IN THE MATTER OF ONE SEARCH WARRANT  
REGARDING MICHIGAN STATE POLICE/FEDERAL BUREAU OF INVESTIGATION  
INCIDENT #10-314-20

MOTION TO SUPPRESS  
SEARCH WARRANT AFFIDAVIT AND TABULATION

PURSUANT TO MCL 780.654 & 780.655, the Michigan Attorney General Office moves to suppress the search warrant affidavits and tabulations filed with the court in this case. In support, the prosecution states the following:

1. A reviewing judge or magistrate, upon a showing that it is necessary to protect an ongoing investigation or the privacy or safety of a victim or witness, may order that the affidavit be suppressed and not given to the person whose property was seized or premises searched. The suppression would be lifted after that person is charged with a crime involving evidence seized as a result of the search. MCL 780.654(3).
2. The officer seizing property with a search warrant must "file the tabulation promptly with the court of magistrate." MCL 780.655(2).
3. The search warrant tabulation may be suppressed by order of the court until final disposition of the case, unless otherwise ordered. MCL 780.655(2).
4. The Michigan Attorney General Office requests suppression of the search warrant affidavit & tabulation filed in this case because the ongoing investigation would be impaired if the facts listed in this affidavit were released to persons whose property was seized or whose premises were searched. Further, the privacy and safety of a witness could be jeopardized by the release of the information in the affidavit and the tabulation at this time.

MOTION TO SUPPRESS  
SEARCH WARRANT AFFIDAVIT AND TABULATION

PURSUANT TO MCL 780.654 & 780.655, the Michigan Attorney General Office moves to suppress the search warrant affidavits and tabulations filed with the court in this case. In support, the prosecution states the following:

1. A reviewing judge or magistrate, upon a showing that it is necessary to protect an ongoing investigation or the privacy or safety of a victim or witness, may order that the affidavit be suppressed and not given to the person whose property was seized or premises searched. The suppression would be lifted after that person is charged with a crime involving evidence seized as a result of the search. MCL 780.654(3).
2. The officer seizing property with a search warrant must "file the tabulation promptly with the court of magistrate." MCL 780.655(2).
3. The search warrant tabulation may be suppressed by order of the court until final disposition of the case, unless otherwise ordered. MCL 780.655(2).
4. The Michigan Attorney General Office requests suppression of the search warrant affidavit & tabulation filed in this case because the ongoing investigation would be impaired if the facts listed in this affidavit were released to persons whose property was seized or whose premises were searched. Further, the privacy and safety of a witness could be jeopardized by the release of the information in the affidavit and the tabulation at this time.
