

CACHUMA LAKE

FISHING REPORT

WEEK ENDING: February 10, 2020 WATER TEMPERATURE: Top Water 57 degree

Someone finally found the trout! They wouldn't say much, but rumor has it that they were trolling close to Santa Cruz Bay. Bass are still biting at the wall on Yamamoto Senkos set up on a drop shot. The popular lures are Zara Spooks, Strike Kings and Flicker Shads. Catfish by the dam and are biting on Mackerel. We're still over 70 % water capacity, well above the spillway, so no trout plants are scheduled. The fishing derby is coming up in April. Our rental slips will fill fast, so make your plans early. We will take reservations for the fishing derby one month prior. Our last boat rental is at 2:30 p.m. and boats must be back in by 4:30 p.m. We have an assortment of rentals from kayaks and canoes all the way up to our 20 person pontoon. All of our boats are first come, first serve. Reservations are not available. The weekends are very busy so if you want to rent a Pontoon Boat, it's best to get here early.
