We are HERE for you

This year has indeed been a trying time for us all, but what an honor and a blessing to be voted as the Best Provider in Rockwall County after having re-opened our doors in Royse City just one year ago. I am hopeful that my passion and drive for practicing medicine - which was instilled in me by my Father, Dr. Ron Jones, is reflected in my relationship with each of you. Being a small clinic, we would not be here without the support of our amazing community. Without a doubt, if there was a “Best Community” award, it would have to go to all of you! Thank you all for allowing me to serve you, I am truly humbled.

It's an honor to be recognized as the top lender in Rockwall County.

Thank you so much!

Three years ago we were able to buy a new home and keep our former home as a rental after other lenders told us no. Sherri showed us how. Three years later we now own 4 homes, all income producing. Dont call anyone else!

- Derek A.

We've purchased many homes and was by far the smoothest process and closing we've ever experienced.

- David & Susan T.

Sherri is fast, effecient, and absolutely the best at what she does. If you need a mortgage, you need to call her.
