachments: Rep Council Summary 19-20.pdf

Thank you to everyone that could join us on Tuesday for our bi-weekly info update!

I have attached the Rep Council summary and highlighted points we discussed. Also note that the Health questionnaire and registration is open in Final Forms for next fall.

The MHSAA sent a message today that guidelines will be coming next week related to the MHSAA/NFHS and CDC guidelines for resuming sports. This is all contingent on the Governor lifting restrictions on schools (which is more stringent than her opening restaurants and 10 person 'personal' gatherings!)

Have a great weekend and thank you for all that you do!

Zac

Subject: Plan to Return to Full Capacity/LAO 50
Date: Tuesday, May 19, 2020 8:18:23 AM

Good morning,

As most of you know the courts are in the process of writing administrative orders (4 phases) to reopen the courts. The process is complex, involving gating criteria.

We are offering to partner in all three counties with District Court, Probate Courts and Family Divisions.

Gating criteria means that we must review our local COVID-19 data and statistics and meet specific criteria prior to submitting our Administrative Orders. The first Administrative Order cannot be submitted until the Executive Order to Stay Home Stay Safe ends on May 28. Each phase will last a minimum of 14 days. As long as our local data is moving in a downward trajectory, we would be eligible to request to move through these "gates". If we see upward movement in our numbers, we must be prepared to move backwards in the phase process. At that point, we can re-open our buildings while still complying with the 10 person per space rule and social distancing.

SCAO requires that all courts in Michigan must follow this process. This process will look different for other courts having different community dynamics related to COVID numbers.

While we work through this process please remember that we are trying to comply with the Governor's orders, SCAO and each health department.

We will continue to use Zoom to manage our dockets and will keep everyone updated as changes are made. After we submit our first Administrative Orders and get approval, we will share that with all of you.

Thank you for your patience

Tracy,

I have added Tax payment info for you. I had parents help with Senior stuff and it was a bit clunky. I paid last month's tax on this check as well.

FYI-

Nate

Attention TCC Trojan Boosters –

We are moving our May 4th Annual Booster Meeting to a Virtual Setting via Zoom. Please accept this invitation and plan to attend virtually. If you cannot attend, please "forward" this Meeting Invite to an Assistant Coach or Parent Rep who can attend in your place. We will be electing our new Board so attendance by all Teams is critical.

One Request – Please Do Not Mass Email This Invite Out - Only Send It To Your Assistant Coaches, Booster Parent Rep Or Parents You Know Attend Booster Meetings Normally... To ensure a secure platform, our Booster Secretary will be sharing a general Meeting Notice with the Public, General Membership, General Email Lists and Social Media. This notice will ask them to communicate with the Booster Secretary if interested in attending and they will then send the Meeting Invite to them.

All Log-In Information For This Meeting Is Below –

We look forward seeing everyone "virtually" on May 4th –

TCC Booster Board

Subject: This week in TCC Athletics!
Date: Saturday, April 25, 2020 1:09:28 PM

Greetings Trojans!

We hope the first week of virtual learning has gone well for everyone. Students, please make sure you continue to engage in all of your classes so that you earn all of the credits from this semester.

Last week we shared that for those student athletes considering participation at the next level, the NCAA has made adjustments to the clearinghouse process. To clarify, essentially, our 'credit' classes will count as a 2.33 towards your GPA, **only** if it **helps** your overall GPA. If your overall GPA is higher than a 2.33, it will remain what it currently is, it will not lower! Here is a link to those updates: <https://files.constantcontact.com/e520d728001/fc8ef7b4-910c-4923-87d0-ad42468f360a.pdf>

Please feel free to reach out with any questions related to this!

Again, we suggest that you take at least 30 minutes every day to exercise hard... go for a run, play a game in the yard, dance, treadmill, anything to get moving...

With online learning in full swing, we are not offering daily suggestions again this week, but we do share some great free Leadership Training opportunities:

Students

Wednesday, April 29 (5pm ET) - "[College Recruiting and Social Media](#)"
Thursday, April 30 (5pm ET) - "[Become Your Team's Most Valuable Leader](#)"
Sunday, May 3 (5pm ET) - (Repeat) "[College Recruiting and Social Media](#)"

Coaches

Wednesday, April 29 (1pm ET) - "[Selecting & Developing Captains](#)"
Thursday, April 30 (1pm ET) - "[Effective Communication for Staff, Players, and Parents](#)"
Sunday, May 3 (1pm ET) - "[Developing Team Leadership](#)"

Have a great week, stay Healthy, stay Active, stay Engaged!

Go Trojans!!

YES!!

On Thu, Apr 23, 2020 at 4:04 PM Erin Peters <ecpeterstc@yahoo.com> wrote:

Hello TCC Trojan Boosters,

I hope everyone is safe and healthy. Thank you for taking the time to read our emails and your continued support of our Trojan Athletes!

Our May 4th Annual Booster meeting will be in a virtual setting via Zoom. In order to ensure a secure platform, please **EMAIL ME Privately** (ecpeterstc@yahoo.com), if you would like to be added to the email invite list with the Zoom link.

Details regarding May Meeting:

-We need to have a quorum at this meeting so

attendance by each team is **KEY!** (All Head coaches will automatically receive the Zoom meeting link via email).

-If you know someone who would be interested in participating in TCC Athletic Booster meetings and I do not have their contact, please **EMAIL ME Privately** (ecpeterstc@yahoo.com) with their name and email. ***Please do NOT mass email or forward the zoom link.** This ensures we have a secure platform for the meeting.

-I will email May's Preliminary Agenda and March Meeting minutes again to those receiving Zoom invite a few days prior to May 4.

-May's meeting serves as our Annual meeting per our By-laws with the election of new Board Members. All Board Member positions are up for new election. We currently have some formal nominations, but if you or know someone who would be interested in representing Trojan Athletics on the Booster Board, please **EMAIL Jeff Heethuis** (Jeff.heethuis@jostens.com) by May 3rd and we will get names on the ballot.

-Clarification on Board positions: President and Vice-President are 1 year terms. Secretary and Treasurer are 2 year terms.

All current board members plan to stay around

and help with transition.

Thank you for all your hard work in supporting Trojan Athletes. Stay healthy and safe.

Go Black and Gold!□□□

or

2) LIST OF WHAT SENIORS OWE

I need this by **Wed, April 22nd**. I have only heard from 3 coaches so far....

Thank you!!!

On Tue, Apr 14, 2020 at 3:20 PM Tracy Welch <WelchTr@tcaps.net> wrote:

LAST CALL...

If you have any **SENIOR ATHLETES** who still owe fees, uniforms, equipment, etc for your teams... **please email me a list by next Wednesday, April 22nd...** OR reply only to me (no obligations) and I'll cross you off my list.

CHS is putting together a list of Senior Obligations... we are planning to do a Drop Off/Pick Up for the Seniors in mid-May.

We'd collect any payments, uniforms, equipment, etc on that date when they come pick up their caps/gowns and other items.

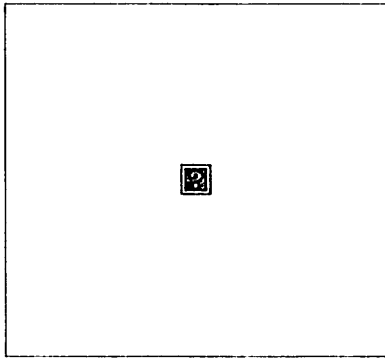

I will also be working on **Winter Sports Awards** (certificates, letters, pins, etc) and these will go in the SENIOR Packets at the Pick Up Time (mid-May). Jesse has gotten many requests from Senior Parents to have all awards given out during the Pick Up Time so families can have them for Graduation Parties. You can still celebrate these Senior Athletes at your Banquets in the future but we will get them their athletic awards in May.

This is the same for **Spring Sports Awards - SENIORS ONLY**. I'll send out more info on that soon... to request what would be needed.

Thank you!
Tracy

Subject: Fwd: This week in TCC Athletics! (A couple days early!!)
Date: Friday, April 17, 2020 1:59:50 PM

Traverse City Central High School via FinalForms

Hello Trojans!

We hope everyone is well! We are seeing and hearing great stories - such as celebrating our signing day Seniors, trick shot videos, and team hype challenges. As we prepare for next week to embark on our formal and virtual return to school, we will move away from daily engagement activities, and instead we have three topics to discuss with you prior to the start of the week.

First, the education pause is over. A little down time is healthy for all of us, but starting this week, it is time to get back to your academics. Let's finish strong!

Current 9th, 10th, and 11th graders playing fall and/or winter sports, your eligibility will still be determined by your adequate academic progress from this current semester per MHSAA rules. Student athletes who wish to play at the next level after TCC, these second semester courses will be used (counted) by the NCAA and NAIA. The NCAA announced today that pass/fail or credit/no credit courses will be treat as a 2.33 GPA for clearinghouse purposes (CR/NCR was formerly treated as a 1.0 by the NCAA). For the MHSAA, you must have passed or completed at least 66% of your course load. Simply said, just like in sports, there are no free passes. Do your best at what you are being asked to do. It's

pretty simple really, and we know you can do it!

Second, we hope all of you have taken your coaches' advice about staying active and engaged in suggested team workouts. It will certainly help you physically and mentally through these challenging times. If you do nothing to maintain your core strength and conditioning, it will create a gap that can be tough to make up when we can resume our formal strength and conditioning training sessions. How you approach this individually is going to be a big key in your future success. It is truly on you until we can be together again!

Third, whenever we can get back together, it will not be exactly the same. We cannot predict what may be different because this is tied to when and what we will be allowed to do when we return. However, please start to wrap your mind around the idea that if we want to achieve at the highest level possible, all of us will need to adjust.

Mon - Fri (April 20-24) - start here with this short video clip:
<https://www.youtube.com/watch?v=KqzLzbd-zT4>

Athletes: Make your bed! Engage in all of your course work. Take at least 30 minutes every day to exercise hard.. go for a run, play a game in the yard, dance, treadmill, anything to get moving... and think about snap chatting or creating a tik tok clip to show everyone how creative you can be!!)

Coaches: Make your bed! Check in with your athletes throughout the week to see how virtual school is going. Share any creative clips your team creates on your team page

Parents: Make your bed! Help your student engage - set up a quiet office space, check in on their course work, help create a daily routine (maybe actual times for specific coursework and workouts), and join in on the video fun!! (if you need an example...ask Mrs Welch!!)

SPRING FEES NOTE: A special thank you to Sarah West and Mrs. Welch for their time on processing Spring fee reimbursements last week. Spring parents, you should see a check in your mail box in the next couple days as these were sent to Central Office earlier this week. We are hopeful that they hit the post office today!

Stay healthy and safe. Be good to yourself and others!

Go Trojans!!

Thank you,
Zac Stevenson

Good evening senior families!

Just a reminder that Signing Day is tomorrow Wed 4/15 at 11am! Here is a link to the google meeting:

<https://meet.google.com/fzn-nabi-ycn>

And some important points:

- **Use your tcaps email address to join** (*parents and friends will need a google account to join the meet*)
- When you join, make sure you mute your mic, and make sure your video is on
- Decorate your background with TCC gear and items from the school you are attending next fall
- Have a table set up where you can "sign" your letter (you can use the attached National Letter of Intent)
- Share the link with friends and family that you would like to have watch live *with a google account* (we will also record this and post it on our social media and web pages)
- Share the link with a coach(es) from your new school to join (and say a few words if they wish!)
- I will introduce the event and then our first coach. Pin that coach to your screen. When that coach is finished, pin that athlete while they sign. I will introduce the next coach, and repeat the process
- We will go in this order so that you can be ready when it is your turn: Sophie, Olivia R, Leah, Carolynn, Henry (recognition, but signing later with Calvin), Riley, Cassidy, Kurt, Olivia F
- If you have any connectivity issues, please let me know asap so that we can work on a solution
- Have fun! Take screen shots! Have someone in your house take photos! Send me the photos for our media pages
- At the end, we will all unmute and have a collective cheer, applause, celebration

Please feel free to contact me if you have any questions!

Congrats!!

Good afternoon Seniors!

While we are saddened today at the loss of spring sports and no formal end to the winter for our hoops team, we do have some short term moments to look forward to in Athletics!

Our last National Signing Day of the year was scheduled for Wed 4/15. We would like to organize a 'Virtual' signing day and you have been identified as a Senior who has, or may commit to play somewhere next year.

We would like to set up a zoom or google meeting for everyone to log on. You would set up your best Trojan background and/or with your school logos at a table where you can "sign" your letter. A blank sample is attached.

We will record it and post it on our webpage and social media feeds and if you have people in your life that you would like to add to the group to see it live, we will include the zoom or google address for you to share with them.

If you have connectivity issues, please let us know asap so we can work on a solution for you.

If someone you know is signing that was not already recognized in the fall or winter, and is not included in this email, please let us know so we do not miss anyone!

Thank you!

Subject: Senior Obligations - needed by Wed, April 22
Date: Tuesday, April 14, 2020 3:20:44 PM

LAST CALL...

If you have any **SENIOR ATHLETES** who still owe fees, uniforms, equipment, etc for your teams... **please email me a list by next Wednesday, April 22nd...** OR reply only to me (no obligations) and I'll cross you off my list.

CHS is putting together a list of Senior Obligations... we are planning to do a Drop Off/Pick Up for the Seniors in mid-May.

We'd collect any payments, uniforms, equipment, etc on that date when they come pick up their caps/gowns and other items.

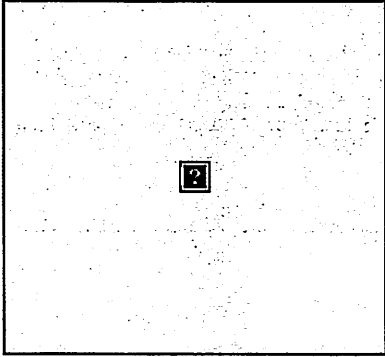

I will also be working on **Winter Sports Awards** (certificates, letters, pins, etc) and these will go in the SENIOR Packets at the Pick Up Time (mid-May). Jesse has gotten many requests from Senior Parents to have all awards given out during the Pick Up Time so families can have them for Graduation Parties. You can still celebrate these Senior Athletes at your Banquets in the future but we will get them their athletic awards in May.

This is the same for **Spring Sports Awards - SENIORS ONLY**. I'll send out more info on that soon... to request what would be needed.

Thank you!
Tracy

FinalForms: <https://traversecity-mi.finalforms.com/>

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that proper record-keeping is essential for ensuring the integrity and reliability of financial data. This section also highlights the role of internal controls in preventing errors and fraud.

Next, the document addresses the challenges of managing complex financial systems. It notes that as organizations grow, the volume and complexity of their financial data increase significantly. This complexity can lead to inefficiencies and errors if not properly managed.

The document then discusses the importance of data security and privacy. It stresses that financial data is highly sensitive and must be protected from unauthorized access and disclosure. This section outlines various security measures and best practices for safeguarding financial information.

Finally, the document concludes by emphasizing the need for continuous improvement and innovation in financial management. It suggests that organizations should regularly evaluate their financial processes and systems to identify areas for improvement and implement new technologies and practices.

In summary, this document provides a comprehensive overview of the key issues and challenges in financial management. It offers practical insights and recommendations for organizations seeking to optimize their financial operations and ensure the accuracy and security of their financial data.

The following sections provide a detailed analysis of each of the topics discussed above, including a review of current practices and a comparison of alternative approaches.

The first section, titled "Record-Keeping and Internal Controls," provides a detailed overview of the various methods and tools used to maintain accurate financial records. It also discusses the design and implementation of internal control systems to minimize the risk of errors and fraud.

The second section, "Managing Complex Financial Systems," explores the challenges of scaling financial systems and the role of automation and integration in addressing these challenges. It also discusses the importance of data quality and consistency in complex systems.

The third section, "Data Security and Privacy," provides a detailed overview of the various security threats and vulnerabilities that can affect financial data. It also discusses the various security measures and best practices that can be used to protect financial information from unauthorized access and disclosure.

The final section, "Continuous Improvement and Innovation," discusses the various factors that can drive innovation in financial management, including changes in technology, market conditions, and regulatory requirements. It also provides a framework for evaluating and implementing new financial management practices and technologies.

Tracy,

Please see the attached. I am aware of the tax. Epic would not accept our tax exempt form as offered. I will have to write checks to cover when we can get back together.

It's official. We are done.

I am sad and a little bewildered as I read this and am immediately forwarding to you, so I have not really had time to digest this. I know many of you will feel this and so will our kids.

Thank you for how wonderful and positive you have been with our kids and let's keep that going! Positive messages, keep sending workouts, let's think about maybe hosting an event when we are finally cleared to return. Maybe a track meet with all of the spring teams followed by a slow pitch softball tournament for all spring kids and maybe a soccer tourney or golf event.... just brainstorming.

Next week I am working on a date for Varsity coaches to meet virtually and we will also follow with a spring coaches meeting. Watch for a doodle poll for you availability.

Thank you for all you do...
Head up...
Next play.

Zac

MHSAA press release:

MHSAA Cancels Remainder of 2019-20 Winter & Spring Seasons

EAST LANSING, Mich. – April 3 – The Michigan High School Athletic Association has canceled the remainder of the 2019-20 Winter and Spring sports seasons, in compliance with the Thursday (April 2) "state of disaster" directive by Gov. Gretchen Whitmer closing school buildings and moving education online for the remainder of the school year to help decrease the spread of the COVID-19 coronavirus.

This will be the first school year to not see MHSAA Finals played in multiple sports since 1942-43, when World War II led to the elimination of Finals in most sports.

The MHSAA on March 12 suspended its girls and boys basketball, girls gymnastics, boys ice hockey and boys swimming & diving tournaments amid COVID-19 concerns. All activity in all sports was halted March 13. Spring sports to that point had begun practice, but not competition.

The MHSAA's Representative Council approved during its Winter Meeting on March 27 a series of concepts for completing the Winter tournaments and an abbreviated Spring season, contingent on the lifting of a statewide quarantine. The closure of school buildings into June made those possibilities void.

The MHSAA's Executive Committee, comprised of officers of the larger Council, affirmed the decision today (April 3) to cancel the remainder of this school year's activities.

"We are heartbroken to not be able to provide these opportunities for Michigan's student-athletes, and especially seniors. We continue to hear from dozens asking us to hold out hope. But safety always must come first, and Governor Whitmer is making courageous decisions to safeguard the people of our state," MHSAA Executive Director Mark Uyl said. "We understand as much as anyone how much school sports mean to athletes and their communities. We had ideas and hopes for finishing Winter and Spring and helping bring some sort of normalcy after this long break. But this is the correct decision, and we will play our part in bringing schools and communities together again when the time is right."

"For now, we cannot state strongly enough that all students, staffs and others follow the guidelines established to slow the spread of this virus – we all must do our part."

Because the five Winter sports were not able to conclude with Finals, no champions will be awarded in those sports for 2019-20. However, championships won at earlier rounds of those tournaments (District or Regional) will continue to stand.

The MHSAA will in coming weeks provide guidelines and other information pertinent to this unusual offseason as attention is turned to preparing for Fall 2020.

On Thu, Apr 2, 2020 at 1:33 PM Zac Stevenson <stevenszoa@tcaps.net> wrote:

| Good afternoon everyone!

In case you have not heard yet, the Gov announced this morning, "in-person instruction for pupils in kindergarten through grade 12 ("K-12") is suspended for the remainder of the 2019-2020 school year, and school buildings used for the provision of K-12 education must remain closed for the purpose of providing K-12 education in person for the remainder of the 2019-2020 school year..." There is some language that "until social distancing restrictions are lifted," which means if they are lifted, schools will not be required to return but could have that option. While I am being cautiously optimistic, what that could mean is that the door is not completely closed...

The MHSAA has said they, "will announce no later than Friday (April 3) afternoon the status of its 2019-20 Winter and Spring seasons. We're reviewing the governor's announcement, asking questions and will make a statement as we continue to digest this order. No further comments will be available at this time. Updates will be posted as necessary."

So what that means for us, is that we continue to wait and see for another day. We do know that if the season is completely cancelled, coaches are still being paid, we are not collecting any fees from students (and those that have paid will be refunded), and we will need to plan for collecting any issued gear, closing out season info, etc.

As we know more, I will keep you updated. Please feel free to give me a call if you need anything or have any questions.

Stay healthy and safe!

Zac

On Mon, Mar 30, 2020 at 9:42 AM Zac Stevenson <stevensonza@tcaps.net> wrote:

Happy spring break!??

What a bizarre time we are experiencing. I hope everyone is well and finding productive opportunities for yourself. Please make sure you are all taking time to care for yourself FIRST! If you are not good, you are not good to anyone else. Make yourself a priority for a few minutes each day. We are in uncharted territory - there are no past practices for what we are experiencing and so it is a good time to reach out to each other.

Personally, while office work and scheduling is continuing, I've also managed to enjoy extra time connecting with my wife and knocking out a few projects around the house!

While nothing is official, the President has extended the shut down through 4/30, but we have not received any specific information yet. As of today, the MHSAA has not closed the door on anything yet, so I will let you know as soon as I hear any updates.

Several coaches have been sending weekly updates to their teams...thank you for that... I know it makes a difference for them!

Here is a good resource for some positive team building info: <http://www.jongordon.com/resources>

Take care, stay healthy, and let me know if you need anything at all or just want to connect!

Subject: First week back from spring break!
Date: Monday, April 6, 2020 1:29:23 PM

Greetings Trojans!

This time of no activity is tough on all of us (athletes, coaches, and parents). Athletes want to compete, coaches want to coach, and parents LOVE to watch you play. In the meantime, please consider engaging in some of these discussions or activities and find a way to stay connected with each other!

Monday, April 6th

Athletes: Consider starting a journal in a google doc. This is an unprecedented time and it might be helpful to get your thoughts/feelings out, as well as be something that you can look back upon. What you are going through right now is not easy!

Coaches: Look into what professional development opportunities are out there for you: attending a clinic other than your coaches association, CAP classes through MHSAA, an online proactive coaching class, etc..

Parents: Check out the following FREE recruiting Webinar:
<http://www.freerecruitingwebinar.org>

Tuesday, April 7th

Take a few minutes to read the following article written by Brad Stevens (Head Coach of the Boston Celtics):
<https://www.littleleague.org/news/great-teammate-letter-brad-stevens-daughter/>

Wednesday, April 8th

Watch the linked youtube video on an incredible act of sportsmanship in college softball:
<https://www.youtube.com/watch?v=ttkBP2XDZvE>

Take a few minutes to read the following article:
<https://www.sidelinedusa.org/resources-blog/unfinished-business-5-insights-when-your-athletic-season-is-sidelined-by-a-pandemic>

Thursday, April 9th

Athletes: Watch the following FREE online course from the National Federation of High Schools: <https://nfhslearn.com/courses/social-media-for-students>

Coaches: Check out the MHSAA's Coaches Guidebook: <https://www.mhsaa.com/Portals/0/Documents/coaches%20guide.pdf?ver=2018-06-20-155125-627>

Parents: Watch one of 6 FREE online videos from the NFHS: <https://nfhslearn.com/home/parents>

Friday, April 10th

Today marks 4 full weeks since we have been able to be in-session within our buildings. Take a minute to reflect on those you care about most. Take a minute to think about someone who needs you. Take a minute to pick up the phone and call/facetime/skype someone that YOU need.

Go Trojans!!

Good afternoon everyone.

So far the largest availability is Monday at noon. If you have not, please go online and select your availability so we can have as many people as possible.

Heads coaches please check in with your assistants.

Thank you!

Zac

It's official. We are done.

I am sad and a little bewildered as I read this and am immediately forwarding to you, so I have not really had time to digest this. I know many of you will feel this and so will our kids.

Thank you for how wonderful and positive you have been with our kids and let's keep that going! Positive messages, keep sending workouts, let's think about maybe hosting an event when we are finally cleared to return. Maybe a track meet with all of the spring teams followed by a slow pitch softball tournament for all spring kids and maybe a soccer tourney or golf event.... just brainstorming.

Next week I am working on a date for Varsity coaches to meet virtually and we will also

follow with a spring coaches meeting. Watch for a doodle poll for you availability.

Thank you for all you do...

Head up...

Next play.

MHSAA press release:

MHSAA Cancels Remainder of 2019-20 Winter & Spring Seasons

EAST LANSING, Mich. – April 3 – The Michigan High School Athletic Association has canceled the remainder of the 2019-20 Winter and Spring sports seasons, in compliance with the Thursday (April 2) “state of disaster” directive by Gov. Gretchen Whitmer closing school buildings and moving education online for the remainder of the school year to help decrease the spread of the COVID-19 coronavirus.

This will be the first school year to not see MHSAA Finals played in multiple sports since 1942-43, when World War II led to the elimination of Finals in most sports.

The MHSAA on March 12 suspended its girls and boys basketball, girls gymnastics, boys ice hockey and boys swimming & diving tournaments amid COVID-19 concerns. All activity in all sports was halted March 13. Spring sports to that point had begun practice, but not competition.

The MHSAA’s Representative Council approved during its Winter Meeting on March 27 a series of concepts for completing the Winter tournaments and an abbreviated Spring season, contingent on the lifting of a statewide quarantine. The closure of school buildings into June made those possibilities void.

The MHSAA’s Executive Committee, comprised of officers of the larger Council, affirmed the decision today (April 3) to cancel the remainder of this school year’s activities.

“We are heartbroken to not be able to provide these opportunities for Michigan’s student-athletes, and especially seniors. We continue to hear from dozens asking us to hold out hope. But safety always must come first, and Governor Whitmer is making courageous decisions to safeguard the people of our state,” MHSAA Executive Director Mark Uyl said. “We understand as much as anyone how much school sports mean to athletes and their communities. We had ideas and hopes for finishing Winter and Spring and helping bring some sort of normalcy after this long break. But this is the correct decision, and we will play our part in bringing schools and communities together again when the time is right.”

“For now, we cannot state strongly enough that all students, staffs and others follow the guidelines established to slow the spread of this virus – we all must do our part.”

Because the five Winter sports were not able to conclude with Finals, no champions will be awarded in those sports for 2019-20. However, championships won at earlier rounds of those tournaments (District or Regional) will continue to stand.

The MHSAA will in coming weeks provide guidelines and other information pertinent to this unusual offseason as attention is turned to preparing for Fall 2020.

On Thu, Apr 2, 2020 at 1:33 PM Zac Stevenson <stevenszoa@tcaps.net> wrote:

Good afternoon everyone!

In case you have not heard yet, the Gov announced this morning, "*in-person instruction for pupils in kindergarten through grade 12 ("K-12") is suspended for the remainder of the 2019-2020 school year, and school buildings used for the provision of K-12 education must remain closed for the purpose of providing K-12 education in person for the remainder of the 2019-2020 school year...*" There is some language that "*until social distancing restrictions are lifted,*" which means if they are lifted, schools will not be required to return but could have that option. While I am being cautiously optimistic, what that could mean is that the door is not completely closed...

The MHSAA has said they, "*will announce no later than Friday (April 3) afternoon the status of its 2019-20 Winter and Spring seasons. We're reviewing the governor's announcement, asking questions and will make a statement as we continue to digest this order. No further comments will be available at this time. Updates will be posted as necessary.*"

So what that means for us, is that we continue to wait and see for another day. We do know that if the season is completely cancelled, coaches are still being paid, we are not collecting any fees from students (and those that have paid will be refunded), and we will need to plan for collecting any issued gear, closing out season info, etc.

As we know more, I will keep you updated. Please feel free to give me a call if you need anything or have any questions.

Stay healthy and safe!

Happy spring break!??

What a bizarre time we are experiencing. I hope everyone is well and finding productive opportunities for yourself. Please make sure you are all taking time to care for yourself FIRST! If you are not good, you are not good to anyone else. Make yourself a priority for a few minutes each day. We are in uncharted territory - there are no past practices for what we are experiencing and so it is a good time to reach out to each other.

Personally, while office work and scheduling is continuing, I've also managed to enjoy extra time connecting with my wife and knocking out a few projects around the house!

While nothing is official, the President has extended the shut down through 4/30, but we have not received any specific information yet. As of today, the MHSAA has not closed the door on anything yet, so I will let you know as soon as I hear any updates.

Several coaches have been sending weekly updates to their teams...thank you for that... I know it makes a difference for them!

Here is a good resource for some positive team building info: <http://www.jongordon.com/resources>

Take care, stay healthy, and let me know if you need anything at all or just want to connect!

Thank you Zac and thank you to a great group of coaches for all of the patience around scheduling and accommodating everyone that needed to use gym space. For the winter coaches that were still going, my heart goes out to your teams for coming so close to a great finish. To the Spring Coaches, if you were like me we were going to have one heck of a season with great senior leadership. I can't begin to describe what this does to them. And it figures that for the first time in years we have the weather for a full schedule. My best to you and your teams.

Stay well everyone and stay safe.

Good afternoon everyone!

In case you have not heard yet, the Gov announced this morning, *“in-person instruction for pupils in kindergarten through grade 12 (“K-12”) is suspended for the remainder of the 2019-2020 school year, and school buildings used for the provision of K-12 education must remain*

closed for the purpose of providing K-12 education in person for the remainder of the 2019-2020 school year..." There is some language that "until social distancing restrictions are lifted," which means if they are lifted, schools will not be required to return but could have that option. While I am being cautiously optimistic, what that could mean is that the door is not completely closed...

The MHSAA has said they, "will announce no later than Friday (April 3) afternoon the status of its 2019-20 Winter and Spring seasons. We're reviewing the governor's announcement, asking questions and will make a statement as we continue to digest this order. No further comments will be available at this time. Updates will be posted as necessary."

So what that means for us, is that we continue to wait and see for another day. We do know that if the season is completely cancelled, coaches are still being paid, we are not collecting any fees from students (and those that have paid will be refunded), and we will need to plan for collecting any issued gear, closing out season info, etc.

As we know more, I will keep you updated. Please feel free to give me a call if you need anything or have any questions.

Stay healthy and safe!

Happy spring break!??

What a bizarre time we are experiencing. I hope everyone is well and finding productive opportunities for yourself. Please make sure you are all taking time to care for yourself FIRST! If you are not good, you are not good to anyone else. Make yourself a priority for a few minutes each day. We are in uncharted territory - there are no past practices for what we are experiencing and so it is a good time to reach out to each other.

Personally, while office work and scheduling is continuing, I've also managed to enjoy extra time connecting with my wife and knocking out a few projects around the house!

While nothing is official, the President has extended the shut down through 4/30, but we have not received any specific information yet. As of today, the MHSAA has not closed the door on anything yet, so I will let you know as soon as I hear any updates.

Several coaches have been sending weekly updates to their teams...thank you for that... I know it makes a difference for them!

Here is a good resource for some positive team building
info: <http://www.jongordon.com/resources>

Take care, stay healthy, and let me know if you need anything at all or just want to connect!

It's official. We are done.

I am sad and a little bewildered as I read this and am immediately forwarding to you, so I have not really had time to digest this. I know many of you will feel this and so will our kids.

Thank you for how wonderful and positive you have been with our kids and let's keep that going! Positive messages, keep sending workouts, let's think about maybe hosting an event when we are finally cleared to return. Maybe a track meet with all of the spring teams followed by a slow pitch softball tournament for all spring kids and maybe a soccer tourney or golf event.... just brainstorming.

Next week I am working on a date for Varsity coaches to meet virtually and we will also follow with a spring coaches meeting. Watch for a doodle poll for you availability.

Thank you for all you do...
Head up...
Next play.

Zac

MHSAA press release:

MHSAA Cancels Remainder of 2019-20 Winter & Spring Seasons

EAST LANSING, Mich. – April 3 – The Michigan High School Athletic Association has canceled the remainder of the 2019-20 Winter and Spring sports seasons, in compliance with the Thursday (April 2) "state of disaster" directive by Gov. Gretchen Whitmer closing school buildings and moving education online for the remainder of the school year to help decrease the spread of the COVID-19 coronavirus.

This will be the first school year to not see MHSAA Finals played in multiple sports since 1942-43, when World War II led to the elimination of Finals in most sports.

The MHSAA on March 12 suspended its girls and boys basketball, girls gymnastics, boys ice hockey and boys swimming & diving tournaments amid COVID-19 concerns. All activity in all sports was halted March 13. Spring sports to that point had begun practice, but not competition.

The MHSAA's Representative Council approved during its Winter Meeting on March 27 a series of concepts for completing the Winter tournaments and an abbreviated Spring season, contingent on the lifting of a statewide quarantine. The closure of school buildings into June made those possibilities void.

The MHSAA's Executive Committee, comprised of officers of the larger Council, affirmed the decision today (April 3) to cancel the remainder of this school year's activities.

"We are heartbroken to not be able to provide these opportunities for Michigan's student-athletes, and especially seniors. We continue to hear from dozens asking us to hold out hope. But safety always must come first, and Governor Whitmer is making courageous decisions to safeguard the people of our state," MHSAA Executive Director Mark Uyl said. "We understand as much as anyone how much school sports mean to athletes and their communities. We had ideas and hopes for finishing Winter and Spring and helping bring some sort of normalcy after this long break. But this is the correct decision, and we will play our part in bringing schools and communities together again when the time is right."

"For now, we cannot state strongly enough that all students, staffs and others follow the guidelines established to slow the spread of this virus – we all must do our part."

Because the five Winter sports were not able to conclude with Finals, no champions will be awarded in those sports for 2019-20. However, championships won at earlier rounds of those tournaments (District or Regional) will continue to stand.

The MHSAA will in coming weeks provide guidelines and other information pertinent to this unusual offseason as attention is turned to preparing for Fall 2020.

Subject: Trojan Needing a Hug.
Date: Friday, April 3, 2020 8:39:16 AM
Attachments: [image.jpg](#)
[ATT00002.txt](#)

I'm writing on behalf of a Trojan that could use some love. His name is AJ Finch. He's a 7th grader at East Middle School. AJ loves to play basketball more than anything. He just recently turned 13 years of age.

AJ is currently in Children's Hospital in Grand Rapids with a brain tumor. AJ had lost the ability to communicate and movement in an arm and hand. Surgery was required and the surgeon was able to remove approximately 10% of the tumor - which was sent for biopsy. Post surgery, AJ did regain his speech and some movement. He's starting some rehab today as his family awaits the results from the biopsy.

With AJ's fathers blessing, we decided to set up an Instagram account so we could all send AJ some love and encouragement.

This is all we need. Direct Message a picture of yourself/player/team/child anything sports related to the Instagram account (pointguard_aj). Then, the photo will be reposted on the page and AJ can see all of the photos of support. Additionally, any way you are able to spread the word about the Instagram page pointguard_aj, whether it's through your social media page or other, would be great.

He's a great kid, and only has contact with his direct family because of the CV. I can't imagine what he and his family are going through. Let's remind him what an amazing community we are.

If you have any questions, please reach out.

Thanks.

Subject: 2020 TCC Softball
Date: Sunday, March 15, 2020 7:53:27 PM

Good evening Trojan Families. It is with a troubled heart and mind that I look at the weather and a program that I believe is the most talented I have seen since I have been with the TCC program and realize that we cannot play ball. I feel a bit lost honestly and I am sure you do as well.

In my real job I am neck deep in discussing the community response to COVID-19 but the 2020 TCC softball season is always on my mind. As I speak with the various experts and community leaders I remain hopeful that our community will do what is necessary to minimize the spread of this virus. Please understand that the only effective way to prevent the spread is social separation. Hence, no practice or games until at least April 6th. The entire community needs to adhere to the social separation for it to be effective.

I want to encourage you to take this to heart, not only to potentially save a season but to protect your vulnerable loved ones. Think about your daily activities while you are out of school and schedule in a way to minimize your social interactions. This is an unprecedented and rapidly developing situation and I am hoping we all can do what we can to save any part of our season.

Go Trojans!

Thank you team for your time today and your work with our kids! I appreciate all you do!!

For those that may not have received it, today's TCAPS press release follows below and here is a link to the MHSAA's press release. <https://www.mhsaa.com/coronavirus>

I will keep you updated as we learn more. Please feel free to contact me if you have any questions!

Zac

TCAPS Families and Staff,

As we shared in an email communication earlier this morning, Governor Whitmer has ordered all K-12 schools to close to help prevent the further spread of COVID-19 beginning Monday, March 16, 2020, through Sunday, April 5, 2020. We would like to share the following information below regarding delivery of instruction, events, and other services available over the next three weeks.

Thank you to our families, students and staff for your understanding and patience as we continue to work through the details of implementing an extended closure. We will keep you updated as information becomes available. Please continue to check our TCAPS COVID-19 website for updates and information: www.tcaps.net/covid-19.

Staff should also visit the district's For Staff webpage for staff-related updates and information at www.tcaps.net/staff.

Learning Opportunities

Delivery methods for elementary and secondary students are described below and are intended to enhance skills students have learned this year. Work selected is designed for students to be able to complete with little to no adult support. Grades will not be collected on this work.

- **Elementary Schools** - Packets have been developed that include five days' worth of relevant work in the area of language arts and mathematics. These packets will be sent home with students on Friday, March 13th. Individual teachers may be

sending some additional resources home as well.

- **Secondary Schools** - Students will be given access to assignments in the core content areas of mathematics, language arts, science, and social studies. This will be done using Google Classroom, a commonly used online tool in our district. An email will be sent to students with the relevant Google Classroom access codes by Monday, March 16th. Individual teachers can also tell students to stay tuned to their own local Google Classrooms.
- **NMC Students (Early College/Dual Enrollment)** - Students enrolled in NMC courses will have access to ZOOM to participate in college coursework throughout the closure.

The district will communicate with families next week regarding plans for additional learning materials and resources that may be available to students.

Cancellation of Events/Activities

While school is not in session, all events, activities, practices, etc. are canceled through April 5th. As previously stated, all out of district school-sponsored travel will be suspended through April 30th, or until new guidance becomes available. This includes professional conferences, academic activities requiring travel outside of the district, out of district field trips, and non-MHSAA athletic events.

Child Care Services

All district buildings will be closed and services suspended for Monday, March 16th, and Tuesday, March 17th, of next week. This includes all child care services. Fees will not be assessed for children enrolled in tuition-based programs (preschool, extended day) during the closure period. We are exploring what opportunities may exist to provide childcare after March 17th, but cannot guarantee services will be available. The district will communicate with families the afternoon of March 17th on whether services can be provided or not.

Meal Program

The district is currently evaluating what options may be available to continue food service and expects to be able to offer breakfast and lunch to-go starting on Wednesday, March 18, 2020, through Thursday, March 26, 2020, at four locations. Additional information will be shared as it becomes available.

2020-2021 Tuition-Based Preschool Registration

Online registration for next year's preschool program will remain open for families. Deadlines for turning in necessary documentation will be extended as necessary.

As our community takes steps along with the rest of the state and nation to slow the spread of COVID-19, it is critical that we all do our part to ensure that the measures we are taking have the greatest chance of success. To help, we are each asked to practice the social distancing guidance from the CDC and to avoid unnecessary or large gatherings.

Thank you to our incredible team at TCAPS, to our parents, and our community. I am proud of all that we have accomplished in a short time, and I am proud of all that we will accomplish together to address this global health concern.

Sincerely,

Jim Pavelka
Interim Superintendent
Traverse City Area Public Schools

On Fri, Mar 13, 2020 at 9:21 AM Zac Stevenson <stevensonza@tcaps.net> wrote:

Good morning coaches,

What an unprecedented time... We currently do not have specific information on what the rest of the day looks like, let alone the next three weeks and beyond. Information is updating hourly at this point.

Here's what we do know. School will end today and not resume until at least April 6th.

I anticipate that TCAPS will release information later today about buildings / calendars / etc...

I anticipate the MHSAA will have more information later today about the status of winter tournaments and spring sports.

At 2pm, we will have a stand up meeting opportunity for all coaches in the "track" room off of the main gym. I hope to have more specific info from TCAPS and the MHSAA to share with you at that point, but at the very least to talk about plans and contingencies.

At this point, I would plan on 3pm team meetings and maybe some "fun" practices as we will likely be completely hands-off from our teams for the next three weeks.....

Please let me know if you are unable to attend at 2pm.

Hang in there!

Zac

Subject: Fwd: UPDATE: Governor Whitmer Announces Statewide Closure of All K-12 School Buildings
Date: Thursday, March 12, 2020 11:40:06 PM

Good evening,

We are in the process of determining what all of this means for our 2020 season. Please be patient while we work through the impact of COVID 19. We will provide information as we have it. Practice tomorrow is on as scheduled, 3 to 5, but that is subject to change. I will update you as soon as possible.

Thank you,

Nate

Subject: UPDATE: Governor Whitmer Announces Statewide Closure of All K-12 School Buildings
To: Brown, Melanie <BrownM82@michigan.gov>

Governor Gretchen Whitmer Banner - headshot with bridge graphic

FOR IMMEDIATE RELEASE

March 12, 2020

Contact: BrownT56@michigan.gov

Governor Whitmer Announces Statewide Closure of All K-12 School Buildings

School building closures will last Monday, March 16 through Sunday, April 5

LANSING, Mich. -- Today, Governor Gretchen Whitmer announced that in order to slow the spread of Novel Coronavirus (COVID-19) in Michigan, she is ordering the closure of all K-12 school buildings, public, private, and boarding, to students starting Monday, March 16 until

Sunday, April 5. School buildings are scheduled to reopen on Monday, April 6.

As of tonight, the number of presumptive positive cases of COVID-19 in Michigan is 12.

“This is a necessary step to protect our kids, our families, and our overall public health,” said **Governor Whitmer**. “I am working with partners across state government to ensure educators, parents, and students have the support they need during this time, and to ensure our children who rely on school for meals have access to food. I know this will be a tough time, but we’re doing this to keep the most people we can safe. I urge everyone to make smart choices during this time and to do everything they can to protect themselves and their families.”

“Closing our K-12 school buildings is the responsible choice that will minimize the risk of exposure for children, educators, and families and mitigate the spread of coronavirus,” said Michigan State **Superintendent Michael Rice**. “The Department of Education will continue to work closely with our partners in state government to help our students and educators in each school district get through this time. This is about protecting the most people in Michigan.”

Governors across the country, including Mike DeWine (R-OH), Andy Beshear (D-KY), and Larry Hogan (R-MD), have taken similar steps to close schools and ensure the protection of children and families in their states.

“Closing our school buildings is the smart thing and the right thing to do for the public’s health,” said Michigan Department of Health and Human Services Chief Deputy for Health and Chief Medical Executive **Dr. Joneigh Khaldun**. “These actions will help mitigate the spread of COVID-19 in Michigan. I will continue to work with Governor Whitmer and our four COVID-19 task forces to ensure we protect our children, our families, and our communities.”

Patients with confirmed infection have reportedly had mild to severe respiratory illness with symptoms of:

- Fever
- Cough
- Shortness of breath

The best prevention for viruses, such as influenza, the common cold or COVID-19 is to:

- Wash your hands often with soap and warm water for 20 seconds. If not available, use hand sanitizer.
- Avoid touching your eyes, nose, or mouth with unwashed hands.
- Cover your mouth and nose with a tissue or upper sleeve when coughing or sneezing.
- Avoid contact with people who are sick.
- If you are sick, stay home, and avoid contact with others.

Information around this outbreak is changing rapidly. The latest information is available at Michigan.gov/Coronavirus and CDC.gov/Coronavirus.

Subject: 2020 Booster Bash POSTPONED
Date: Thursday, March 12, 2020 4:53:30 PM

Dear Trojan Family, Friends & Fans:

The Traverse City Central Athletic Booster Board has been in communication with TC Central Athletics throughout the last two days regarding the concerns we are facing involving the COVID-19. Based on these conversations and the recommendations of State Officials and the actions of the Michigan High School Athletic Association, we are going to POSTPONE the 2020 Booster Bash that is currently scheduled for this Saturday, March 14th. We are working to establish a new date and will share that with you accordingly once we have it. We appreciate your support leading up to this event and hope we can count on it once we have the new date.

Please share and pass along to anyone you know who planned to attend Bash. Once again, we appreciate all your support leading up to this – We are hopeful to have a new date established soon and carry this momentum into another great Booster Bash!!!

Thanks –

TC Central Athletic Booster Board

Jon-

I have removed Tony from the TCC email list and BAND. I cannot remove him from Final Forms but I have cc'd Tracy as she has been great in removing people from Final Forms. Please express to him that I am sorry to hear that Lily will not be playing. She is a great young lady and I appreciate the Jenkins involvement with our program over the last few years.

Nate

Nate,

Tony Jenkins asked if his email address can be removed from the list now that Lily has decided not to play.

How does that work with BAND? I don't think I can remove Lily from there. I don't have admin rights.

Subject: Special Booster Meeting for Booster - TONIGHT
Date: Monday, March 9, 2020 7:07:40 AM

Just a reminder that we are holding a special Booster Meeting tonight, March 9, 2020 at 6pm in the Library.

This meeting will be dedicated solely to final Booster Bash preparations and provide committees the opportunity to tend to any last minute details.

While we realize some coaches & parents may not be able to attend tonight because of post-season play, we ask that your program be represented in some capacity. The Meeting will be wrapped up no later than 7pm - so we can all head over and cheer the Boys Basketball team on for the remainder of their game! Go Trojans!

Subject: First day of school starts tomorrow
Date: Sunday, March 8, 2020 7:44:52 PM

First day of 2020 Season starts tomorrow.

We will meet at 4:45 in the hallway near the New Gym for roll and stretching. Please check your emails for first week information. Stay tuned to BAND for day to day changes until we can get outside.

THERE IS A STRONG CHANCE WE WILL DO SOME OUTDOOR ACTIVITY. BE PREPARED FOR THAT. Always bring cleats and tennis shoes for indoor and outdoor work.

We will be done at 7:15 tomorrow.

For a RECAP: Below is the information I sent out previously about week one's schedule.

Good afternoon everyone.

Believe it or not Softball season is upon us and officially starts Monday the 9th. I would first like to remind

everyone to be patient, flexible, and understanding as we get into the season as winter sports are wrapping up (TCC will be hosting basketball the first week) and spring sports are gearing up so there are a lot of moving parts and there will be changes. All changes in schedules will be delivered through the Band App that may be acquired by clicking [HERE](#) if you don't have it yet.

The first week schedule is as follows:

Sunday- Dead week, no open gym.

Monday- 4:45 to 7:15. We will meet in the hallways by the new gym at 4:45. We will be in the Little and New gyms from 5:15 to 7:15. Practice will be done at 7:15.

Tuesday- 6:30 to 8 in the little and new gym. We will have the New Gym from 5:30 to 8 so we may have additional time for specialties work. We will let you know ASAP. Practice will be done at 8:00.

Wednesday- Big gym immediately after school. We will be in the big gym until 5:00. Practice will be done at 5. We have the new gym from 5 to 6:45 so we may have additional time for specialties work. We will let you know ASAP.

Thursday- 7:15 to 9. We will meet in the upstairs of the gym near the concession stands at 7:15. We have the new gym from 6:00 to 8:45 so we may have additional time for specialties work.

Friday- Immediately after school in the Big Gym. We will be done at 5:00.

***You/your player will know if we want you to come in for the specialty work times. This will mostly be pitchers and catchers but we may do infield work as well.

Other items:

- Splitting the team into Varsity and Junior Varsity usually happens within three days of tryouts but that may change due to the schedule we are faced with the first week.
- Be prepared to be ready to practice at the times listed. That means be early to get ready before the start times.
- Bring all practice gear. Shoes, pants, mitts, bats, face masks, helmets, water bottles, etc. Put your name on everything.
- Weather permitting we will go outside. Bring appropriate attire.
- We may have another parent meeting on Friday after practice.

You may contact me at any time. Best method is email but if you need you may call or text 231-342-6002.

More information will follow and I look forward to seeing you soon

Subject: Minor correction
Date: Friday, March 6, 2020 9:05:13 AM

Good morning,

As a slight correction, we need to meet Monday in the hallways near the new gym, NOT upstairs in the big gym.

Thank you.

Next week, as you know, we will be hosting many MHSAA Basketball games. Here is the game plan for Spring Sports Teams using the gyms before, during and after the games next week.

Please SHARE with your Student Athletes:

LOCKER ROOMS:

Large Gym Boys and Girls Locker Rooms will be used for Basketball Teams/Games... and OFF LIMITS to spring athletes.

*Have athletes bring everything they need to practice/tryouts to leave in the small/new gym areas.

**We will have signs up to remind them.

PARKING:

We are asking spring coaches and athletes to park behind the school, behind the music building and F lots for tryouts/practices.

*This will open up parking for spectators in the student/gym parking lot for games.

MEETING & STRETCHING:

If your tryout/practice begins after 4:00pm then we'd like you to meet your team in the New Gym area (enter Training Room Door).

*You can stretch/warm up in the hallways by the Weight Room or C Atrium in the school.

**We do not want Spring Teams/athletes in the Big Gym area at all during basketball warm ups/games.

***They should ONLY be in the Riffle Room, Small/New Gyms or hallways by the Weight Room/C Atrium

DOORS:

All spring sports athletes should ENTER and LEAVE through the Training Room Doors for tryouts/practices. NO EXCEPTIONS!

*We will not let student athletes enter or leave through the west/east side gym doors that go into the student parking lot.

****We will have people working the doors by the Small/Big Gym to direct traffic during games.**

Thank you for your help with this!!!

Subject: First week Schedule
Date: Wednesday, March 4, 2020 2:56:03 PM

Good afternoon everyone.

Believe it or not Softball season is upon us and officially starts Monday the 9th. I would first like to remind everyone to be patient, flexible, and understanding as we get into the season as winter sports are wrapping up (TCC will be hosting basketball the first week) and spring sports are gearing up so there are a lot of moving parts and there will be changes. All changes in schedules will be delivered through the Band App that may be acquired by clicking [HERE](#) if you don't have it yet.

The first week schedule is as follows:

Sunday- Dead week, no open gym.

Monday- 4:45 to 7:15. We will meet in the upstairs of the gym near the concession stands at 4:45. We will be in the Little and New gyms from 5:15 to 7:15. Practice will be done at 7:15.

Tuesday- 6:30 to 8 in the little and new gym. We will have the New Gym from 5:30 to 8 so we may have additional time for specialties work. We will let you know ASAP. Practice will be done at 8:00.

Wednesday- Big gym immediately after school. We will be in the big gym until 5:00. Practice will be done at 5. We have the new gym from 5 to 6:45 so we may have additional time for specialties work. We will let you know ASAP.

Thursday- 7:15 to 9. We will meet in the upstairs of the gym near the concession stands at 7:15. We have the new gym from 6:00 to 8:45 so we may have additional time for specialties work.

Friday- Immediately after school in the Big Gym. We will be done at 5:00.

***You/your player will know if we want you to come in for the specialty work times. This will mostly be pitchers and catchers but we may do infield work as well.

Other items:

- Splitting the team into Varsity and Junior Varsity usually happens within three days of tryouts but that may change due to the schedule we are faced with the first week.
- Be prepared to be ready to practice at the times listed. That means be early to get ready before the start times.
- Bring all practice gear. Shoes, pants, mitts, bats, face masks, helmets, water bottles, etc. Put your name on everything.
- Weather permitting we will go outside. Bring appropriate attire.

We may have another parent meeting on Friday after practice.

You may contact me at any time. Best method is email but if you need you may call or text 231-342-6002.

More information will follow and I look forward to seeing you soon

Subject: March Meeting Dates - March 2nd & March 9th
Date: Monday, February 24, 2020 9:42:55 PM
Attachments: [March 2020 Mto Agenda.pdf](#)

Just a reminder that the March Booster Meeting has been moved up to next Monday, March 2, 2020.

Due to Springs Sports starting the week of March 9th, a number of our Winter Teams continuing into the Post-Season, it became necessary to move the March meeting up one week from March 9th to March 2nd. Attached please find a proposed agenda for said meeting.

In addition, we will be holding one additional Booster Meeting next month to dedicate solely to final Booster Bash preparations on March 9, 2020. Updated meeting schedule is as follows:

***March 2nd @ 6:00 (TCC Library) - Regular March Booster Meeting**

***March 9th @ 6:00 (Location TBD) - Final Booster Bash Planning & FINAL Booster Bash Turn In**

We urge everyone to attend both meetings, if possible, so that we can tend to regular Booster items (such as Booster Board nominations, team grant awards, AD updates, etc.) and to make sure all is in order for Booster Bash. We realize some coaches may not be able to attend the March 9th meeting, so it will be imperative to have a Parent Rep in attendance.

Thanks again for your understanding and flexibility...

Nate

On Thu, Feb 13, 2020 at 12:38 PM Sarah West <tcboostertreasurer@gmail.com> wrote:

Nate -

Tracy said she'd said later but was in the middle of a project so couldn't but confirmed fundraisers can't go on a TCAPS card. I did find this email from 9/17 talking about the TCAPS cards. Fundraisers would fall under the same guidelines as banquets which are not allowed.

If you've used the TCAPS card for unapproved items you will need to write a check to TCAPS for that amount then submit a request to the boosters for reimbursement. (several coaches have had issues with receipts not being approved lately which is what made me think to mention it to you.

Tracy - I think this covers it for now so no need to send unless I missed something.

Sarah

Please see the email below from Cinday Farah regarding updated guidelines for using TCAPS Credit Cards. Please look at the changes and Frequently Asked Questions:

Questions and Answers

- Can I purchase food for my staff?
 - Yes, only if the food was purchased in conjunction with professional development.
 - Food for staff appreciation, birthdays, holidays, etc. is not allowable
- Can I purchase food for students during an educational activity?
 - Yes, if you indicate what type of learning and/or professional development took place.
- Can I purchase staff/volunteer gifts and/or gift cards?
 - No
- Can I purchase gifts and/or gift cards for student recognition/incentives?
 - No
- Can I reward staff, volunteers, and/or students with a pizza party, ice cream social, or like event?
 - No
- Can I purchase spirit wear for my staff and/or students?
 - Yes – If the expense is reasonable and if its required to wear for specific events (ie: uniform)
- Can I send flowers?
 - No
- Can I rent water coolers (ie: McCardel Culligan)?
 - No
- Can I purchase clothing, boots, hygiene products, etc. for needy students?
 - Yes
- Can I buy public transportation passes for needy students?
 - Yes
- Can Honor Society collect funds to donate for hurricane relief efforts?
 - Yes – if ALL the funds collected for that specific purpose are donated
- Can I host a spaghetti dinner (or like event) to raise funds for a family that experienced a traumatic event?
 - No

If you have any questions about this or any upcoming charges you might make on your TCAPS Credit Card - please reach out to Zac and myself and we will ask the business office for clarification.

Biggest Changes:

- Cannot use TCAPS Card or Activity Account for Volunteer Gift Cards. You will have to work with Sarah and the Boosters to purchase these for your volunteers/booster boards.
- Team Food will need to be associated with an event in your program such as a game/meet. Please just put Team Meal on receipts.
- Coaches cannot buy food as a reward unless you use your own personal card and then are reimbursed by Boosters (ie: your team helped out all week at an event and now you want to buy them breakfast as a treat, or they won a big game and you want to bring donuts to practice the next day).
- Flowers cannot be bought or sent... please work with Sarah and Boosters if you need to send flowers.
- Banquets cannot be paid for with your TCAPS Card. You will have to plan ahead to pay with Boosters or be invoiced by the venue.

Please note these changes may require teams to really think ahead and plan for upcoming events not covered by TCAPS and will need to be done with Sarah and the Boosters Board.

THANK YOU!

To: Cynthia Farah <FarahCy@tcaps.net>

Welcome Back!!

Included are several documents/links that we hope will support your Purchasing and Business Office needs for the 19/20 school year.

- [NEW Accounting Standard \(GASB 84\) Q&A](#)
- [Guidelines for Collecting and Submitting Funds for Deposit](#)
- [Purchasing Instructions and Procedures](#)
- [Request for Payment Form](#)
- [Conference/Travel Expense Form](#)
- [Michigan Tax Exempt Certificate](#)
- The link to download the mileage chart and worksheet is found [here](#)

All of the documents will be available on the TCAPS website under *Staff - Common Forms* or *Staff - Protocols/SOP's* beginning Monday, 9/16/19. However, as a suggestion, you also save this email in a folder for easy access as well.

We look forward to working with you all again this year! Please know that we are always available to answer any questions or concerns you may have regarding the information included.

Subject: TCAPS Credit Card Reminders
To:
Cc: Zac Stevenson <stevensza@tcaps.net>

Dawn from Accounting shared some tips/reminders for using our TCAPS Credit Cards for athletics:

- Field trips: For Athletics - AWAY GAMES/MEETS
Elem Level: "Field trip, Gallagher's Market, 1st grade"
MS/HS Level: "Field trip, Dennon Museum, 8th grade" OR SPORTS:
"Away Game/Meet, City/Team, Sport" example: "Away Game Hotel Rooms @ Houghton, Hockey"
- Purchasing food for the classroom (example): "Sensory, taste testing-preschool" - the purchase needs to tie it back to instruction and the learning event that occurred example: "Away Game Food for Team @ Alpena, Hockey"
- Purchasing food for staff PD: Attach an agenda along with the food receipt and/or include a list of recipients (all grade levels/schools) example: "Coach PD, Attach Agenda, Food Receipt, List Coaches Attended, Sport"
- Staff attending conferences must abide by the district standard of not exceeding \$30/day nor tipping over 20% - please reference name of conference on all conference receipt
- Please do not use abbreviations for conference/events on receipts to avoid the purchase being "GASB flagged" and for auditing purposes
- Receipts ***must not*** reflect purchases made for incentive/gifts/classroom

parties

- Make sure they write the sport they are coaching and tie team/student athletes to their purchases (team food, team travel, etc). If purchases refer to more than one coach, they need to write that coaches name on receipt(s) as well (Conference Hotels and Food).

Thank you Coaches!

Tracy -

Can you send me the rules again or send to Nate and I (I've copied him on this email). I believe I'm correct that his TCAPS card can't be used for the fundraiser at the Park Place this weekend. True? Or is that a qualified expense through TCAPS?

Could you post the rules in the Coaches Corner also if they aren't there already.

Thanks!
Sarah

Subject: Booster Bash Update - Incentive Tickets & Future Deadlines/Important Info
Date: Tuesday, February 11, 2020 6:07:01 PM

THANK YOU to the following programs who met the Incentive Deadline and earned 2 complimentary tickets to this year's Booster Bash:

- Alpine Ski
- Baseball
- Boys Basketball
- Football
- LaCrosse
- Boys Soccer
- Girls Soccer
- Boys Tennis
- Girls Tennis
- Boys Track & Field
- Volleyball

Nice job! If your team earned the complimentary tickets, please reply to this email with the names of whom will receive your 2 tickets **and how you would like to pick them up**. I can either leave them in your mailbox in the Coaches' Room before Bash or they can be picked up at Check In at Bash. ****A few programs gave me names already, but I just need to coordinate getting them to you so please be sure to reply hereto.**

(If you think your program met the deadlines and it was not mentioned, please contact me right away so we can try to resolve.)

VIP TABLES: We still have VIP Tables available, but they are first come, first served. The sooner the table is reserved/paid for, the closer you are to the action!

TEAM BASKETS: Once again, our teams are coming through with some absolutely amazing Team Baskets, and we cannot wait to start unveiling them! Please stay tuned to the TCC Athletic Boosters Facebook page for basket updates and be sure to share on your teams' own Facebook pages and with all your friends!! If you still need to turn in your basket and/or itemized list, contact Jill Auger (jillaauger@gmail.com).

FINAL DEADLINE: Please remember the Final Deadline to turn everything in is **MARCH 2, 2020**. ALL tickets, funds, sponsorships and baskets must be turned in by this date.

ENTERTAINMENT UPDATE: We are excited to announce that DJ Sweet & Lo will be

spinning the Motown and Detroit-related tunes at this year's Bash! Get ready to get down in the 313!

NEXT BOOSTER MEETING: PLEASE be sure that your calendars are marked for the next Booster meeting on Monday, March 9th at 6:00pm! This will be our last opportunity to prepare as a group and take care of any last minute issues for Booster Bash.

****In addition, we will begin taking nominations for Board member candidates! Final nominations and voting for next year's Board members will take place at the final Booster meeting of this school year on May 4th.**

Thanks again for everyone's ongoing support and participation! We are looking forward to another great Booster Bash!

Go Trojans!

To: Nathan Alger <nalger@grandtraverse.org>, Amy Alger <amyalger89@gmail.com>

Good morning,

I am not sure why our office does the things they do sometimes???

And for some interesting useless information.....I am in charge of "communication" as a whole between every business unit in our entire organization!!!! Not an easy task let me tell you!!! Constant work in progress!!! HaHa!

But here is what I found out:

They had an individual set up as a "Vendor Contact" for TCC in our system from a Hockey sponsorship that we contributed to back in November.....and that individual's address was where the check was sent for the Softball Trivia event.

The check would have been made out to the athletic dept.

The contact is as follows:

Jen VanderRoest

7305 Westwind Rd

Traverse City, MI 49686

Hopefully and I would imagine they have a contact phone number for her. We mailed the check out back on 17th actually.

I apologize for the inconvenience.

Mike

Good afternoon,

I am hoping for some help here. Bouma sent a check that was intended for Softball Tivia sponsorship and apparently it was sent to Jen VanderRoest at

7305 Westwind Rd in Traverse City. I don't recognize the name but Mike's email says it went to Hockey. Can you help me track it down or provide me contact information for Jen?

Thank you,

Nate

Good morning,

I am not sure why our office does the things they do sometimes???

And for some interesting useless information.....I am in charge of "communication" as a whole between every business unit in our entire organization!!!! Not an easy task let me tell you!!! Constant work in progress!!! HaHa!

But here is what I found out:

They had an individual set up as a "Vendor Contact" for TCC in our system from a Hockey sponsorship that we contributed to back in November.....and that individual's address was where the check was sent for the Softball Trivia event.

The check would have been made out to the athletic dept.

The contact is as follows:

Jen VanderRoest

7305 Westwind Rd

Traverse City, MI 49686

Hopefully and I would imagine they have a contact phone number for her. We mailed the check out back on 17th actually.

I apologize for the inconvenience.

Mike

Subject: Booster Bash Update - FIRST DEADLINE: FEBRUARY 7, 2020
Date: Friday, January 31, 2020 11:54:21 AM
Attachments: Team expectations 2020.pdf

Good morning, Trojan Fans! The first deadline to turn in tickets/money/baskets (the Incentive Deadline) is **ONE WEEK AWAY - Friday, February 7, 2020!!** If everything is turned in and accounted for by your program, your team will receive two (2) complimentary tickets to this year's Booster Bash! (See attached Team Expectations checklist.)

To properly qualify for the complimentary tickets, the following must be completed
Please be sure to carefully read the following when turning in your deposit/basket so that your program qualifies for the complimentary tickets:

1. All deposits related to Booster Bash must be accompanied by a Booster Bash Deposit Form (blue half-sheet form, on bulletin board in Coaches' Room);
2. Be sure the Booster Bash Deposit Form is filled out accurately and completely (Team/Program Name, Contact Name/Number, Amounts for each item - i.e., raffle tickets, event tickets, Bash sponsor, etc, Deposit Total);
3. Enclose ALL ticket logs with deposit, complete with full names;
4. Enclose ALL Raffle Ticket stubs, complete with names and contact info;
5. Enclose ALL Team Bash Sponsor forms and any VIP Table forms with deposit;
6. Double check and confirm the money you are turning in matches your Booster Bash Deposit Form numbers; and
7. Team Gift Baskets must be turned in or coordinated with Jill Auger (jillaauger@gmail.com). Baskets containing alcohol CANNOT be dropped off at the school.

PLEASE NOTE: We are not holding "office hours" this year for Booster Bash deposits/turn in. There are envelopes in the Coaches' Room to enclose your Booster Bash deposit together with all the items/info listed above. **Please place your envelope(s) in the Safe in the Coaches' Room by end of the day of February 7th to meet the Incentive Deadline.**

Once all deposits received have been reviewed/confirmed, I will be contacting the Team Contact (Parent or Coach) to coordinate issuing the complimentary Booster Bash tickets. If you already know who your program's tickets are going to, you may email me with names and/or include a note in your Booster Bash Deposit.

GENERAL TICKET SALES: General ticket sales begin the Monday following the Incentive Deadline. TCC Athletic Boosters will begin promoting and selling tickets on Monday, February 10th (to Alumni and General Public) and they will not be attributed towards any particular team. So even if you are not able to meet the Incentive Deadline, be

sure to get your tickets sold ASAP so they count towards your program's sales!

FINAL DEADLINE: Please remember the Final Deadline to turn in everything is **MARCH 2, 2020**.

If you have any questions, please feel free to contact me. If it is in regards to your Team Basket, please contact Jill Auger (see email, above).

Best of luck to all our Trojan teams competing this weekend! Go Trojans!

Julie Zrimec
Co-President/Booster Bash Coordinator

Zac and I are looking at all possible options for gym use the week of March 9-13. Due to district/regional basketball games, boys basketball practices and the start of spring sports - they gyms will be overbooked.

Zac will email about possibly meeting to determine how to best use the gyms based on priorities and needs. Winter sports would take priority as they are "in season" and then spring sports.

We did look into the Grit Shop and they are only available on Monday, March 9 and Tuesday, March 10 from 3pm-5pm. Any other ideas about off-site building to use (besides East Middle and Eastern Elem)?

We will be in touch about scheduling... thank you!

On Tue, Jan 21, 2020 at 11:46 AM Tracy Welch <WelchTr@tcaps.net> wrote:

The week of March 9th, we will host Boys Basketball Districts (Mon/Wed/Fri) and Girls Basketball Div 4 Regionals (Tues/Thurs)... so the BIG Gym will not be available those evenings for tryouts for Baseball/Softball. We can get you in the other spaces at CHS.

Gym Schedule for March 9-13:

Monday, Wednesday and Friday

5pm-7pm - ?

7pm-9pm - ?

*Small Gym, New Gym and Riffle Room (big gym would not be available)

Nate/Pat - Please let me know what team (Baseball or Softball) will go during the 5pm-7pm slot and which will go in the 7pm-9pm slot.

**Tuesday and Thursday - depending on how our Boys Basketball Team does they will need the Small Gym for practice... TBD. We will have to work around that... I'll see if they can go 5pm-7pm so the late slot is open... so maybe one team could go Tuesday and one team can go Thursday that week??? We are trying out best to get all teams accommodated.

East Middle School is already booked for Girls Soccer and Lacrosse so that is not an option that week unfortunately.

Thank you!

Good evening Trojan Softball Family-

Trivia night is fast approaching. Please see the information below as we have changed the Round Sponsor amount back to \$300. Table sponsorships are \$240 and teams are \$240. Gift baskets and donations are always welcome and we will announce the sponsorship according to our established limits.

We need 10 round sponsors, auction items, prizes, and teams and players. The crowd will make the night enjoyable and memorable.

Information us linked below in the body of the email.

Please contact Amy at amyalger89@gmail.com or me at nalger@grandtraverse.org.

Thank you.

Hello TCC Trojan Softball Family,

The purpose of this letter is to introduce to you the 2nd Annual Trojan Softball Trivia Night! Historically, we have raised funds through the sale of Adrenaline

Cards, Golf Outings, Pop Can Drives, Euchre tournaments and player fees. Again this year, we are attempting to raise most of the money needed to run TCC Softball with just one fundraiser. We have chosen the night of February 15, 2020 for our second annual Trivia Night. Last year, this event was extremely successful for us as we raised over \$10,000 in one evening!

Trivia Night is a fun event! We are hoping to have 25 teams that will play 10 rounds of trivia. The 8 player teams will be answering trivia questions in timed rounds. Points are given for each correct answer and will be scored and totaled and the end of each round. Hearing the ooo's and aahh's once the answers are read is a highlight of the evening and there is always great conversations during and after. There will be a silent auction to bid on themed baskets and raffle prizes too.

All of the girls participating in Trojan Softball (grades 9-12) are highly encouraged to help promote this event. It costs approximately \$15,000 to run the TCC Trojan Softball Program. This amount is not covered by TCAPS. Each girl will be responsible for raising \$350 for the 2020 season.

How can you help? Well, our greatest needs for this night are trivia players and themed baskets. We have come up with four options that will hopefully help your daughter raise her portion of the player fee:

1. Find one trivia team & create one themed basket Basket Ideas
 - Find 1 trivia team, of 8 players, to sign up and attend Trivia Night. (\$240 per team/\$30 per person)
 - Create one themed basket. These should total \$100 or more. See the attached note.
2. Find one \$2000 sponsor
 - Find ONE donation of \$2000! This donor is considered our Gold Sponsor! Their logo will go on EVERYTHING we produce and send out, including fliers, registration forms, Facebook, all paperwork and trivia slides the night of the event and on the banner that will be displayed on the field the entire season.
3. Find two trivia teams to sign up Online
Registration Form
 - Find 16 people that will make 2 teams to sign up and play trivia the night of the event.
 - For payment, you can either send a check to the address on the form or pay via credit card the night of the event. There will be a small fee for credit card payments that night for processing.
4. Find one \$300 round sponsor
 - A business, an individual or family can become a round sponsor by donating \$500. Your name or business logo will be included on every slide for one round of trivia. Your name or business will also

be printed on a banner that will hang at the field this season.

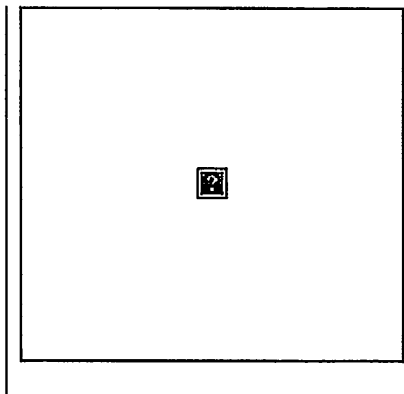

- We will also collect any silent auction items you may have. Silent Auction Ideas
- Coach Alger will have a bin for the girls to place donations in during open gym times.
- Program fundraising is a necessary component of every athletic program at Traverse City Central.
Any questions, please feel free to reach out to us via email at trojantrivianight@gmail.com
- Please check our Trojan Softball Facebook Pages: Trojan Softball Trivia Night TC Trojan Softball

Zac and I are looking at all possible options for gym use the week of March 9-13. Due to district/regional basketball games, boys basketball practices and the start of spring sports - they gyms will be overbooked.

Zac will email about possibly meeting to determine how to best use the gyms based on priorities and needs. Winter sports would take priority as they are "in season" and then spring sports.

We did look into the Grit Shop and they are only available on Monday, March 9 and Tuesday, March 10 from 3pm-5pm. Any other ideas about off-site building to use (besides East Middle and Eastern Elem)?

We will be in touch about scheduling... thank you!

On Tue, Jan 21, 2020 at 11:46 AM Tracy Welch <WelchTr@tcaps.net> wrote:

The week of March 9th, we will host Boys Basketball Districts (Mon/Wed/Fri) and Girls Basketball Div 4 Regionals (Tues/Thurs)... so the BIG Gym will not be available those evenings for tryouts for Baseball/Softball. We can get you in the other spaces at CHS.

Gym Schedule for March 9-13:

Monday, Wednesday and Friday

5pm-7pm - ?

7pm-9pm - ?

*Small Gym, New Gym and Riffle Room (big gym would not be available)

Nate/Pat - Please let me know what team (Baseball or Softball) will go during the 5pm-7pm slot and which will go in the 7pm-9pm slot.

****Tuesday and Thursday - depending on how our Boys Basketball Team does they will need the Small Gym for practice... TBD. We will have to work around that... I'll see if they can go 5pm-7pm so the late slot is open... so maybe one team could go Tuesday and one team can go Thursday that**

week??? We are trying out best to get all teams accommodated.

East Middle School is already booked for Girls Soccer and Lacrosse so that is not an option that week unfortunately.

Thank you!

Date: Tuesday, January 21, 2020 8:44:39 PM

Thank you the email Tracy and as always, I appreciate your effort to get this organized.. All, I have concerns about this, specifically not having access to a gym big enough to work on field and throwing. The small gym works well for hitting but the small gym and the new gym are pretty tight for anything that involves throwing, running, etc. I don't see a way we can go through tryouts and fairly evaluate players without evaluating all components of the game. We will have 30ish players and Pat may have 40-50, and that would be difficult to accommodate in those 2 gyms. In an effort to come up with a game plan I have a couple of questions.

Is there big gym availability right after school? Is there an opportunity to set an alternating schedule with Soccer and Lacrosse so we could use the big gym at EMS for field work? Is it possible to rent the Grit Shop, space at the YMCA, or Resort? May we use West facilities?

Could we meet as a group to try to identify some solutions?

Thank you,

Nate

Hi Nate,

After my NMRE SUD advisory board meeting last week, I talked with Chip Cieslinski, president/CEO of Catholic Human Service to see if he would be interested in a meeting to talk about SA Service in the GT Jail. He absolutely was and was excited about it.

CHS has a large number of contacts with NMRE and probably complete the most Liquor Tax request in the 21 county area, including programs they run directly, as well as being the fiduciary of the money to other programs.

I was thinking a basic meeting with you, Chip, myself and Chris Barsheff, would provide the opportunity to see if this is something worth pursuing. I for one think it defiantly is.

Let me know.

Chuck

On Tue, Apr 14, 2020 at 6:16 PM Zac Stevenson <stevenszoa@tcaps.net> wrote:

Good evening senior families!

Just a reminder that Signing Day is tomorrow Wed 4/15 at 11am! Here is a link to the google meeting:

<https://meet.google.com/fzn-nabi-ycn>

And some important points:

- **Use your tcaps email address to join** (*parents and friends will need a google account to join the meet*)
- When you join, make sure you mute your mic, and make sure your video is on
- Decorate your background with TCC gear and items from the school you are attending next fall
- Have a table set up where you can "sign" your letter (you can use the attached National Letter of Intent)
- Share the link with friends and family that you would like to have watch live *with a google account* (we will also record this and post it on our social media and web pages)
- Share the link with a coach(es) from your new school to join (and say a few words if they wish!)
- I will introduce the event and then our first coach. Pin that coach to your screen. When that coach is finished, pin that athlete while they sign. I will introduce the next coach, and repeat the process
- We will go in this order so that you can be ready when it is your turn: Sophie, Olivia R, Leah, Carolynn, Henry (recognition, but signing later with Calvin), Riley, Cassidy, Kurt, Olivia F
- If you have any connectivity issues, please let me know asap so that we can work on a solution
- Have fun! Take screen shots! Have someone in your house take photos! Send me the photos for our media pages
- At the end, we will all unmute and have a collective cheer, applause, celebration

Please feel free to contact me if you have any questions!

Congrats!!

Good afternoon Seniors!

While we are saddened today at the loss of spring sports and no formal end to the winter for our hoops team, we do have some short term moments to look forward to in Athletics!

Our last National Signing Day of the year was scheduled for Wed 4/15. We would like to organize a 'Virtual' signing day and you have been identified as a Senior who has, or may commit to play somewhere next year.

We would like to set up a zoom or google meeting for everyone to log on. You would set up your best Trojan background and/or with your school logos at a table where you can "sign" your letter. A blank sample is attached.

We will record it and post it on our webpage and social media feeds and if you have people in your life that you would like to add to the group to see it live, we will include the zoom or google address for you to share with them.

If you have connectivity issues, please let us know asap so we can work on a solution for you.

If someone you know is signing that was not already recognized in the fall or winter, and is not included in this email, please let us know so we do not miss anyone!

Thank you!

Reminder...

SafeTeam sexual abuse prevention training for Central coaches
Thursday this week - 6-7:15/7:30pm in Central library
\$40 per coach donated back to your program
All welcome - freshman, jv, varsity, assistants

Hope to see you Thursday.

Jen

On Mon, Nov 4, 2019 at 10:12 AM Jen Dutmers <jigsduts@gmail.com> wrote:

Trojans:

On Thursday, Nov. 14 we're holding a SafeTeam sexual abuse prevention training session for all Central coaches (fresh/jv/vars/ass't...). Training will take place in CHS Library at 6pm. Each coach in attendance will receive a \$40 donation that goes directly to your program. PLEASE FORWARD INFO TO YOUR FULL COACHING STAFF.

**Coaches who have already gone through the training - please feel free to attend again, as we have some new information and discussion points. Repeat attendees will receive the \$40 donation.*

Why offer this training?

1 out of 10 children in our community will be sexually abused by the age of 18. This training is a step we're taking to try to educate our coaches and athletes on how to protect themselves and other children. It's very basic education, and designed to be interactive with discussion.

SafeTeam Sexual Abuse Prevention Training 1.5 hour training session

What's covered:

- What sexual abuse is (what falls under the definition of sexual abuse)
- How to detect signs of abuse and grooming
- How to keep yourself safe (as a coach and/or athlete)
- How to react responsibly and effectively to disclosure of sexual abuse

Once the coaches in your program have gone through the training, SafeTeam will work with you to setup a time to train your athletes/team. Teams who attend training receive \$100 donation for their program (Fresh = 1 team, JV = 1 team, Varsity = 1 team).

Please rsvp to jigsduts@gmail.com (Jen Dutmers) if you will attend.

We look forward to seeing you on the 14th.

Date: Thursday, November 7, 2019 9:21:04 AM

Good morning and Congratulations!

Next Wednesday 11/13 at 11am is our first opportunity this year to recognize students that are blessed to keeping playing at the next level. We have invited the news stations in beginning at 11am and would like to invite parents, friends, family, coaches, etc to join in celebrating this event. Parents and friends are welcome to bring a cake, Trojan and/or College apparel/flags or whatever items that will help you commemorate the event. We will also take photos in front of our Trojan backdrop for the website and social media pages.

Please let us know if you have any questions or if there is anything we can help with!

Congrats!

Subject: Visitor Concession Stand Football Playoffs Friday (8-10 Volunteers) - First Come...
Date: Monday, October 28, 2019 10:54:19 AM

If a team would like to earn some extra money.... we are going to have the Visitor Concessions open at the home Football Playoff Game this Friday, November 1st and would need 8-10 volunteers. Game begins at 7:00pm vs Midland Dow. Volunteers would need to be there by 5:15pm and would work until around 8:45pm.

If you would like to work the Visitor Concessions, we are going by a First Come First Serve system... so:

Please email a list of your 8-10 volunteer/worker names by Wednesday, Oct 30 - 8:00pm. First team to have a confirmed list can work the Visitor Concession and earn some extra money for their program.

Thank you!

Good Morning Nate,

I'm not sure I'm supposed to share but our meetings are open to the public so I don't see an issue.

I wanted to share the attached proposals for Liquor Tax fund usage in GT County as examples as you go through looking into this process.

Any questions, let me know.

Our board will be reviewing and voting on approval of these at our next meeting. Dan's house has been approved the last two years and the DDA request is new.

Tracy-

We will not be having open gyms on March 27, 29, April 3, 5.

On Wed, Oct 23, 2019 at 7:54 AM Tracy Welch <WelchTr@tcaps.net> wrote:

We have an outside group requesting Gym Space for the weekends during Spring Break (March 27-April 5).

They are looking for Fri, March 27-Sun, March 29
or
Fri, April 3-Sun, April 5
or
May 1-3

If you plan on using the Gyms any of those days, please let us know ASAP.

Thank you!

Subject: Liquor Tax funding criteria

Hi Eric,

I just received a call from GT County Administrator Nate Alger with some questions regarding Liquor tax. He has reached out to Sara a couple of times to no avail.

He is fully aware GT County has a hefty fund balance in the Liquor tax and also aware of some areas of need for substance abuse related assistance in the community.

For starters, could you please forward him the criteria for programs to be eligible for the Liquor tax dollars, as well as the process of applying for such funding?

I've CC'd Nate on this email and have asked him to respond with any other questions he has at this point.

Thanks

Chuck

Nate,

Two things. First, this cite will take you to NMRE's policy regarding liquor tax for SUD:

<https://www.nmre.org/wp-content/uploads/2018/03/LIQUOR-TAX-POLICY-FOR-SUD-SERVICES-08-01-011-S.pdf>

Secondly, attached is my most recent report in regard to what each county is expending currently out of Liquor tax fund.

Chuck

Subject: Coaches Update!
Date: Wednesday, August 14, 2019 12:06:50 PM
Attachments: Central High School Fall Coaches Meeting 2019.docx
finalforms_coach_playbook.pdf

Good morning!

Thank you to everyone that gave more of their time to attend our coaches meetings Monday and yesterday. The agenda and resources are attached for anyone that is out of season or was unable to attend.

Our technology department has completed tcaps email addresses for all paid coaches. Tracy will be sending you individual emails to your personal address with your login information and instructions on how to login to the tcaps cloud. You will want to reset your password asap. I will send you an email to your tcaps account that I would like you to reply to confirm receipt.

Also attached is the coaches playbook on how to access and use FinalForms. Not all assistant coaches are set up in this system, so please let us know if you do not have access and would like it.

The same applies for our new website www.tccathletics.net. All Head coaches at all levels will have webpage admin rights for your sport. If any assistant coaches should have access, or if you have parents that are your lead communicators, we can set them up as page administrators too. Please let us know if you need someone set up. Your default password is Trojans2019. You should change that once you login so that no one 'hacks' your page!

Coaches corner is the same on our new site, listed under the more tab, with a different password - TCCAthletics Here is the link: <https://tccathletics.net/main/otherad/contentID/49461596>

Please feel free to contact us with any questions. Looking forward to a great 2019-20 school year....

Go Trojans!!

Chuck,

Thanks for sharing. Wow, so much alcohol abuse. Is this number affected by the fact that there is more funding available for alcohol than 'other' primary substance addictions? It seems opiates get all the media attention and lip service when alcohol abuse is 5 times more prevalent.

Happy 4th,
Rob

On Wed, Jul 3, 2019 at 1:57 PM Welch, Charles (MDOC) <welchC3@michigan.gov> wrote:

Rob, Nate and Chris,

Attached is a report I requested from NMRE for Grand Traverse County. It shows substance abuse treatment admission for this fiscal year to June 30. It has multiple break downs and thought you might find it interesting.

Also, maybe some data you could use when looking at other items in front of the board.

Rob, Nate and Chris,

I wanted to update you all on a pending topic of discussion at the NMRE SUD Advisory Board. I just received our agenda for this coming Monday's meeting, 7/1/19, and see that PA2 / Liquor Tax money distribution is going to be discussed.

At our last meeting, it was discussed that the NMRE "Operations Committee"(which is the NMRE CEO and the five member CMHSP CEOs) brought up a concern regarding the current model of how Liquor Tax funds are used for Region wide initiatives. Historically this has been equally divided amongst the 21 counties. A request was made to change this to a per capita population as a means of dividing the costs, which as you know GT County would then be paying the majority, but we also have the highest dollar amount of PA2 funds and receipts.

Also at our last meeting, there were other suggestions as possibilities, such as 50% population and 50% SEV or straight proportion of PA2 tax revenue per county. I suggested NMRE staff poll other PHIPs to see how it is handled there and to have a comparison of how each option would affect each county. See this discussion in the draft meeting minutes starting on page 3 and continuing onto page 4 of the attached meeting packet.

In the agenda on page 14 are the current balances of PA2 for the region and ending balance as of April 20, 2019 after receipts and expenditures. Page 15 is a spreadsheet of the different options on the table for expenditures of cost for region wide projects. Page 16 and 17 are a list of Projects, both by county and for all counties.

I believe this discussion stemmed from a number of counties who have limited funding based on their lower continued Liquor Tax receipts, to the point that when new PA2 funding request come in for these areas, they have to see if there is enough money, while counties like ours, due to a larger receipt and large initial carry over balance when NMRE took over, is sitting on 1.3 mil.

I'm looking for County Gov / Board input and direction into how you would like me to represent our view on this topic on Monday. I am available for the most part the rest of this week if you would like to meet and discuss further or give me a call at the number below or my personal cell, (231)218-3412.

Thank you.

Subject: Booster summer check processing & few other items
Date: Monday, June 17, 2019 8:25:45 PM

Greetings all -

2 Items -

1. I have a check from Walmart but unsure which team it belongs to, tell me the amount to claim and what it was for.
2. As mentioned in the varsity coach meet after this week we will be processing checks every other week so please plan accordingly and have your requests in before Wednesday morning. So weeks checks will be cut these weeks - 6/19, 6/26, 7/10, 7/24, 8/7, 8/21. Should you have an emergency and need a check we will do our best to help if not you may need to be reimbursed after the fact.
3. Updated ledgers should be available next week.

Let me know if you have questions.

Sarah

LAST CALL...

If you have any current 9th, 10th or 11th grade student athletes that still owe your program money for player fees or other fees, haven't turned in a uniform or equipment, or other... please email me by Friday, June 21st.

Please email the following:

Student Name, Sport, Fees, What fee was for (specifics), Uniform, Cost to replace uniform, Equipment, Cost to replace equipment.

I'll will send out emails to the student and parents along with a letter in the mail.

If students do not pay or return items... we will put a HOLD on them in FinalForms and they will NOT be able to participate in their next sport until their obligations are fulfilled.

If you do not get me the list by the end of June then we will not

follow up with it in August. I need to get these out before I leave for summer break (June 28).

Let me know if you have any questions!

Student Name, Sport, Fees, What fee was for (specifics), Uniform, Cost to replace uniform, Equipment, Cost to replace equipment.

I'll will send out emails to the student and parents along with a letter in the mail.

If students do not pay or return items... we will put a HOLD on them in FinalForms and they will NOT be able to participate in their next sport until their obligations are fulfilled.

If you do not get me the list by the end of June then we will not follow up with it in August. I need to get these out before I leave for summer break (June 28).

Let me know if you have any questions!

Attachments: TCC Varsity Coaches meeting 2019.doc

Thank you for giving more of your time on Monday evening. We went longer than planned but I hope you found the conversation beneficial.

Here are a couple takeaways that I heard from the group:

- Communication! Talk with each other when sharing athletes
- Consistent Message that out of season activities are NOT mandatory
- Identify those kids that NEED us - Listen to them, what do they want?
- Educate parents on benefits of multi-sport and cons of specialization
- We would like to house a summer calendar for coordinating all activities
- Create a Mission Statement encompassing these philosophies

My feelings/food for thought:

(It is not my intention to direct this, just hopefully provokes some thoughts and conversations)

- Roles

Over time, many kids have lost the importance of role players on our teams, and so have many parents/youth coaches....if they aren't the star, it's not worth the time and then what is the point of all that work?

To that end, what IS the point? A student who puts a lot of time into their sport of choice, does not necessarily NEED to put that same time into another sport and can still:

- be successful
- be a contributing role player
- make your team better

When I think of an all-state soccer player that was going to GVSU, she put all of her out of season training into soccer, didn't attend much (if any) summer basketball, but averaged 18 points a game and was all-conference. Could she have been all-state in basketball if she put the extra work in? Yes. But did she NEED to be all-state in both sports? No. She missed several lay-ups every game, basketball was just the "fun" thing she did, but both teams were better for it...

- How we support

We are one of the best teams out there. While I don't feel we intentionally put pressure on kids to be in two places at once, some do feel this, and their (and/or their parents) perceptions are real. My hope is that we intentionally go out of our way to reinforce that out of season activities are:

- for those students not already in-season (and even discouraged for those kids)

- regularly communicated that they are only for those students that have time and interest in getting extra work in
- BALANCED - are we making sure our individual kids are not over-doing it and burning out?
- that our sub-varsity and youth program coaches are not putting these pressures on kids

If you are interested in helping with the mission statement or the historical project, please let me know. Please note that we will be using your tcaps email addresses exclusively after this, so please check those regularly. If you need any help logging in to Final Forms or tccathletics.net please let us know.

Again, thank you for all that you do! Please let me know if there is anything I can do to support!

Hi Coaches,

I have most of your certificates done, all letters and pins in your boxes, and started ordering some plaques.

I still need the following:

- 1) BNC Awards - all spring teams
- 2) Plaque Orders - Boys Golf (confirm sheet), Softball and Girls Tennis
- 3) Banquet Date - Softball
- 4) All District or All State Awards - all spring teams

Please send me this information when you receive it (BNC or All District/State). Please remember we need 7 days to order plaques from Bulls-i. If you order them directly from Liz at Bulls-i please send me a list as well.

Thank you!

Thank you Tracy. Do we have the awards for academic all state?

On Thu, Jun 6, 2019 at 8:06 AM Tracy Welch (via Google Sheets) <drive-shares-noreply@google.com> wrote:

Tracy Welch has invited you to **edit** the following spreadsheet:

 Softball Varsity Banquet Sheet

I'll need your plaque order by Wed, June 12 so they will be done for your banquet. Our office pays for 5 plaques. If you order more than 5, you'll have to pay for them out of your boosters money (\$10 per plaque).

If you look at the tab at the bottom - you can see what you gave out last year.

Thank you!

Subject: 2018-19 Fees/Equipment - Still Owed (9th-11th grade)
Date: Thursday, May 23, 2019 12:32:01 PM

Coaches,

Please look at your records and email me any 9th-11th grade students who still owes your athletic program the following: player fees, uniform fees, other fees, equipment or uniforms. If they owe equipment or uniforms - please put a monetary value on all items.

We will be contacting those players and their families to remind them to take care of their balances or return equipment by the end of the school year. If they do not take care of it then we will either hold their registration into another sport on FinalForms or we will hold them from practicing/participating with their next sport until they take care of it or make a payment plan with our office.

Please email me your lists by Wed, May 29th.... for spring sports please email me by June 12th.

Thank you.

Coaches -

As the school year draws to a close just want to share a few items with all of you.

1. Meeting minutes should be coming soon, Jeff is working on those
2. Ledgers were updated on coaches corner, they are through 5/8/19. Please review and ask questions. As we mentioned before once we complete a school year its harder to go back and trace issues so you have until the end of June for this school year.
3. Please, please make sure you have submitted all outstanding invoices for payments. Tracy and I have gotten a few emails asking us to help get payments from teams. Boosters does not pay bills until we get a request that is signed by coach.
4. Spring sports, player fees that were paid by final forms were deposited into your account this week.
5. Assistant/helper coach for those that have been paid so far from TCAPS are being paid this week. Please remind your assistance to get their paperwork in so we don't carry over into next year.
6. Summer hours for John & I - as with last year we will be going to a every two week bill payment. We will process the last week of school then two week after that going forward so please plan accordingly.

As always I'm here is you need to meet and review items, my schedule gets busy this time of year but happy to try and make time! Thanks for another great school year - you only have one more with me :)

If you have forms for me to fill out to apply to your coaches associations for scholar athlete or team awards - please give me at least a few days notice to get them done...

I believe I have already done Softball's... can't remember if I did other spring teams yet.

Thank you.

Also - if you know when your banquet date will be this spring - can you please send that as well.

Friends,

Please take 5-10 minutes to complete a survey about the training you received this winter/spring. We'll use your feedback to improve training content and in our efforts to secure ongoing funding for the program (and in turn for your programs).

Please try to complete the survey by Monday, May 6. *I'll keep bugging all of you if we don't get responses. :)*

Link to survey:

https://docs.google.com/forms/d/e/1FAIpQLSdgDMi8IkKQYi7-32rjCEsAxsrW-jkJoo8_GwVngzLOKyw3wA/viewform?usp=pp_url

THANK YOU CHARLEY NEEDHAM (women's soccer) and LIBERTY PROVOST (lax) for scheduling time for athlete training for your teams.

I know it's been virtually impossible for our spring teams to find any time, but being able to do the training with these two teams will help us fine tune the program for next year - when we hope to implement training for all coaches and athletes prior to the start of their seasons.

You're making a difference by being part of this program, and by educating yourself and your athletes.

Coaches,

I've confirmed vans through Enterprise and looking at some dates, it makes sense to keep them for a longer period of time instead of returning them just to pick them up the next day.

Here's what I have scheduled with Enterprise:

Boys Golf (2 Vans)

Pick up Wed, May 1 (afternoon) and keep until Saturday, May 4 (returning late PM).

Girls Tennis (2 Vans)

Pick up Tues, May 7 (early am) and keep until Saturday, May 11 (returning late PM).

Boys Golf (2 Vans)

Pick up Tues, May 7 (afternoon) and Returning Wed, May 8 (PM)

Softball (3 Vans)

Pick up Friday, May 10 (afternoon) and Returning Sat, May 11 (PM)

Let me know if you have any questions and let me know if you need to cancel any vans.

Thank you!

Subject: FINAL Booster Bash Team Deadline & Basket Turn In
Date: Sunday, April 21, 2019 9:33:00 PM

LAST DATE to turn everything in is tomorrow, April 22nd.

In addition, ALL TEAM GIFT BASKETS must be turned in tomorrow unless other arrangements have already been made with Jill Auger, our Team Basket Coordinator. Jill and I will be at the Athletic Office from 3-4pm tomorrow to accept the final turn-in items and team baskets.

*Also, please be sure your itemized list of the contents and total value of the basket has been turned in. List/value can be emailed to: ictrojanbash@gmail.com

We are down to just a few VIP Tables so if you know of anyone who was wanting one, tell them to turn in their Reservation form and money ASAP!

Thank you! Six days and counting...

Subject: Nash Bash Countdown Has Begun!
Date: Wednesday, April 10, 2019 3:37:03 PM

Trojans:

First, I just wanted to say a HUGE THANK YOU to the **14 teams** who completed all of their Team Expectations by the Incentive Deadline of April 8th! Boosters is thrilled to give each of these teams 2 complimentary tickets (that's 28 complimentary tickets in total!) to recognize the efforts of these coaches and/or parent reps to make this year's Nash Bash a huge success!

**Please note: if your program did not receive its complimentary tickets yet, I will be reaching out to you to coordinate getting you your tickets!*

For those teams who are still trying to sell tickets and/or meet all the Team Expectations, our **FINAL DATE** to turn everything is **Friday, April 19th** so that we can account for everything by the final deadline of April 22nd. I am unable to be in the Athletic Office on the 19th, so please complete a Booster Bash Deposit Form to accompany your deposit and place in the safe (forms in Booster Bash/VP mailbox).

TEAM BASKET - if you have not already done so, we need an itemized list of the contents of your team's basket including total approximate value ASAP! Please email to me (tctrojanbash@gmail.com) or to our Basket Coordinator, Jill Auger (jauger@globaleei.com).

Baskets themselves need to be dropped off no later than Monday, April 22nd. Jill and I will be at the Athletic Office on that date to accept baskets from 2-4pm. *If your basket contains alcohol, please leave it in your car and we will come out to put in one of our cars.* I know there are a few of you who have coordinated with Jill bringing your basket to the City Opera House the day of the event.

VIP TABLES - We still have a few 6-Top VIP Tables and a handful of 4-Top VIP Tables left, but they always go quick the last couple weeks leading up to Bash. If you have completed a form but have not turned in payment for a VIP Table, we cannot hold the table so please get your payments in now!

Thank you to all for your continued efforts to make Nash Bash one to remember!

Go Trojans!!

Date: Monday, April 8, 2019 8:49:39 PM
Attachments: WRC Solace And Solidarity Invitation.pdf

Friends,

Following up our coaches training from February. Since your sessions, we've trained coaches and parents at Kingsley and will be training coaches at WHS next week. People are talking - this is a GREAT THING!

Next Steps: Training Your Athletes

The next step is to educate our athletes about sexual abuse. We'd like to start with our spring teams (note: if there are fall/winter coaches who want to setup training for your teams, let's do it!).

- Need approximately 1 hour
- Will have at least 1 representative from the Children's Advocacy Center at every training session
- \$100 for your team if 80% or more in attendance

Interested Coaches - please email me with best days/times for training. Ideally we would do training at the high school.

If you're an off-season coach and want to setup training, send me dates/times that would work.

(Off season coaches: If it's too hard to try to get your team together, we'll make sure to setup training in fall/winter of next school year).

Thanks everyone -
Jen

p.s attached is information on a Women's Resource event being held at NMC on Thursday. Please feel free to forward to your teams.

Good morning Tracy-

We will be in the gym tonight, my understanding is we are at 5:00.

Thank you,

Nate

Subject: Nash Bash - It's Go Time! / Incentive Deadline Turn In Info
Date: Monday, April 1, 2019 8:33:48 PM
Attachments: Centerpiece_sponsor_2019.pdf
Table-reservations_2019.pdf

I hope everyone enjoyed a nice relaxing break because it's now GO TIME for the 2019 Booster Bash!

Incentive Deadline (April 8th)

I will be in the Athletic Office on the following days/times to accept Ticket Logs (both event & raffle), Raffle Ticket stubs, Centerpiece Sponsor Form and all monies to account for all Team Expectations:

Friday, April 5th (2-4pm) & Monday, April 8th (3-4pm)

*Please allow time to complete a Booster Bash Deposit Form to accompany everything that is being turned in. I will be happy to assist you with this, if needed.

**Items/money can always be deposited in the safe in the Coaches' Room anytime. Please be sure to complete a Booster Bash Deposit Form and put everything in a Booster Bash Deposit Envelope (I will have them set out on the table by the safe). Deposit envelope in the safe.

If everything is accounted for, your program will receive two (2) complimentary tickets to Nash Bash. *If you know who will be receiving your program's complimentary tickets, please have names available so we can properly update our Master Ticket Log. Otherwise, we will ask you to email us with names as soon as they are available.*

REMEMBER - FINAL DEADLINE: Monday, April 22nd

If your program is unable to meet the Incentive Deadline, the LAST DATE to turn everything in is April 22nd.

In addition, ALL TEAM GIFT BASKETS must be turned in by this date, including an itemized list of the contents and total value of the basket. List/value can be emailed to: tctrojanbash@gmail.com

MISCELLANEOUS/OTHER IMPORTANT INFO:

CENTERPIECE SPONSORS (Centerpiece Form attached) - If your program's Centerpiece Sponsor would like to include a corporate logo or message, please have it emailed to: tctrojanbash@gmail.com

VIP TABLES (VIP Table Form attached) - We still have a few VIP Tables available. These are the best seats in the house for our awesome band (Blue Footed Booby!) and the LIVE Auction!

If you have any questions or need any assistance, please contact me.

Good luck to all the spring sports who are kicking off their seasons! Here's wishing for dry fields/courts and milder temps!

Julie Zirmec, Vice President &
Booster Bash Representative

Subject: Tomorrow
Date: Sunday, March 31, 2019 5:25:46 PM

Welcome back from Spring Break! Remember in my previous emails and the parent meeting when I said be patient and flexible, well, OK here we go! Yes it's snowing but thanks to the Amy and Ondrea Ream, Coach Fiebing, Coach Asiala, and Maddy and Mrs. Coach Alger, Thirlby is essentially ready to go!

We will be practicing outside tomorrow. Varsity, please be at Thirlby ready to go at 4:30. We will go until 6:30, some of which will be chalk talk in the team room. For now, the Southeast gate will be open and you can park inside. (This is the gate at Pine St and the alley). I don't plan on much if any hitting but we will be doing outfield/in work and positional stuff.

Coach Hellman will be sending a Band for JV Practice time.

Some thoughts:

- It's cold out.
 - Dress in layers and wear a hat.
 - Wear a base layer
 - Softball pants
 - Hand Warmers
- Bring cleats.
- Bring inside and outside gear for the next two weeks.
- THERE IS NOT WATER AT THIRLBY- Bring drinks and snacks.
- Be vigilant with checking BAND as plans change quickly.

ALL games are on until noted otherwise. Uniforms will be passed out tomorrow. The first couple of games are always difficult as gear comes in so it is ok to wear sweatshirts etc. Team sweat shirts will be here soon. Until then, plan on dressing warm.

As always, if you have any questions please contact me or Coach Hellman.

Playing ball this week!

Coach Alger

Subject: TCC Athletic Boosters meeting - Monday, January 7 @ 6pm!
Date: Wednesday, January 2, 2019 9:49:47 AM
Attachments: TCC Boosters Minutes 11.12.18.docx

Hi Everyone!

We will be meeting again on Monday, January 7 at 6pm in the library... hope to see you there! The minutes from the November meeting are attached.

We will be sharing an update on the 2019 Booster Bash, which will be held on April 27, 2019 at the City Opera House. Save the date!

Let me know if there are any questions... hope to see you all on Monday!

Karen McCrary
Booster Board Secretary

Subject: ACT: Trojan Athletes of the Week for the Spring Season
Date: Tuesday, March 19, 2019 3:33:23 PM

Hello Spring Coaches!

We are ready to continue with our "Trojan Athlete of the Week" recognition for the spring athletic season! It has quickly become a special award that means a lot to our student-athlete population. Two student-athletes are recognized each Friday on the daily announcements, as well as on our school's Facebook page and intermittently on our school's broadcasting show "Front & Central".

We want to keep it rolling and continue to use this avenue as a means to highlight and encourage our Trojan student-athletes who are role models for our entire CHS student body!

What we need from you:

At least once during the course of this season, **please send me an email with the names of two of your student-athletes** making a special contribution to your team. It doesn't have to be the 'star' of the team (but can be!). It is a wonderful opportunity to recognize those on your team who perhaps are the 'unsung heroes', or those working behind the scenes to support your team's mission. In the email, I need both the name of the athlete **AS WELL AS a short description of why you would like each of them to be recognized** (3-5 sentences is sufficient!). I send the students a copy of your words via email and your specific words will be shared on the announcements/Facebook page in an effort to make the award more personalized to each recipient.

I will be sending reminder emails throughout the season, but I would ask **for your help** in getting the nominations to me! I really try my best to get **ALL** teams recognized!

Thank you for helping us support our amazing Trojan student-athletes! Hope to hear from you after spring break!

Good evening Tracy,

May I make a request to hold Varsity practice Saturday from 1 to 3? Big/Little gym?

Glad things went pretty well last night!

1) Cafeteria is open tonight but not until 7:30pm - I'll put you in there for 7:30pm (main office doors to be open 7:10pm-8:00pm)

2) I have an AUG 3 key - I put it in your coach mailbox. I'll have to order another AUG 6 key

3) I just sent a Reset Password email to the Hamstra account/email (jason.hamstra@yahoo.com) so they should be able to get back in now.

I hope all that helps!

Good morning Tracy-

A couple of things:

Last night went well enough to get through cuts. Is the cafeteria available at 7:15 tonight for a parent meeting?

We are still in need of an Aux 6 key and an Aux 3 key. Coach Haddix and Coach Fiebing only have one (either an Aux 6 or an Aux 3 but not both) which means they have to travel as a pair to make it work.

Lexi Hamstra's mom Rebecca is reporting that she is not able to log in to Final Forms. She says that she did once and was told that a confirmation email would be sent. She hasn't been able to log back in. Is there a way to reset that?

Thank you,

Nate

Good afternoon,

IF YOU DO NOT HAVE A PHYSICAL OR ARE NOT SIGNED UP ON FINAL FORMS YOU NEED TO DO SO PRIOR TO PARTICIPATING IN PRACTICE!

- Get a physical form, go to the Doctor, urgent care, health clinic, etc and return the form to Mrs. Welch in the Athletic Office on Monday.
- Click [HERE](#) and complete the form. Do not submit payment until you have received something from me.

There will NOT be 4 mans on Sunday.

For Monday, come prepared to practice and begin stretching in the trophy hallway at 4:45. We will be holding tryouts Monday. We will be dome with practice at 7:00ish

Tuesday: Same as Monday, we will have a parent meeting at 7:15. Location to be determined.

Please see below for prior correspondence I sent out.

See you Monday and have a great weekend. Hopefully we get a lot of rain and a lot of wind!

Nate

Monday, March 4, 2019, 8:27 AM -0500 from nalger@grandtraverse.org <nalger@grandtraverse.org>:

Good morning,

One week to go until practice starts! I wanted to provide some information to you about the first two weeks of practice. PATIENCE is key for the indoor work we will experience for the next...well, who really knows at this point. Hoping the lamb will be more aggressive than the lion soon so we can get a full season in. Many things occur that push us to a new time or out of the gym completely, so please be patient and flexible.

The first week of practice starts Monday at 5:00 and ends at 7:00. Baseball will begin immediately following us so we need to be respectful as possible to their time. We want all players ready to go and be stretching in the trophy area of the gym at 4:45. We plan on starting tryouts on Monday and hope to be done Monday. After tryouts are complete we will have joint practices until we go outside.

What to wear/bring:

- Indoor gym attire, NO SHORTS. Sliding will be part of the repertoire so NO SHORTS. When we go outside softball pants are highly recommended.
- Gym shoes
- All softball gear: Facemasks, helmets, bats, mitts, etc
- Water bottles
- Small snack

- Ibuprofen
- Hair ties

Pitchers and Catchers

If you are a pitcher/catcher, please plan on doing a little extra either before or after practice.

Physicals:

If you do not have an athletic physical turned into the Athletic Directors Office you may not participate until you do.

Schedule for first week:

Monday through Friday from 4:45 to 7. Due to spring break the following week Varsity will most likely go Saturday at some point. This will be decided as the week progresses.

The following week we will flip with Baseball and go 7 to 9.

Communication:

Notifications will occur through Band, an app very similar to Facebook. IF you do not have Band yet please click for [HERE](#) the link. We will also use this TCC Trojan email group. If you would like to add an email please let me know.

I have also attached the tentative schedules for both Varsity and Junior Varsity seasons.

If you have any questions please contact me or any coach.

Thank you,

Coach Alger

On Wed, Mar 6, 2019 at 4:32 PM Zac Stevenson <stevensza@tcaps.net> wrote:

Good afternoon,

Looking ahead, when we return from Spring break, we have a window of gym conflicts. Beginning at 9pm on Wed 4/3 through late Saturday night 4/6, Robotics will have all of the CHS gyms tied up. On Mon 4/8 and Tues 4/9, the Big and Small gyms are tied up with PSAT testing.

So here are our back-up plans:

Wed 4/3 - normal indoor use until 9pm

Thurs 4/4 - EMS gym times at 4:30-6, 6-7:30, 7:30-9+ to accommodate BB/SB and LEAP SB. (We are assuming track can be outside during this).

Fri 4/5 - same EMS schedule

These times are when you can have the gyms, so if your gym time is 4:30, you could meet and begin at 4:00 with stretching/dynamic war-ups etc in the hallway, use the gyms from 4:30-6, then finish with team wrap-up, cool down stretching, etc back out in the halls. Think of the gym space as a station. Knowing this would need to accommodate both JV/V, one idea could be all pitchers and catchers in the small gym, or maybe whiffle, indoor ball work in the small gym...etc...

Mon 4/8 and Tues 4/9 - if indoor space is needed. I have worked out with PSAT testing, that they would move the tables from under the batting cages after the tests each day, but then we need to put them back when done. We would only move the tables from under the cage, so you could have the New gym, hallways and batting cages. One group could have 3-6, and another 6-9, then switch the second night. You could go 1 1/2 with JV, then 1 1/2 Varsity, or maybe go station work with situations in New Gym, pitchers/catchers in halls, then batting cage work....

Just some ideas, but important to be thinking about the limitations for those 5 days straight. If you decide to go off campus, please let em know so we can free that space up for other use, or tell the PSAT people to leave the tables where they are....

Thank you!

Subject: Indoor gym times in April
Date: Wednesday, March 6, 2019 4:32:40 PM

Good afternoon,

Looking ahead, when we return from Spring break, we have a window of gym conflicts. Beginning at 9pm on Wed 4/3 through late Saturday night 4/6, Robotics will have all of the CHS gyms tied up. On Mon 4/8 and Tues 4/9, the Big and Small gyms are tied up with PSAT testing.

So here are our back-up plans:

Wed 4/3 - normal indoor use until 9pm

Thurs 4/4 - EMS gym times at 4:30-6, 6-7:30, 7:30-9+ to accommodate BB/SB and LEAP SB. (We are assuming track can be outside during this).

Fri 4/5 - same EMS schedule

These times are when you can have the gyms, so if your gym time is 4:30, you could meet and begin at 4:00 with stretching/dynamic war-ups etc in the hallway, use the gyms from 4:30-6, then finish with team wrap-up, cool down stretching, etc back out in the halls. Think of the gym space as a station. Knowing this would need to accommodate both JV/V, one idea could be all pitchers and catchers in the small gym, or maybe whiffle, indoor ball work in the small gym...etc...

Mon 4/8 and Tues 4/9 - if indoor space is needed. I have worked out with PSAT testing, that they would move the tables from under the batting cages after the tests each day, but then we need to put them back when done. We would only move the tables from under the cage, so you could have the New gym, hallways and batting cages. One group could have 3-6, and another 6-9, then switch the second night. You could go 1 1/2 with JV, then 1 1/2 Varsity, or maybe go station work with situations in New Gym, pitchers/catchers in halls, then batting cage work....

Just some ideas, but important to be thinking about the limitations for those 5 days straight. If you decide to go off campus, please let em know so we can free that space up for other use, or tell the PSAT people to leave the tables where they are....

Thank you!

Zac

Subject: One week to go
Date: Monday, March 4, 2019 8:27:31 AM
Attachments: Tentative 2019 Varsity and JV Schedule.pdf

Good morning,

One week to go until practice starts! I wanted to provide some information to you about the first two weeks of practice. PATIENCE is key for the indoor work we will experience for the next...well, who really knows at this point. Hoping the lamb will be more aggressive than the lion soon so we can get a full season in. Many things occur that push us to a new time or out of the gym completely, so please be patient and flexible.

The first week of practice starts Monday at 5:00 and ends at 7:00. Baseball will begin immediately following us so we need to be respectful as possible to their time. We want all players ready to go and be stretching in the trophy area of the gym at 4:45. We plan on starting tryouts on Monday and hope to be done Monday. After tryouts are complete we will have joint practices until we go outside.

What to wear/bring:

- Indoor gym attire, NO SHORTS. Sliding will be part of the repertoire so NO SHORTS. When we go outside softball pants are highly recommended.
- Gym shoes
- All softball gear: Facemasks, helmets, bats, mitts, etc
- Water bottles
- Small snack
- Ibuprofen
- Hair ties

Pitchers and Catchers

If you are a pitcher/catcher, please plan on doing a little extra either before or after practice.

Physicals:

If you do not have an athletic physical turned into the Athletic Directors Office you may not participate until you do.

Schedule for first week:

Monday through Friday from 4:45 to 7. Due to spring break the following week Varsity will most likely go Saturday at some point. This will be decided as the week progresses.

The following week we will flip with Baseball and go 7 to 9.

Communication:

Notifications will occur through Band, an app very similar to Facebook. IF you do not have Band yet please click for [HERE](#) the link. We will also use this TCC Trojan email group. If you would like to add an email please let me know.

I have also attached the tentative schedules for both Varsity and Junior Varsity seasons.

If you have any questions please contact me or any coach.

Thank you,

Coach Alger

Subject: Spring Coach Meeting (March 4 @ 4pm CHS Cafeteria) - REMINDERS
Date: Friday, March 1, 2019 12:57:18 PM
Attachments: [Coach Pay Sheet - SPRING 2019.pdf](#)
[TCAPS Parent Driver Form.pdf](#)

Hi Spring Coaches,

Just a few reminders for the upcoming Spring Sports Coach Meeting this Monday, March 4th in the CHS Cafeteria at 4:00pm:

- 1) Please bring a **lap top** with you as we will be going over FinalForms (New Registration Program) - if you have time this weekend, try to go into FinalForms and check out the website - you should have rec'd an invite from FinalForms on your new tcaps email
- 2) Head Coaches - please **invite** all Assistant, JV Head Coaches, JV Assistants, and any Volunteers to the meeting
- 3) Head Coaches - thank you to those who have logged in their new TCAPS email accounts. If you have not logged in, please go in this weekend and **login your new tcaps account** (Email with directions and login info was sent a few days ago)
- 4) Varsity Assistants and JV Head Coaches - we are working on getting you TCAPS emails, we will update you at the meeting regarding the timeline
- 5) **SHELL GAS CARDS** - please **bring in your current Shell Gas Card** as they are no longer valid. I'll be passing out New Shell Gas Cards at the meeting
- 6) **Coach Pay Sheets** (attached) - If you have not filled this out yet, please fill it out and bring to the meeting
- 7) Volunteers will need to apply through the TCAPS website (tcaps.net) by going under the "For Parents" Tab, then click on the "Current Families" box, on the right/bottom click on the "Volunteering" line, and then complete the "online volunteer application form"
- Volunteers could be: helper coaches, parents who drive, parents that help with team paperwork/meetings, etc
- 8) **Volunteer Drivers** (attached) - must be approved to volunteer through TCAPS and turn in Parent Driving Forms along with a copy of their current insurance and registration
- 9) **Coaches Driving Vans** - all coaches driving rental vans will need to obtain a **Chauffeur's License** from Secretary of State (\$35 plus a written test) - this

needs to be on file with our office before a coach drives their team in a rental van (I will set up all vans through Enterprise)

Thank you for going through this long list... it is appreciated. Let me know if you have any questions about the meeting on Monday. Have a great weekend!

Dear Coaches and/or Booster Parent Representatives,

This was sent out last week. So far I have heard from Boys Basketball - Arbonne Spa basket theme, Girls Golf - 4 rounds of golf at Lochenheath Golf Course in a Trojans bag, Boys Golf - committed (idea pending), Boys track committed (idea pending), volleyball - What a Girl Wants themed basket (things girls would want). That's only 5 teams out of 28 - please let me know who is handing your team's basket and what your team basket theme is!

As you probably already know, this year's Booster Bash is on April 27, 2019 at the City Opera House. Each team/varsity program has responsibilities to help make this year's Booster Bash a successful event. One of those responsibilities is AUCTION BASKETS – I will be coordinating them.

Each team must provide one gift basket containing items relating to a predetermined theme such as Up North, Beach Day, Date Night, etc. Please let me know if you need ideas. So we don't have more than one basket with the same theme, *please submit your idea and basket coordinator contact info using this online form: [TEAM BASKET INFO](#)*. **Please kindly respond by February 28, 2019.**

NEW FOR 2019

LIVE AUCTION featuring SELECT TEAM BASKETS

**10 team baskets will be selected to be auctioned off in a LIVE AUCTION
Team/Varsity programs associated with said selected basket will
RECEIVE 20% OF THE AUCTION PROCEEDS for their basket**

Once you have your idea and have finished collecting the items, the basket committee will need a list of everything in your basket (in Word

format if possible) & an estimated value turned in as soon as you are finished. Instructions regarding turning baskets in will be provided later, but if you are in a hurry to be done with it, I can take them anytime! If you have any questions, please let me know.

I apologize I left off a few that responded. Here is what we have so far:

*Boys Basketball -Arbonne Spa basket theme,
Girls Golf - 4 rounds of golf at Lochenheath Golf Course in a Trojans bag,
Boys Golf - Garden Goods
Boys track committed (idea pending),
Volleyball - What a Girl Wants
Boys Soccer - Summer Sippin'
Swim and Dive - Beach Basket
Cheer - Health and Fitness
Girls Basketball - Traverse City/M-22*

Thank you to all who responded so far!

Subject: Sunday, March 3rd & 11th - Gym Times and Spring "Down Period"
To: Liberty Provost - TC CENTRAL <libertyprovost@aol.com>, Casey Schaub <tcschaub1001@gmail.com>, John Lober (B CC/Track) <loberjo@gmail.com>, Paul Anderson <andersonp25@yahoo.com>, Pat McDonald <ampm7574@aol.com>, Brent McCall (V Asst Baseball) <mccallbr@tcaps.net>, Todd Schmitt <TSchmitt@britteninc.com>, Contact <jmk001@aquinas.edu>, Nate Alger (Softball) <nalger@grandtraverse.org>, Josh Fiebing <jfiebsintc@yahoo.com>, John Haddix <john.haddix.m5tm@statefarm.com>, Jessica Hellman <hellmljs@gmail.com>, Greg <gregorum@gmail.com>

Just a friendly reminder that **starting March 1st is the "Down" Peroid for Spring Sports.**

If you are keeping your Sunday Gym Space on March 3rd and 11th then you can do the following:

*Run a 4 Man - sport specific skills/activities but only 4 players can be at the high school gyms during this time period.

For example, you cannot have 4 players in the new gym pitching and catching and then another 4 in the small gym hitting. That would be 8 players doing something sport specific... only 4 are allowed at the high school at a time.

Also - you cannot have conditioning and then pull 4 players aside to do sport specific skills like throwing the shot put and rotating athletes through.

*Conditioning - non sport specific skills like running, weights, playing games like Frisbee or basketball to be active

*NO OPEN GYMS/PRACTICES

I have the following Teams Scheduled for the next 2 Sundays:

9am-11am Lacrosse

11am-1pm Track

3pm-5pm Baseball

7pm-9pm Softball

I'll check with boys and girls basketball coaches to see if they are still using their gym times (boys 1-3pm and girls 5-7pm).

Thank you!

Subject: On line registration
Date: Wednesday, February 27, 2019 7:17:19 AM

Good morning,

You may have received an email about on-line registration last night, if not you will be getting one soon. TCC is going to on-line registration for spring sports. This process will greatly improve the access to information that coaches need and help us and Administration with accountability. We will hear more about this at an upcoming coaches meeting and there will be more information to follow. One option you will see is an on-line payment. For now, please do not submit payment electronically until you hear what your player fee is.

Thank you and have a great day!

Coach Alger

On Tue, Feb 26, 2019 at 10:36 AM Zac Stevenson <stevensza@tcaps.net> wrote:

We are excited to announce that we are launching **FinalForms**, an online forms system that will help us boost compliance and safety. FinalForms allows you to view rosters, eligibility, and compliance statuses from your computer, tablet, or mobile device.

The best news is: **FinalForms eliminates your paperwork!**

IMPORTANT! Everyone will have a TCAPS email address that we will use for all athletic business and team communications. More info will follow with this. You will receive an 'Account Confirmation Email' from the FinalForms mailman (mailman@finalforms.com) in the next day or two to that TCAPS address. Please click the link, confirm your account, create a password, and login.

A FinalForms training specialist will be meeting with us **next Mon 3/4 at 4pm to start our pre-season coaches meeting.**

Once you receive your TCAPS address, you may login any time to view athlete and roster information including **emergency medical contacts and information**. You can even:

1. Mass email athletes and parents
2. Take attendance
3. Manage equipment handout and return
4. View physical expiration statuses
5. ... and a whole lot more!

For additional guidance, once logged in, click YOUR NAME in the upper right corner, then click 'Coach Playbook'.

If you require any support during the process, scroll to the page bottom and click 'Use Support'.

Thank you for your assistance in streamlining processes, boosting compliance, and increasing safety for our students!

Subject: Spring is in the air!
Date: Friday, February 22, 2019 6:45:40 PM

With the balmy 37 degrees today and the snow melting, it has us thinking about the start of the spring seasons!

In case it is not on your calendar, just a reminder that we are having our Spring Coaches meeting **MON March 4th @ 4pm**. We will start with training on our new registration software that will go live early next week...you're going to love it!

All head coaches and paid assistants will be receiving a tcaps email address early next week that we should all use for team related communications...a number of reasons for this that we will review at the meeting, but one big reason is for use with the new registration program.

Varsity Head Coaches: Please make sure you have touched base with Ronnie this week for any online stores you may want to set up. Also remember to complete your rules meetings (your sub-varsity coaches can watch it with you and then I can verify that everyone is complete) and please check your CPR certifications!!

There's more to come, but wanted to get these reminders out there for you. Please let me know if you have questions!

Thanks,

Zac

On Wed, Feb 20, 2019 at 2:20 PM Jill Auger <jauger@globaleci.com> wrote:

Dear Coaches and/or Booster Parent Representatives,

As you probably already know, this year's Booster Bash is on April 27, 2019 at the City Opera House. Each team/varsity program has responsibilities to help make this year's Booster Bash a successful event. One of those responsibilities is AUCTION BASKETS – I will be coordinating them.

Each team must provide one gift basket containing items relating to a predetermined theme such as Up North, Beach Day, Date Night, etc. Please let me know if you need ideas. So we don't have more than one basket with the same theme, *please submit your idea and basket coordinator contact info using this online form: [TEAM BASKET INFO](#)* . Please kindly respond by **February 28, 2019**.

NEW FOR 2019

LIVE AUCTION featuring SELECT TEAM BASKETS

10 team baskets will be selected to be auctioned off in a LIVE AUCTION
Team/Varsity programs associated with said selected basket will **RECEIVE 20% OF THE AUCTION PROCEEDS** for their basket

Once you have your idea and have finished collecting the items, the basket committee will need a list of everything in your basket (in Word format if possible) & an estimated value turned in as soon as you are finished. Instructions regarding turning baskets in will be provided later, but if you are in a hurry to be done with it, I can take them anytime! If you have any questions, please let me know.

Subject: Nash Bash Ticket Sales Check-In
Date: Monday, February 18, 2019 4:10:03 PM
Attachments: Team expectations 2019.pdf
Centerpiece sponsor 2019.pdf
Table-reservations 2019.pdf
Gift Basket-turn in 2019.pdf

Dear Trojans:

As Winter sports are beginning to wind down and Spring sports are gearing up for tryouts, we felt it was a good time to do a quick check-in to see how everyone is doing with their ticket sales and team responsibilities for Nash Bash (copy of the Team Requirements is attached for reference). Starting the end of this week, promotions will begin directing the public to the Athletic Office for ticket purchase - which means your program may miss out on selling its tickets and meeting its requirements!

The following are upcoming dates and deadlines to be aware of as well as some tips/suggestions to help your program meet its requirements:

Next Booster Meeting: Monday, March 11th, 6-7:30pm in the CHS Library

*Any questions or needs for assistance in meeting team requirements must be communicated to the Booster Board by this time.

Incentive Deadline: Monday, April 8th - Drop off at the Athletic Office

*If all Team Expectations are met (including sale of all tickets (event & raffle), centerpiece sponsor secured, gift basket theme and/or items turned in, plus all monies for sales turned in for deposit), your program will receive two (2) complimentary tickets to Nash Bash.

Final Deadline: Monday, April 22nd - Drop off at the Athletic Office

*All items (ticket logs, raffle ticket stubs, centerpiece sponsor form, gift basket plus all monies for same) must be turned in by this date.

**This includes all gift baskets and gift basket items.

Tips/Suggestions:

****Winter Sports:*** Sell your Tickets and find a Centerpiece Sponsor at your end-of-season banquet - just be sure to communicate to families that you will have tickets on hand and/or looking for a Centerpiece Sponsor. If you would like to use the Booster iPad to run credit cards for event tickets or the Centerpiece Sponsor fee, please contact Sarah West, Booster Treasurer (tcboostertreasurer@gmail.com) to arrange. **NOTE: Raffle tickets can only be purchased by check/cash.

****Spring Sports:*** Sell your Tickets and find a Centerpiece Sponsor (form attached) at your Player/Parent Meeting after tryouts have been completed. Be sure to communicate to families that you will have tickets on hand and/or looking for a Centerpiece Sponsor. If you would like

to use the Booster iPad to run credit cards for event tickets or the Centerpiece Sponsor fee, please contact Sarah West, Booster Treasurer (tccboostertreasurer@gmail.com) to arrange.
****NOTE:** Raffle tickets can only be purchased by check/cash.

**VIP Table Reservations:* Attached is the VIP Table Reservation form. Again, this can be promoted and sold at your program's end-of-season banquet or parent/player meeting. Remember, one VIP Table can count towards your program's ticket sales (so either 4 or 6 tickets from a VIP Table).

**Gift Baskets:* If your program has selected a theme, please be sure to let us know ASAP so we can avoid having duplicate baskets. Having a variety of unique themes will ensure top dollar bidding from our guests! (Gift Basket form is attached.) Remember, the top 10 baskets will be auctioned off LIVE and 20% of the proceeds from its sale will go back to your program!

If you have any questions or need any other information regarding the Booster Bash, please feel free to contact me. Otherwise, we will see you all on March 11th at the next Booster Meeting!

Go Trojans!

Softball should be \$350. Is this something that can be changed as we go?

On Fri, Feb 1, 2019 at 1:01 PM Tracy Welch <WelchTr@tcaps.net> wrote:

Just a reminder... we will need your Player Fees for your sport so we can build our Registration Website that we will use starting this Spring.

Zac - what is the Deadline for this?

I've heard from the following teams so far:

Girls Tennis \$200

Lacrosse \$350

Boys Track \$50

Coaches can have additional fees they can collect separately or individually for items like uniforms, spirit wear, hotel rooms, food, etc. Like you have done in the past... These will not be on Final Forms. You can track them on the Final Forms but will have collect the money separately unless you add them into your Player Fee Costs.

Thank you!

Subject: Re: Player Fees NEEDED - Spring Sports 2019
Date: Tuesday, February 5, 2019 9:42:00 PM

Softball should be \$350. Is this something that can be changed as we go?

On Fri, Feb 1, 2019 at 1:01 PM Tracy Welch <WelchTr@tcaps.net> wrote:

Just a reminder... we will need your Player Fees for your sport so we can build our Registration Website that we will use starting this Spring.

Zac - what is the Deadline for this?

I've heard from the following teams so far:

Girls Tennis \$200

Lacrosse \$350

Boys Track \$50

Coaches can have additional fees they can collect separately or individually for items like uniforms, spirit wear, hotel rooms, food, etc. Like you have done in the past... These will not be on Final Forms. You can track them on the Final Forms but will have collect the money separately unless you add them into your Player Fee Costs.

Thank you!

Thank you all for your work on this...you are going to love the communication and streamlining. I plan to send our forms over today to begin the build process. They take about 10 days. It would be nice to have all of our fee rates to them by Wed of next week. Please let em know if that does not work for you!

Subject: TCC Athletic Boosters meeting - Monday, January 7 @ 6pm!
Date: Wednesday, January 2, 2019 9:49:47 AM
Attachments: TCC Boosters Minutes 11.12.18.docx

Hi Everyone!

We will be meeting again on Monday, January 7 at 6pm in the library... hope to see you there! The minutes from the November meeting are attached.

We will be sharing an update on the 2019 Booster Bash, which will be held on April 27, 2019 at the City Opera House. Save the date!

Let me know if there are any questions... hope to see you all on Monday!

Karen McCrary
Booster Board Secretary
