Saluting the 2025 Best of The Salem News

We asked, and you delivered.

We asked you, our readers, to name your favorite businesses, services and places for our annual Best of The Salem News poll, and you answered — enthusiastically.

You weighed in on pretty much anything and everything that makes the North Shore special — its including restaurants and retail shops, salons and spas, fitness and health studios, beaches and museums.

You lined up behind the region's longtime businesses and veteran professionals, while still finding space for a few newcomers.

The top vote-getters are all worthy choices to bear the title of Best of The Salem News for 2025. They are the backbone of our neighborhoods, and we encourage you to support all of these local shops, restaurants, service providers and professionals in the year ahead as they maintain their commitment to our communities.

Please join us in congratulating our Best of The Salem News winners for 2025.
