In 1978, Mike started on the grounds crew at the local country club. In 1985 he graduated from Oklahoma State University with a degree in Turfgrass Science. For the next 20 years, he specialized in construction and maintenance of golf courses, learning many "tricks of the trad." An ATV just did not fit his needs, so in 1988 he built his first lifted golf cart. From there, his hobby turned into a full time job and in 2004 he officially opened MikesMotorToys as a Factory EZGO dealership.
