It seems like just yesterday you were here having coffee with me. I miss you so much "mihito". We all know you are in a much better place and are no longer in pain, but it still hurts not having you here.

Mato, we all miss you very much and you will forever be in our hearts. God is very happy you are forever with him.

Love you: Mom, Dad Your sons: Jacob and Nicholas Brothers: Steven, Daniel (JP) and your sister: Sandra (Barry)
